Brevities.

Rev. Robert Henderson will conduct the services in St. Andrew's church during the month of April.

Messrs. Sam Gundy, and Jake Spence travellers for Gegg and Co., Toronto, were in town on Thursday.

Mr. Sam Brown of this town, and Mr. Earl of Collingwood, are about engaging in the livery business in Bobcaygeon.

Miss Lillie Brown has just finished a fine large likeness of the late Rev. Dr. Smithett for the County Orange Lodge of Victoria.

The funeral of Mr. Gordon, was largely attended last Monday, the C. M. R. A., to which he was interest turning out in good force.

Pond lily soap is just the article for the toilet. If you are the least skeptical about it just call on Sam Perrin, and your doubts as well as dirt will vanish.

Miss Ritchie, B.A., of Montreal, the young lady who carried off the highest honor gold medal last year at McGill University, is visiting her cousin Mrs. Neelands.

The next meeting of the Church of England temperance society, will be held on Friday, April 26th, when Mr. N. W. Hoyles, B.A., of Toronto, will deliver an address.

A letter has been received from Henry M. Stanley, by a friend in Edinborough, dated 4th Sept., 1888. The great African explorer was then in good health and spirits.

The firm of McLean & Smith has been dissolved, and Mr. Richard Smith, recently of said firm, can now be found at the City Store, where he will be pleased to meet all his old friends.

Mr. Abraham Delorey has begun work as general outside superintendent for J. G. Edwards, hardware merchant. Mr. Delorey will be a good man for Mr. Edwards.

Rev. W. Logan of Fenelon Falls has summarily dismissed the curate, Rev. J. G. Dean. The promptitude of the dismissal is highly commendable, at least, so far as facts already public can be relied on.

Miss Minnie Truscott, who has been visiting for some months with her sister Mrs. Tate, wife of Jasper Tate, Esq., left for her home in Mackinaw, Mich., on Tuesday. Her stay here was most enjoyable.

Fenelon Falls village wants a small freight shed on the east side of the track. This would prove a great convenience to the village. The western one is required for heavy, bulk freight. The local freight would be better reached on the east side. Let the village petition Mr. Macklin.

Mr. W. Hartley for years renowned as a skilled worker in steel and iron is now stationed at Oakwood where he is successfully pursuing his trade as a general blacksmith, and worker in steel. Especially has he a great reputation as maker and repairer of chopping axes. He has few equals in his line of business.

Mr. J. Spier, returned home Tuesday morning last from the winter spent at McGill Medical College, Montreal. In his examinations on this, as on former occasions John did remarkably well, standing in *honors*, seventh out of the entire class. It always affords pleasure to learn of the well-doing of a fellow citizen.

A lonely journalist of this town was seen prowling around the G.T.R'y officials here this week to learn something about the proposed extension of the Haliburton railway to Kinloss. His surprise was great to learn that the work was as good as begun. "POOR OLD BIT VAN WINKLE." This while he has been for years busy manufacturing "letters" and lies against THE WARDER, THE WARDER has been for years looking after the interests of the town and county. For three years quietly, and for months *publicly*, we have striven for the welfare of this district by reviving George Laidlaw's plan of pushing on the Victoria Railway to Ottawa river. All honor to brave George Laidlaw. We are honored in reviving and advancing his great plans.
