FRIDAY, MAY 31, 1889.

FENELON.

Special to The Warder.

Moved by Bro. A. Wilson, seconded by Bro. A. Northy, we, the members of L.O.L. No. 1410, assembled in our lodge room, unanimously enter our protest against the act endowing the Jesuits out of the public funds, strongly condemning the conduct of those orangemen in the House, who betrayed our cause and principles and pledge ourselves to use our influence against their re-election in the future. We cordially tender our thanks to the Mail and to the noble thirteen for championing our cause.

MAGEE'S CORNERS—EMILY.

Special to The Warder.

RUNAWAY.—While Mr. David Storey's team were standing near the market in Peterboro', one of the lines becoming unhooked the man got down to fasten it and the team took flight and started off, running into the river south of the market, and one of them was drowned before they could be got out. It appeared that the beast broke its leg before getting into the pond and was therefore unable to keep itself up in the water.

IMPROVEMENT.—Mr. Harry Jackson has for the past week been engaged in tearing down his old residence, and has workmen now employed in laying the foundation for a fine new brick building on the site of the old one.....Mr. John Elliott's house is now undergoing a thorough painting in an artistic manner. Mr. Elliott likes to have things tasty.

What about a picnic in Magee's woods this year? I have been to a few very successful gatherings there, and I think if the young men of that community could join together they could give a picnic this year that would even surpass that of any former occasion.

BLACKSTOCK.

Special to The Warder.

On Tuesday, 23rd inst., a very pleasing event took place at the residence of Mr. David Milne, being the marriage of his eldest daughter, Annie, a very estimable and amiable young lady, to Mr. Wm. H. Mr. A. Kneeman has completed his residence, which adds greatly to the appearance of the street.

Mr. Hugh Mitchell, collector for THE WARDER, spent a few days here last week. THE WARDER is progressing rapidly in circulation here.

BETHANY.

Special to The Warder.

We heartily welcome a new business citizen to our village, namely Mr. Leslie, V. S. Bethany has been in need of a man of this class and no doubt Mr. Leslie will work up a good business. He is a graduate of the Ontario veterinary college, besides having four years' experience and practice in Port Hope. He was highly regarded there as a skilful and competent man. This is the kind of a man Manvers people want, and we predict a bright future for Mr. Leslie here.

THE debate on Tuesday night brought a full house. Subject—Be it resolved that Oliver Cromwell did more for protestantism than William III. The speakers on both sides did well, but it was decided in favor of the negative. A reading by Miss Allen was the life of the evening. For the able manner in which she rendered it she was highly applauded and encored.

PLEASANT VALLEY.

Special to The Warder.

Mr. Wm. Haseman is away visiting his parents at present, as they are both sick.

Mr. George Moynes raised his new barn on the 17th con. There was a good turn out at the raising, and it went together well, and that speaks well for the carpenter, Mr. Frank Dowell. It will be a very fine barn when finished.

Mr. John Ritchey has formed a Junior Orange lodge in our neighborhood, and there has quite a number joined. We wish the new lodge every success, and hope that it will bring our young people up in true protestantism. We hear nothing about a pemit order. As yet, most of our people are opposed to that order and those that support them.

THERE was a meeting held to make arrangements for an anniversary at Zion, which is to take place on 1st July. All are welcome, and a large crowd is expected.

WE see our milk drawer is at work again.

THERE has been quite a fatality amongst the mares from foaling in this locality. Mr. Everson has lost one, Mr. Wm. Copp one, and Mr. R. C. Webster one, all very valuable animals, and some others.

SINCE penning the above, we hear that Mrs. G. Conday has had a severe attack of inflammation of the lungs and bronchitis; but under the skilful treatment of Dr. Graham of Fenelon Falls. We are glad to hear she is recovering.

WAYSIDE JOTTINGS.

DARLINGTON, CARTWRIGHT AND MANVERS

Special to The Warder.

Mr. John F. McGill of Burton paid a business visit to Toronto.

THE death of a fine mare owned by Mr. Geo. Nicholson of Lotus entailed quite a loss on that gentleman.

MRS. Lony Shackleton of that village intends erecting a comfortable family mansion on the site of the old one that so long adorned the village.

Mr. David Ferguson of Lotus has returned home after an absence of six weeks, from Hewick, where he had been in attendance on his sister, Mrs. Rachel McLaughlin, wife of Mr. Robert McLaughlin. After a comparatively brief illness, the devoted wife, the tender mother, the affectionate sister and loving daughter, calmly, joyfully and triumphantly fell asleep in death on Sunday, the 12th, regretted by a large circle of friends and acquaintances.

Mr. Geo. Bigelow of Lochalsh cottage, Manvers, has made quite an improvement on his property in the form of a substantial and attractive wire fence.

Miss. John Benson of Bethany enjoyed a visit among her Cartwright friends.

Darlington's Mrs. Brown, wife of Mr. Andrew Brown, is seriously ill.

Mr. Wm. Beatty of the Sault, has commenced work on the 100x40 barn building by him for Mr. Thos. Woodly.

On the morning of the 22nd fire completely demolished the barn, stable and sheds of Mr. Edward Byers of the Sault. Along with the above he lost a cutter, reaper, farming mill, gang plow, seed sower, single plow, two set of sob-sleighs, cradles, rakes, hoes, two sets of working harness, a set of silver mounted buggy harness, and a number of fowl. We did hear that Mr. Byers had none of the property insured.

Miss Sarah Byers of South Manvers enjoyed the hospitalities of Fairview farm, the home of Mr. Robt. Virtue.

LATE reports say that Mr. Byers had an insurance of $400 on the property destroyed.

GALA day at Tyrone on the 24th. Foot and baseball constituted the principal athletic games of the day. Proceedings closed by a grand concert given in the Sons' h ll.

MRS. Sproule, mother of Mr. Wm. Sproule, is visiting at the home of her daughter, Mrs. Samuel Hicks, township of Clarke.

Mr. James Hodgson of Maple cottage is so far recovered from his late serious illness as to resume agricultural pursuits.

Mr. John Bell of Toronto was visiting old Tyrone friends.

SLIGHT improvement in the condition of Mrs. John Slemmon of Haydon, who has been ill for some time.

Mr. Jas. Campbell visited Cartwright friends.

The Haydon school baseball nine defeated the representatives of the Tyrone school on the 24 h.

Mr. Jos. Couch of Haydon was taken suddenly ill, and a doctor had to be summoned before he experienced any relief.

An excellent game of football was played on the 24th between the Haydon and Tyrone clans to the grounds of the latter team, resulting in a victory for Tyrone.

CLARKE.—Very little hope entertained for the recovery of Mr. Daniel Smith. His illness has been a protracted one.

CARTWRIGHT.—Mrs. Thos. Williamson of Maple Valley has been on the sick list. Also Mrs. Geo. Montgomery, and if report be true, Mr. Geo. Montgomery is in rather poor health.

Mr. Wm. Axworthy met with rather a heavy loss in the death of one of his horses. Mr. Geo. Pallis met with a similar loss.

WE learn that Mr. Wm. Brown has purchased the south half of lot 29, con. 1, Cartwright. Price $1100.

Mr. and Mrs. John Gilbank of Pontypool were visiting among Haydon and Tyrone friends.

Mr. J. R. Fowler of Burton has decided to sell his 120 acre farm situated near that village.

GLENARM.

Special to The Warder.

PERSONAL.—Mr. Donald Tolmie of Islay, left on Monday 13th inst., for Manitoba and Dakota. We understand if the country agrees with Mr. Tolmie, he intends to become a permanent resident of that place.....Mr. Gilman of this locality, left for Uncle Sam's domain, Michigan. He is one of those annexationists that prefers the States to Canada. We wish Mr. Gilman success, and hope that Uncle Sam will as Pat would say, "treate him well."

COMMUNION.—The sacrament of the Lord's supper was dispensed in the presbyterian church here on Sabbath last, 26th inst., A meeting will be held in the above place on Friday evening, 31st of May, at 8 o'clock. All the members and adherents that are interested in the welfare of the church are requested to attend, so as to consider about the picnic that is going to be held this summer, and to appoint a day for the same.

BALSAM.

Special to The Warder.

THE crops in this section are looking beautiful, prospects of a very beautiful harvest. The hay crop is extra long for the time of the year.

THE cheese factory is in full blast with a good supply of the needful to make it a success. We have not tasted the cheese yet, so cannot speak as to quality.

SINCE our last letter, there has been a great many changes in our little village. Mr. S. Allen has moved to Mr. Downey's new house. Mr. Morton has moved into the house formerly occupied by Mr. Allen.

Mr. Sinclair has sold out his blacksmith business to Mr. W. Cunningham. He is doing well here, all he wants is some one to share it with him, for alas, he is a "batch."

Mr. T. W. Reed is making improvements by way of fencing. He has built Russel's patent fence along both sides of the road which runs through his farm. He believes that prevention is better than cure.

I do not see why the young men will persist in hanging on the gates on Sunday nights; but I suppose it is hard to get away. This attraction is a wonderful thing.

SOME of the carriage makers of Lindsay must be making money this summer, judging from the display of fine buggies coming from their shops. Some of the young men must intend to give their sweethearts a good time this summer.

OUR village store must be doing a rushing trade this spring, as there are piles of goods comes off the train. But then he sells cheap, and that accounts for it all.

DALRYMPLE.

To the Editor of The Warder

DEAR SIR.—Kindly allow me a few words with reference to what was said by your Dalrymple correspondent in THE WARDER of May 17th. His notes under the heads of cruelty and accident are to say the least, misrepresentation of facts. The person to whom he refers as taking delight in whipping, and being otherwise cruel to a certain little pony, "say that they are not afraid to have their names published in full in THE WARDER, as no such thing as cruelty has ever been inflicted upon the said pony; and this we have every reason to believe is true. "A little common sense" is as necessary to a person who writes public notices for a paper as it is for "breaking in a colt." And especially is truth indispensible at all times. When the writer refers to me in the next note, he is equally eager to misrepresent things. He says, "after giving his horse a dressing down, he hitched it to the buggy to drive it out for exercise." This is false. Such a thing as what he calls a "dressing down," my horse never got at my hand, nor was she even once struck before hitching her to the buggy. The whole article from beginning to end shows that the writer is either ignorant of the facts, or that he is led by his sympathetic feelings which will not permit him to let matters go unnoticed to misrepresent things. We trust that if Mr. E. C. has ever occasion to write to THE WARDER again, his sympathetic feeling (?) will inspire him to have a little more regard for the truth. Yours faithfully,

H. FOSBE.

FOREWARNED IS FOREWARNED.—They say our council, (Carrico), signed a paper one year ago, condemning the bridge over the narrows on Mud lake as unsafe. There was one span of the bridge partly broken down then, now the whole of the timbers in that span are broken and the bridge is hanging on the trusel bent, and the first load that passes over will likely go down into 18 feet of mud and water. The county council must look into this thing at once, as we as a township are not able to build a new bridge, and nothing else will do now. The water span is 190 feet, the batments are sound enough to build a new bridge on if appearance goes for anything. We would advise anyone that intends travelling over it till it is repaired some way, and that will have to be done immediately, to put on a life preserver. The plank are all rotten, so that they are falling down of their own accord between the stringers and leaving holes that sheep could fall through easy. We want the warden to come here at once and see for himself, so he can report at the next meeting of the county council.
