COUNTY CORRESPONDENCE

OAKWOOD AND VICINITY

The township legislators met in the town hall on Monday and transacted business.

Miss Pearl Bowes, Lindsay, spent Sunday with friends in the village.

Dr. Vrooman, M.P., and Mr. Sam. session of the Farmers' Institute here Fox, M.P.P., attended the afternoon on Friday.

Mrs. Sodan, who has made a lengthy visit with her daughter, Mrs. Chas. Perrin, returned to her home on Saturday morning.

Owing to the stormy nature of the day, the attendance at the churches on Sunday was very small.

A little baby has arrived at Mr. Noble Tait's home.

Miss Sarah Jacket was ill during the most of last week, but is nearly well again.

We are pleased to notice that the entrance examinations taken from Oakwood last year, will be held here again. It is likely Oakwood will remember Mr. Channon for this service.

Mr. Thomas Shearer of Bracebridge has been in this neighborhood for the past few weeks buying up a few horses to take home with him.

Mr. Albert Dillman, who has been cheesemaking in Eastern Ontario, is in this vicinity for a few days.

Mr. Wm. Tait happened with an accident while drawing out wood in Parkinson's woods, Thursday afternoon of last week. A cord in his leg was broken near the knee, and the physician has informed him he will have to remain in bed a number of weeks.

A gang of Grand Trunk employees have been engaged during the last week making alterations in the waiting-room on the Mariposa station house, which will be greatly appreciated by the station-master and the travelling public.

Mr. Wellington Tait came home from the Ross Hospital, Lindsay, on Thursday of last week. He was operated on for appendecitis, and only spent a little over three weeks in the institution. He is looking very well and speaks in favorable terms of the hospital and its staff.

Why, William, what makes you look so pleasane ? remarked a friend one day recently. It proved a very satisfactory explanation when a third party informed the inquirer that a little boy had appeared in Mr. Goard's home.

The matter of rural mail delivery (in the form of a motion,) was brought before the Institute meeting on Friday, and was unanimously favored. A copy of the motion will be placed into Mr. Vrooman, who expressed his approval of the scheme in the brief address he made.

Court was held in the town hall Thursday afternoon, and only one case came up for decision. This was between Glenny and Gorill, regarding the renting of a farm and the loss sustained by the tenant, Gorill, whose roots and vegetables were destroyed, owing to non-repairs. An important witness was absent, and court adjourned to meet in Lindsay on Friday, Feb. 13th.

Mr. D. Ewart of Lindsay appeared before Col. Deacon Friday afternoon charged with disturbing a bailiff's sale held here some time ago He appealed to a higher court, and so the case will be settled by a jury in the sessions next June.

Farmer's Institute meetings were held in the town hall, Friday afternoon and evening. The crowd in the afternoon was not nearly as large as it should have been. Most of those present were men who ought to be thinking about retiring from farm life. It was a strong proof that farming does not appeal very strongly to our young men. The life of the farmer boy compared with that of his cousin was described as enviable yet. Farmers now-a-days are sending their sons to college, in view of a profession. The information given by Messrs. Fraser and Sheppard was very valuable.

Mrs. Rev. Webster returned home, after spending a few weeks with her mother, Mrs. D. Gourlay, Toronto.

Mr. L. Adair, Winnipeg, spent a couple of days with his sister, Mrs. E. Prouse.

The W. F. M. S. of the Presbyterian church are anticipating a good time at their pie social, which takes place Friday night, Feb, 13th, in the Presbyterian church. A good program is being prepared.

Miss Mabel Bailey and Miss Eva Irwin of Cambray, spent a couple of days with their friend, Miss Ruth Webster.

Mr. M. McLachlan returned from his visit to Toronto last week.

Mr. and Mrs. Amey of Cannington paid a flying visit to this village last week.

The Library Board has undergone a thorough change in the official staff. At the first meeting of the board G. B. Rennie was elected president, F. G. Perrin, sec.-treas.; book committee, the Rev. Mr. Webster, G. B. Rennie, Dr. Chambers, Rev. Mr. Clair; finance and entertainment, E. Lytle, F. G. Perrin, Florence Weldon and Stella Rennie; Mr. J. B. Weldon was re-elected librarian.

Messrs. Arthur and Armour Hancock of Cambray were seen in this village last Saturday afternoon.

WOODVILLE

There is talk of enlarging the schoolhouse, as it seems to have become too small for its requirements.

Mr. Hestor McEachern, Eldon Station, who bought the house where Schoolmaster Wilson lives, is preparing to move to town shortly. We extend to him a cordial welcome.

We are losing families every, day for want of more dwelling houses.

Mrs. Currie, who was laid up with a serious illness, is improving.

The public meeting of the villagers held on the 3rd inst., to discuss the new town hall hall enterprise, was a unit in its favor, and the council will shortly submit a by-law for the people to vote on.

JANETVILLE

Court Manvers C.O.F. will hold a basket social in the school house here on Friday, Feb. 20th. A capital program has been prepared in which Miss Emma T. Irons, elocutionist of Toronto will assist. See posters.

KINMOUNT

The funeral of the late Robt. J. Stephenson, G. T. R. trackman, who died on Monday last after a short illness took place on Tuesday at 3 p.m. to Kinmount cemetery. The deceased was a strong, rugged man and had worked on the track for about 25 years without losing a day through sickness. Last week he complained to Mr. Smith, his foreman of not feeling well and a few days ago was compelled to take his bed. Dr. White was called and found his patient suffering with inflamation of the bowels and did all that medical skill could do. On Friday last Drs. White, Frost and Wilson held a consultation, but none of them gave any hopes of recovery. He was well and favorably known in this vicinity, a strong Conservative in politics and a member of the Independent Order of Foresters, who attended the funeral in a body. Deceased leaves a widow and six children, who have the sympathy of the entire community.

On Saturday last while coasting on a steep hill near Mrs. River's house, Fred Yorston, aged 8, son of Rev. Mr. Yorston of the Baptist church, struck a stump with such force that he was picked up insensible and carried home. Dr. White was called and reports the patient suffering from internal injuries as well as a badly bruised head. On Monday Dr. Graham of Fenelon Falls was sent for, but the doctors held out little hope for recovery.

FARMERS' UNION MUTUAL HAD A PROSPEROUS YEAR

The Strong Local Fire Insurance Company Held its Anual Meeting

The directors and patrons of the Farmers' Union Mutual Fire Insurance Company met in the town hall on Thursday. Business occupied all day. A good deal of it was, of course, routine.

It was decided to raise the limit of insurance on a horse from $60 to $75. Mr. Geo. Graham moved to have fifteen instead of twelve directors, but the change was not made. Messrs. Lownsborough, Mark, Jamieson, Beecroft and Hopkins, the four retiring directors were re-elected. In the place of Mr. Jas. Greenan, resigned, Mr. W. S. Graham of Emily, was elected director and Mr. E. H. Hopkins who was elected during the year to fill the place of Mr. Ellis, resigned, was re-elected. A couple of claims for animals killed by lightning were disallowed, because the terms of the policies regarding inspection after death had not been complied with. The rules require that an animal which it is claimed lightning killed, shall be viewed by two disinterested freeholders within two days after death or by a veterinary within 5 days.

The directors' fees were increased from $1 to $1.50 per day and 5 cents mileage.

Messrs. W. H. Cullis and John Jackson were appointed auditors at a salary of $7.00.

A GOOD SHOWING

The annual statement was a very encouraging document. It was the company's eighth. It said that the company began with 1861 policies in force for $2,027,082. In the 12 months 1006 new policies for $1,200,505 had been issued. Expired and cancelled policies were 690 for $757,580 leaving in force 2,177 policies for $2,472,007. The company's assets equal $74,482.81. Exclusive of policy fees the cost of doing business for the year was only 11¼ cents per $100 insurance, or about 16⅔ per cent of the $8,177.87 premium income.

The surplus was $6,258.12, a gain for the year of $4,307.71. The average policy for 1901 was for $1,060; last year it was for nearly $1200,an increase which indicates an improved class of risks.

THE DIRECTORS' MEETING

After the annual meeting, the directors' meeting was held. The officers were re-elected as follows: President, W. Lownsborough; vice-president John Campbell; secretary, R. G. Corneil; treasurer R. Naylor. Mr. Thos. Stewart was appointed solicitor in place of Mr. D. R. Anderson, resigned.

The steady success of the company reflects great credit upon the directors and upon the energetic secretary, Mr. R. G. Corneil to whom the company owes much of its success.
