The Island Tragedy.

The young man Martin Farrel, shot at Heber's shooting gallery shortly after ten o'clock on Monday night, died in great agony about one o'clock yesterday morning. The bullet severed the carotid artery and, although the best medical skill in the city was procured, nothing could be done for him. Yesterday afternoon a young man walked into the detective office and said he was William Young, and that he was the party that handled the rifle that accidently shot Farrel. An inquest was held at the morgue by Coroner Johnston yesterday afternoon, and the *post mortem* revealed that several arteries had been shattered by the fatal bullet. Young gave evidence. He stated that he was in the gallery with a companion, that the rifle exploded accidently, and that, seeing he had shot Farrel, they became frightened and fled. He thought better of it, however, and gave himself up. He never saw Farrel before. The inquest was adjourned until this evening. Young is about 20 years of age, and is a brother of the boy shot by constable Alberts in High park some years ago.—*Mail*.

The First Presbyterian Church in Canada.

The meeting of the General Assembly of the Presbyterian Church of Canada at Halifax has recalled the circumstances that the first Presbyterian church in Canada was built in the Nova Scotian capital and the further interesting fact that the first minister to take charge of the church was the great great grandfather of the present President of the United States. It is on record that Rev. Mr. Cleveland received £100 per annum, his house rent and firing, and that he preached every Lord's day in the afternoon in the Episcopal church with good acceptance until the meeting house was ready for use, when regular morning services were instituted. Mr. Cleveland only laboured for five years in Halifax, when he proceeded to England, joined the Episcopal church, and returned to America as a missionary for the Propagation of the Gospel.

South Victoria Agricultural Society.

A meeting of the above society was held in the council chamber, Lindsay, on Saturday, 9th inst. Present: John Dobson, president; Col. Deacon, Robert Bryans, R. Willock, T. H. McQuade, T. Connolly, D. Scully, J. F. Dix, And. Horn, I. W. Reid and W. E. Swain. On motion of Col. Deacon, seconded by Mr. Connolly, the board went into committee of the whole to revise the prize list. Mayor Walters asked permission to address the board, which was granted, and he accordingly introduced the subject previously broached regarding the building of a caretaker's house in the grounds, which was favorably commented upon. On motion of T. Connolly seconded by D. Scully, a special committee composed of the following members; The president, Messrs. Scully, Willock, and Bryans, was authorised to ask for tenders to erect a carriage shed, dinning hall and booths fitted up, the improvements to be finished as soon as possible. Moved by J. F. Dix, seconded by R. Willock, that the South Victoria agricultural society pay one-third cost of erecting a dwelling for a caretaker of the park the cost not to exceed $450, the building to become when finished the property of the society on the terms proposed by the mayor of the town of Lindsay.—Carried. On motion of Col. Deacon, seconded by D. Scully, the president and Messrs. McQuade and Willock were appointed a special committee to examine the final revision of the prize list as read before it is placed in the hands of the printer, said committee to meet on Thursday, 12th inst., said revision to be final.—Carried. An adjournment was then made.

Startling Suicide.

Great excitement prevailed throughout the town of Aylmer on Tuesday last, caused by the suicide of G. W. Goodfellow, proprietor of the Aylmer roller flour mills. About a week ago his 15 year old girl Lilian left her home, and it transpired she had been ill-treated by her father, who it is reported has whipped her most unmercifully for trifling affairs at times since she was but a small child. Refore leaving she gave a letter to a neighbor to be mailed to her father, but he having left almost immediately in search of her the letter was not posted, but was handed to the minister of the church to which Mr. Goodfellow belonged. Shortly after was revealed the contents of the letter, which accused Goodfellow of intimacy with his daughter, which had been going on for some four or five years; and declaring she could endure it no longer, she left and went to her aunt's in Buffalo. Goodfellow traced and brought her back on Monday, the 11th of this month. The town authorities did not act in the matter until to-day, when lawyers Stevens and Tremeear issued a warrant for the arrest of Mr. Goodfellow, who, while being arrested, drew a revolver and shot himself through the brain. An inquest will be held.

Before the Bishop's departure on Saturday morning an address was read by Mr. D. Forster, of the class of Rehetoric, in behalf of his fellow students, expressive of the joy felt in his Lordship's visit to them, of the sincere wish of all present that the years he now wished to pass in rest and quiet, after nearly forty years of arduous work as priest and Bishop would brove the happiest of his life, and of the hope all entertained of soon welcoming him again at Assumption.
