Many Women have Kidney Trouble

and don't know it. They attribute their ill-health to weakness." Dragging pains in the hips, backache, nervousness, tiredness, headaches—are more often caused by sick kidneys. If your kidneys are not well, the other delicate organs are disturbed and inflamed, bringing on the horrors of female weakness and the serious troubles often attending pregnancy.

Bu-Ju

THE GENTLE KIDNEY PILL

cures these cases of "Female Weakness" because they cure the Kidneys. They promptly restore the Kidneys to health, allay inflammation, take away the pains, and make the delicate organs well and strong.

Obituary.

MRS. THOS. PULEY.

Mary Jane, wife of Thos. Puley, of Oakwood, and daughter of David and Mary Burke, was born in Ireland in 1833, and died on Thursday, the 12th Sept., 1906. She came to this country at ten years of age, with her brothers, who settled in Mariposa township, not far from Little Britain. On the 7th of Nov., 1856, she was joined in matrimony with her now sorrowing husband, and after living for a few years in the 7th concession of the above township, they moved to the place where she died. Not long after her marriage she identified herself with the late Bible Christian church, and continued a faithful follower of Christ until her death. Through illness, which covered a long term of years, she was prevented from attending the services of the church, but her interest remained and she always evidenced much pleasure in a pastoral call. Her final sickness, which resulted from cancer of the stomach, and which lasted for eight weeks, was borne with exceeding patience and resignation, though her suffering at times was extreme there was no word of complaint, and she was unusually grateful for services rendered by loving and faithful hands. From first to last her trust was in God, and as she looked into the future she had "a bright hope blooming with immortality and eternal life." Mrs. Puley was a good woman, loved by all who knew her, and loved most by those who knew her best. Those who especially mourn her departure are her husband, and Mrs. Jas. Lawson, of Woodville, a niece who called her mother from the age of two years, while there are others who say Mrs. Puley was a mother to them. Her remains were interred in the Oakwood cemetery to await the final call of the just.

Then let the last loud trumpet sound
And bid our kindred rise;
Awake, ye nations under ground,
Ye saints, ascend the skies.

Married.

—Sergt.-Maj. J. Martin, who has been ill for some weeks, was able to be out on Thursday, which was the 52nd anniversary of the battle of Alma. He is one of the few remaining veterans of the Crimean wars. He is a member of the 21st Scotch Fusiliers, and three years ago, when the Black Watch band was in Canada, he with two others were made honorary members of the 42nd Black Watch regiment. The friends of Sergt.-Maj. Martin were glad to see him on the street again decorated with the medals of honor.
