LINDSAY, FRIDAY, JUNE 24, 1892.

COMMERCIAL NEWS.

OFFICE OF THE CANADIAN POST, LINDSAY, June 23, 1892.

Toronto Live Stock Market.

June 21.—We had a lighter run of live stock at the western cattle market this morning, and this was not without its usual beneficial effect on trade generally. About 77 loads were offered consisting of 437 hogs, 116 sheep and lambs, 100 calves and the remainder cattle. Trade in export cattle "looked up" considerably and higher prices were paid than on the closing market day of last week. Small stuff continued firm owing to the light receipts. The attendance was fair.

Cattle—Prices for export cattle were slightly better Tuesday. Sales were quite numerous at 5c, and in one instance as high as 5¼c was paid for an extra choice lot of heavy shipping steers. Rogers and Halligan bought about 35 loads, and the other local export buyers were also heavy purchasers. Butcher's cattle show little change in prices, and the market is about steady. The best choice stall-fed heifers and steers sold at 4 to 4¼c; good to choice do, 3½c to 3¾c, and common to fair at 3½c per lb. The prospects at noon were for effecting a clearance of the market. Among the sales reported Tuesday were: 12 export, averaging 1,350 lbs, at 4 90 per cwt; 19 do, averaging 1,300 lbs, at $4.62½ per cwt; 20 do, averaging 1,250 lbs, at $4.62½ per cwt; 14 do, averaging 1,198 lbs, at 4¾c per lb; 19 do, averaging 1,320 lbs, at $3.12½ per cwt; 21 do, averging 1,200 lbs, at 4¾c per lb; 16 butchers', averaging 1,050 lbs. at $42 per head; 9 extra choice do, averaging 1,000 lbs. at 4¾c per lb; 20 butchers, averaging 1,025 lbs, at 2½c per lb; 21 do, averaging 980 lbs, at 3¾c per lb.

Milch cows and springers—Only a few were offered to supply to-day's demand, which, however, was only fair. The enquiry was principally from local buyers. Prices ranged from $30 to $45 per head, with one or two fine fresh calved milchers held as high as $47 to $50.

Stockers—The light offerings of Tuesday, and in fact for the last two weeks, is evidence of the fact that trade in this line will be comparatively light for some months now. The animals were inferior rough stock which sold at 3½ to 3¾c per lb. Mr. Crawford, who deals extensively in stockers, says that the better class of animals in this line are now being taken by shippers.

Sheep and lambs—Trade fairly active and last week's prices well maintained. A few export sheep were offered and sold at 4c per lb. Yearlings sold at $4 50 to $5.50 per head, and spring lambs at $4 to $5 a piece.

Calves—Firm. The quality was improved and higher prices were paid, the range being from $3 to $6.

Hogs—Under moderate receipts the market was somewhat steadier. Mr. Harris paid $5 25 per cwt off a car for one or two lots of choice animals. Rough and heavy hogs were slow, and when sold brought low prices, around 4¼ to 4½c per lb. Stores sold well at 4¼ to 4½c per lb. One lot of 40 choice hogs, averaging about 200 lbs, sold at $4.85 per cwt, fed and watered.—[Empire.

TOWN JOTTINGS.

Will Locate in Lindsay.

The Peterboro Review says: "Mr. F. J. Daly, late proprietor of the Grand Central hotel, has closed negotiations for the purchase of the Benson house, the leading hotel in Lindsay, and takes possession on the 7th of July. Mr. Daly as proprietor of the Grand Central here showed himself to be a first-class hotel man, genial and hospitable with guests and a thoughtful and successful manager. No doubt in his new hotel in Lindsay he will receive the patronage he deserves and will make a success of his new venture.

Furnaces.

The J. F. PEASE FURNACE CO. of Toronto, Ont., are putting in one of their celebrated Economy Heaters in the new bank building of the Dominion bank in this town. This company is prepared to supply WARM AIR FURNACES, Hot Water and Steam Heaters placed complete in your house ready to light a fire at the lowest prices. No dust, no dirt, and no inconvenience to have these furnaces put in old houses as well as new. Write the above company for circulars describing those furnaces. Estimates made and tenders given without charge.—106 8.

Dominion Day Celebration at Port Hope.

This year's program for the celebration of Dominion Day in Port Hope is the best ever presented by that town. It comprises athletic sports, grand horse races, lacrosse and base ball matches and other sports during the day. In the evening there will be an exhibition by the Kings of the Air, Messrs. Campau & Ambrose, and a magnificent display of fireworks, balloon ascensions, etc. All to take place in the beautiful town park, overlooking Lake Ontario. We would strongly advise our readers to make their arrangements to spend Dominion day in Port Hope. The program there is always fully carried out. Any information desired can be obtained by writing L. H. WILSON, secretary of committee.—11-1.

Died in the Far West.

The Saginaw Courier-Herald has the following particulars of the death of Samuel Berry. The deceased was a brother of Mrs. Adam Doran of this town, and son of Mr. James Berry of Belleville, known to many of our citizens:—"A telegram from Canon City, Col., to James Dunn, announced the death at that place on Thursday night of Samuel Berry of this city. Deceased was a well known camp foreman, having worked successfully for Wright & Ketcham, Nickles & Chapple and the Cranberry Lumbering Company, in every position of trust performing his duties in an honorable and very satisfactory manner. Three years ago he was a sufferer from la grippe, which disease so affected his constitution that the germs of consumption found lodgment in his system, and these could not be eradicated. He leaves a wife and two small children. Deceased was 35 years of age, and a member of Gage tent, K. O. T. M., and carried $4,000 insurance in that order. The remains were brought to Saginaw for interment.

Wedding and Birthday Gifts

are always in order. It is not to be wondered at that people are often at their wits' end to find presents suitable for the many occasions on which they are required. We show a very complete stock of goods that are chosen to obviate this difficulty, goods that are beautiful, tasteful and good in quality; articles that are unique and not likely to be duplicated. We have many useful pieces of Silverware that are comparatively, if not entirely, new; also small articles for personal adornment or use in jewellery, or Japanese or Chinese oddities, to say nothing of cases full of the more staple goods in our line.

Where the giving of presents enters so largely into social life as it does now, we believe that the public will appreciate our efforts to meet their wants.

We shall always be glad to show goods to visitors whether they desire to buy or not, and an inspection of our store will prove that we are not filling advertising space with empty professions.

NOTE THIS.

Our Stock of General Groceries was never so complete nor fresher than at present. It is well that the public should know this. In some lines, indeed---for instance, TEAS---our stock is unequalled for value. Long experience has taught us much that is of value when purchasing, and we get the best because we do our own selecting and tasting. Some of our low-priced lines could not be bought some years ago for less than 50c. per lb.; now they sell for half that figure. In Coffees we give you the pure grown bean in all the different brands.

We make a specialty of family trade, and those dealing with us get goods at the lowest possible notch. A year's trading at our store means a telling reduction in the expense account and a "nest-egg" to deposit in the savings bank.
