BEST OF FRIENDS MUST PART,
And though this parting will cost us hundreds of dollars, it has to be.
However, we derive much comfort from the circumstances which will leave not our enemies but our friends the beneficiaries. It is not the lack of business—for we are always busy—but the lack of room in our new stand which compels us to make this great slaughter of our former very low prices. We find we will be unable to get more than two-thirds of our present large stock which consists of from $30,000 to $35,000 and we are storing all the surplus stock at the old stand which we have rented till the 1st of August.
IN THE MEANTIME
We must get rid of at least $10,000 worth of goods so as to be able to get them into our new stand by that date.
PRICES OF A FEW WEEKS AGO SPLIT TO SPLINTERS,
And if the prices we are offering goods at don't move them quick enough we will give them away, but don't wait for that, come now, to the Great Bankrupt Store.

VAIN REGRETS.
Since CHINA HALL opened in Lindsay a great many people have come and priced our goods after having bought elsewhere. In every instance having made the discovery—when too late—that they have lost money by not buying directly from us. Do not buy a dollar's worth of

Without first seeing our prices. You will then have NO regrets besides being considerably better off financially.
REMEMBER
We are the largest dealers in the above lines between Toronto and Montreal, and being direct importers, we buy our goods from 30 to 40 per cent. less than grocers have to pay for theirs. Our selling price is, THEREFORE, less than wholesale cost for them.
