CHEVROLET

51647 Cars sold in 1916

186147 in 1920

For power and economy of fuel the "Four Ninety" Chevrolet has no equal among the light cars. Give us a chance to prove it against any car on the same road with the same load.

You don't have to go to low gear on every hill or in every soft place with a "Chev." Her speed of 10 to 12 miles on intermediate is away ahead of 4 or 5 miles snail pace on low gear—with the noise thrown in.

The "Four Ninety" for years has been the best car value in low priced cars. In appearance, performance and equipment it is in a class by itself at under $1400.

In these days of uncertain prices, Chevrolet manufacturers point out that they can afford to sell at a reduced price only if they dispose of 50,000 cars before July 31. If this modest volume is reached they refund to every purchaser, dating back to Oct 1, 1920, $70. Ask us for details.

Chevrolet "Four Ninety," $1050 f. o. b. Flesherton, with full equipment. See us about Special Refund Proposition.
