[Correspondence of The Post.]

ADDRESS AND PRESENTATION.—Miss F. H. MacDonell, who has had charge of the organ and choir for the past year in the Catholic church at Brechin, was presented with the following address Friday evening in the parlor of the Victoria hotel. After the presentation a most enjoyable time was spent under the hospitable roof of Mr. and Mrs. Overend: *To Miss Florence MacDonell*—DEAR MISS MACDONELL,—During your stay in Brechin you have made for yourself by your ladylike Christian deportment a host of friends, some of whom are around you to-night to testify their feelings of respect for you. Anything we can do or say would in no way compensate you for the services you rendered as organist in our church. You were always ready and willing to play and sing the praises of God and advance the interests of the choir with a spirit that was truly noble and unselfish, for which we beg you to accept our sincere gratitude and heartfelt respect. Whilst we do not pretend to know the extent of your knowledge of music, as indeed only real musicians are competent to judge, still we feel that we enjoy the privilege of bearing testimony to your skill as a superior organist. In presenting you with this small tribute you must not estimate our opinion of you by the smallness of the amount.—Signed in behalf of the congregation.

FENELON FALLS.

[Correspondence of The Post.]

IT MIGHT HAVE BEEN SERIOUS.—On Saturday afternoon a collision occurred on the foot bridge over Trent Valley canal at this place between a light cart driven by Miss Greene and a heavy double seated carriage occupied by County Crown Atty. Devlin, Police Magistrate Col. Deacon, Lawyers Stewart and Grace, all of Lindsay, who were just starting from here for home after having been engaged here all day each in his official or professional capacity. The accident might have proved to be of a very serious nature had the light rig of the two struck the heavier one's front wheel instead of the rear one, in which case the above named gentlemen would have been unceremoniously dumped on the bridge and probably into the canal. As it was, nothing more serious than a broken wheel resulted. Miss Greene was on the bridge first, and as it is not capable of allowing two rigs to pass the legal gents should not have attempted it, but being strangers to such an occurrence (not by any means strangers of the village) they naturally supposed they could pass on the bridge. For all after time they have each learned the lesson conveyed in the fable of the two unkind goats.

DIVISION COURT was held here on Monday afternoon, being presided over by His Honor Judge Dean. The docket was not of a very cumbersome nature.

SIGNS OF SPRING.—The lack oft he usual spring rains and the continued cold weather reminds the lovers of daisies and May flowers, of the couplet commencing "hope deferred," but in the present case things other than the organ of life are concerned. So far, since spring opened, there has been but one rainy day. This, however, would be all right for the present, were the weather only a few degrees warmer. We are now paying up for the fine warm March.

THE LOCKS.—As navigation on the lakes is now open Lockmaster John Jordan has been putting the locks and swing bridge through a course of treatment in order to insure their proper working when the rush starts.

SWING BRIDGE.—It is said that between the G. T. Ry Co. and the government some arrangement has been arrived at in regard to the removal of the impediment to free navigation between Sturgeon and Cameron Lakes. Whether the removal means a new swing bridge near the old railway bridge or a changed route for the railway tracks through the town is at present unknown nor does it matter much which course is decided on. What we want is direct communication with the back lake, and when this is an accomplished fact, a section of lake and river scenery will be made accessible to all lovers of nature in her most beautiful forms and aspects, and thousands of persons would annually pitch their tents one day's march nearer to the camper's ideal paradise.

COMMERCIAL NEWS.

OFFICE OF THE CANADIAN POST, LINDSAY, April 28, 1892.

Toronto Live Stock Market.

The western cattle market opened business Tuesday with fresh receipts of 400 cattle, 750 hogs, 185 sheep and lambs and 150 calves. The attendance was fair, both of local and outside dealers. Unfavorable reports from Montreal had a tendency to depress trade here, particularly in cattle, and outside of some bought for export and some in first hands not much was taken through. Last week the receipts were:—982 cattle, 1,428 hogs and 166 sheep and lambs. Weigh fees, $41 29.

Cattle—Trade showed little or no improvement on the closing market day of last week. There was a fair butchers' demand, but considering the quality of the cattle offered, prices were low. Some country drovers who placed stock in the market Tuesday, to effect sales, were obliged to sell at about what the cattle cost in the country. The export trade may be said to have opened Tuesday. Mr. A. Homes of Georgetown brought out the first export cattle, a bunch of ten exceptionally fine animals averaging about 1,370 lbs, for which 5c was paid for a Montreal firm. An Ingersoll drover sold half a load of fine heifers and steers, which could be almost classed as export for 4½c a lb. Choice butchers' cattle sold Tuesday at 3¾ to 4c, and a few sales were reported of extra choice do, at 4¼ to 4½c. Inferior and medium cattle were unchanged and slow at last week's figures. Among the transactions were:

24 heifers, averaging	1,000 lbs	at	$23 50	per head
10 mixed, "	1,370	"	5 00	per cwt
21 " "	850	"	3 75	"
21 " "	1,060	"	33 50	per head
21 " "	900	"	33 50	"
2 steers,	1,400	"	4 75	per cwt
1 steer, weighing	1,200	"	4 75	"
1 bull, "	2,052	"	3 50	"

"Export.

Milch cows and springers—With only a few on the market, about 15, and a good demand from local dairymen, with some enquiry on outside account, the market firmed up a little. No sales were reported under $35 and as high as $48 was paid for several fresh fine calved cows.

Stockers—Trade continues quiet in this line, with very few offered to do business with. Prices range from 3½c to 4c, and there appears to be a good enquiry. One lot of seven, almost too good and heavy to be classed as stockers, but sold as such, averaging 1,200 lbs, sold at $4.50 per cwt.

Sheep and lambs—There was considerable enquiry for yearlings and good grain-fed animals found no difficulty in selling. One bunch of 100, averaging about 90 lbs, sold at 6½c per lb. There is no activity displayed in the sheep trade, and no change to note in prices. Wool sheep sold at $5 to $8 a head, and shorn animals $1 to $1.25 a head less. Very few spring lambs are placed on the market. They sell at $4 to $5 a piece.

Calves—Unchanged from the situation of last week. The offerings continue heavy and the feeling is easy. The bulk of the offerings sold at $3 to $5 apiece.

Hogs—Although the run was heavy—nearly 800—no weakness was experienced in the hog market. Prices showed no change and were firm at last week's figures. About $5.60 per cwt (off cars) was the best price paid, with the bulk of the offerings selling around $5.30 per cwt. One bunch of 15, averaging 160 lbs, sold Tuesday for $5.25 (fed and watered), or equal to $5.40 per cwt off car.

Stock Notes.

—Mr. Robt. Edwards of Manilla visited town this week and reports his equine stock as being a great fettal. The veteran trotting stallion, "Young" Toronto Chief, has wintered nicely and although having reached his 28th anniversary has lost little or none of the sprightliness of youth. He has been retired from public service.....The handsome bay horse, Dan Tucker, by Judge Gaston, is "right as a trivet" everyway and will make a season on the farm..... The inbred three year old "Grit" continues to be the attraction at this farm, and it is likely will be sent away for development.
