PROTON

Held Over Last Week

Visitors here over the holiday were: Misses Clara, Millie and Mabel Binnie at their home; Mrs Ewres and son, Victor, Mrs Burton and babe, Tommie, and Mr and Mrs Delacore at T Wyville's; Mr and Mrs Duncan McNicoll at Chas. Lyons; Mr and Mrs J Eddy and Mrs Wilson at Mr Consley's; Miss Emily Acheson of Mono and Mr Bruce Eade of Toronto, at their respective homes.

Miss Muriel Wilson returned to Toronto with her mother to spend the holiday week.

Miss Minnie Galbraith spent the holiday with her mother, Mrs Hodgins.

The public school concert given in the Orange hall on Thursday night was a decided success. The pupils acquitted themselves very creditably and gave many pleasing numbers. The dialogue and tableau by the young people were much appreciated. The Proton orchestra gave a number of selections which added greatly to the evening's entertainment. Part of the proceeds are to be given to the Chinese famine fund

Speaking about Christmas presents, Mr and Mrs Hugh Copeland were the happiest couple in town on Christmas morning for Santa Claus left them a baby boy.

The Orangemen's oyster supper was a very pleasant affair. A first class supper was served by Mr and Mrs Wauchobe, after which a good program was enjoyed at the Orange Hall. Mr R J. Woods occupied the chair and gave an address in his usual capable manner. Mrs. H. Thompson, Mr Park, Miss E. Stevens, Miss Marjory Acheson and little Miss Maggie Lyons gave pleasing selections in songs and readings. Messrs Neilson, Hanley and Wauchobe sang some humorous songs in good style and the Proton orchestra interspersed with excellent music.

At the annual meeting of L O L 244 the following were elected for the ensuing year: W M, E Stinson; D M, J Hanley; Chap, Ren Acheson; Rec Sec, L Lockhart; Fin Sec, J Neilson; Treas, A Sherson; D of C, G Ludlow; 1st Lec, S Sherson; 2nd Lec, H Staygell; 1st Com, J Carson; 2nd Com, R Bates; 3rd Com, R Stevens; 4th Com, W Neilson; 5th Com, B Sharp: Auditors, R Sharp and E Stinson.

Dr. Meaus of Hanover underwent a serious operation in Toronto.

Mr. and Mrs. R. J. Galbraith, of West Mono, have demonstrated that there is good money in raising geese these times. Last spring they had a flock of three geese, which produced 63 eggs. Three of these were double yolked and therefore unfit for setting. From the other sixty eggs they reared 39 goslings, which they sold recently for an average of $4.71 each, or a total of $183.69 for the flock. This means a return of $61.23 from each of the three geese with which they started out last spring. The heaviest bird in the lot they sold weighed 19¾ lbs., and the lightest 11 lbs.—Orangeville Banner.

Appreciating the many courtesies extended to us in the past year, we take this opportunity to thank our friends for their generous support and wish them a very prosperous year in 1921.

Start the New Year Right

There is a time to do the right thing, and the man who does the right thing is always conscious of having done his duty. New Years is a good time to start, so before you renew your subscription to any paper think a moment of the Farmer's Sun and what it means to yourself and the farmers of this province. The paper is owned by the farmers and published solely in their interest. No other paper donates its entire energy to the farmers' cause. When sending in your subscription, get your neighbor to subscribe, then you will both be doing the right thing at the right time. Think of the price, 104 issues for only $1.50. There is no other paper just like the Sun. The Farmer's Sun, Toronto.
