DUNSFORD.

Dunsford, March 3.—Mr. Walter Burgess and Milton Thurston arrived home to-day, after an absence of six months in New Ontario.

Our fox-hunters met with better success on Saturday capturing two fine foxes, George Bell, of Lindsay, and John Bell, of Dunsford, being the lucky boys. John, it is needless to mention, is our local cattle buyer, and proves that he can show some of our younger hunters a thing or two with the rifle.

We regret to announce the loss of Miss Eva Bell's pet dog, the animal being valued at $150.

Mr. W. Gordon is busy buying in horses in preparation for his departure to the West.

The congregation of the Presbyterian church had the pleasure of a well rendered solo by Mrs. Jarvis last Sunday. It is to be hoped she will favor us again shortly.

Mr. Wilmot Webster, our enterprising storekeeper, is doing a roaring business since Mr. F. E. Gordon quit. Anyone requiring a snap should look him up.

The football match arranged between Dunsford and Fenelon Falls school boys was called off owing to the Falls boys not turning up. Possibly Fenelon are training up a bit before they tackle our bloodhounds, to enable them to avenge the licking our boys gave them at the Falls. What has our Fenelon correspondent to say to this?

Mr. Newton Thurston and Mr. Wellington Bell visited Bobcaygeon last night.

DOWNEYVILLE

Downeyville, Mar. 2.—On Tuesday of last week a very pretty wedding was solemnized at St. Luke's church, Downeyville, when Miss Loretto Harrington, a popular young lady of this place, was united in marriage to Mr. Vincent O'Connell, also of Downeyville. Rev. Fr. McGuire performed the ceremany and Mendelssohn's wedding march was rendered with superb effect by the organist, Miss Mollie O'Brien.

The bride was handsomely attired in a suit of blue broadcloth with trimmings of satin braid and buttons, with white picture hat to match. She was attended by her cousin, Miss Marie Hoolihan, who wore a white suit of fawn with dark blue hat. The groom was supported by Mr. B. Gilliece.

Immediately after high mass being sung, the choir, of which Mrs. O'Connell was a member, proceeded to the front of the church and presented her with a handsome marmarized clock together with a short address, showing their respect for a fellow member. The bride expressed in a few words her sincere thanks.

After the presentation the party drove to the home of the bride's parents, where the wedding breakfast was served. Mr. and Mrs. O'Connell will reside at the home of the groom's father, Mr. George O'Connell, two miles west of the village.

OMEMEE.

Omemee, March 8.—Messrs. M. L. McGee and Thompson travelled to Lindsay on Friday evening to see the fast game of hockey between the Midgets and Stratford teams. And such a victory! And such applause! The very earth quaked even to Omemee, where the G. T. R. reported a run-off, soon after the game and fireworks were ended. Omemee hopes that the Midgets will have as good or even better luck in the second game at Stratford. Of course, you can't tell what that classic septette will uncork; their record substantiates that, but 'rah for the Midgets!

Mrs. J. A. Wylie entertained some friends on Friday evening.

Mr. Foster Egglestone of Mount Pleasant drove out to Omemee Saturday evening.

The Beavers played a game of hockey at home, on Saturday and were opposed by a local club of young ladies. The ice was not first class, and the ladies played at a disadvantage, but despite this adverse circumstance, they succeeded in winning out quite easily by a score of 5—3. There was a jolly crowd in attendance, and an enjoyable time spent. The ladies are loud in their praises of the referee, who gave them courteous, fair play and the benefit of all doubts. Master Willie Beatty was goalkeeper for the ladies, and he proved a tower of strength. His smile at the discomfiture and defeat of the Beavers will not wash off.

The question of the disposal of the whey was again brought forward, and anyone wishing to secure the whey of this factory had better get into communication with any of the directors, or with President William Deyell. Providing no one makes a suitable bid for the whey it is likely a company will be formed and a new industry established. A piggery may be built.

Owing to the small number present on Friday evening last, lodge was not opened. The next meeting will be held on April 2nd, and the W. M. would be pleased to have a large percentage of the members present, as he would like to decide an old standing question which has been before the lodge for some time. The band will likely form again soon, so be on hand April 2.

Rumors are now in circulation in this community to the effect that Dan Cupid is still engaged in that sublime mission of making two hearts beat as one. Sad to say, these rumors bear little or no relation to the truth.
