DIED

In Omemee, Tuesday, July 16th, Victoria, wife of Wm. Mulligan, aged 69 years.

The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherrybark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for *free* booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and, through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine OF KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

Those interested in military matters in Victoria and Durham Counties, will hear with pleasure that Quarter-Master Sergt W. J. Thorne has been gazetted Lieut. in the 45th Regt. The vacancy was caused by the resignation of Capt, J. M. McGrea, who retires with the long service decoration, and the subsequent promotion of Lieut. Germain to a Captaincy. Lieut. H. Fee also gets a step in senority. These gentlemen are very popular in military circles.

IN LOVING MEMORY

Of Austin Gilbert, Infant Son of Mr. and Mrs. John H. Wilson, who died at Mt. Horeb, Manvers, on July 5th aged 1 year, 1 month and 5 days.

TO DIE IS GAIN.

For me to live is Christ, and to die is gain—Phil 1: 21.

"Blinded windows, sobs and tear-stained faces,
And a shrouded baby in a bed,
Round the room a tiny maiden paces,
Chanting softly, "Little brother's dead.
All his pain is gone, so still he sleeps
Jesus Christ our little baby keeps."

"In our arms we caught the simple creature,
Bade her hush her song 'for mother's sake,'
Tried the tale of death and loss to teach her,
Empty cot, wet eyes, and hearts that ache,
Pretty babe buried in the ground,
Father, mother, sister weeping round
"And the maiden listened, wide eyed, paling
In the dreary chill of churchyard lore;
Then she pleaded (the child-faith not failing),
'Yes, I know I shan't see baby more:
But—he's one of God's own cherubim;
May'n't I be a little glad for him?

"O'h, babe-lips, touched lately by the Maker,
How ye shame us poor half-hearted men!
We, who know death makes our dead partaker
Of a joy beyond our farthest ken,
Yet bewail our loss, till faith grows dim:—
Can't we be 'a little glad for him?'"

STEEL KNIFE IN THE FLESH.

That's the sensation experienced by Robert Price of Hecton, Ont. He knew it was sciatica and of course used "Nerviline" As usual it cured and he says: "No liniment can excell Polson's Nerviline Severe pains made my side lame. It was like a steel knife running through the flesh. I rubbed in lots of Nerviline and was completely cured." A regular snap for Nerviline to cure sciatica and rheumatism. It sinks into the core of the pain, cures it in short order. Large 25c bottles at all dealers.

OBITUARY.

It is our painful duty to have to chronicle the death of Mrs. Samuel B Carew, which sad event took place at her home, lot 15, Con 3, Emily Township, on Monday morning, July 1st, at 6 o'clock, after only about thirty-six hours illness. On the Saturday evening previous she was stricken with what seemed to be an acute attack of indigestion, this brought on a complication of troubles, so serious in their nature, that notwithstanding all that loved ones could do, assisted by the kindly ministrations of a trained nurse and the skill of two physicians, on the morning above mentioned just after the sun had risen upon the earth she passed to her home over yonder. Mrs. Carew was the second daughter of Mr Thomas Halligan, of Northumberland County, and was twenty-nine years of age Those years were spent in such a way, that she endeared herself to a large number of friends, who esteemed her because of her gentle, kind, unselfish disposition. She always had a sympathetic consideration for others In the home too, her presence was always a positive inspiration A frown was never seen upon her face there She was an ardent worker in the Middle Road Baptist Mission where she was the organist. She will be greatly missed in the home, in the Mission, and in the community. The funeral to the Emily Cemetery on the Wednesday following her death was very largely attended The services at the house and grave were conducted by her pastor, Rev. G. R. Welch, B.A., pastor of the Baptist church, Lindsay. The stricken husband, and his sorrowing relatives have the sincere sympathy of this whole community.

DUNBAR—GRAY, NUPTIALS.

There occurred in the Township of Hope on Wednesday, 26th of June at 6 p m. an event of more than passing interest at "Homedale" the residence of Mr. and Mrs James C. Gray, when their only daughter, Mary Laura Mabel, was united in the bonds of holy wedlock, to Anson James Dunbar. The marriage took place on the lawn under an evergreen arch, with a background of cedars, and was witnessed by a large gathering of friends and relations. The Rev Wm Johnston of Millbrook conducted the marriage ceremony, according to the beautiful service of the Presbyterian Church in Canada, and pronounced them man and wife, after which the happy couple received the best wishes of those present. The bride was given away by her father, Miss Mabel Hamill acted as bridesmaid, and Mr. Lorenza Dunbar of Montreal as groomsman. The Bride looked charming dressed in cream, with bridal veil and blossoms and carried a shower bonquet of pink roses, the bridesmaid was dressed in cream and carried a shower bonquet of white roses. The many and costly presents which were viewed by those present was an evidence of the esteem in which the young couple are held. After partaking of a sumptuous dinner, the toast to the bride was proposed by Rev. Mr. Johnston in a speech full of humor and good advice; this was replied to by the bridegroom in a real happy vein of helpfull information especially to the young. After listening to a number of speeches, the young couple left to take the 9 45 train for Toronto and other cities before returning to their home in Hope. The best wishes of a host of friends and well wishers accompany them through the voyage of life not only from the towns and villages in the vicinity but from distant cities were friends present to assist by their presence and wishes and gifts to one of the most popular and accomplished young ladies and gentlemen that Hope can boast of. The Mirror joins the throng in wishing the best to this estimable and worthy pair who have embarked on the matrimonial sea of life.

WAITING FOR DEATH, BUT NOT WITHOUT HOPE

"There is a poor woman in this parish apparently just waiting for death to come through consumption. She has not the means to go to a Sanatorium, or she would probably be at one before this. She is still comparatively strong, walks about quite a lot—drives sometimes, too—but every day, of course, is growing worse. Would there be any possibility of her being taken into your Home for Consumptives? It would be a mercy if she could be permitted to enter it. I would much appreciate an early reply, as every day means so much."—REV. HAROLD SUTTON, Incumbent, Belmont, Ont.

LOST TWO DAUGHTERS

"I am advised by Dr. J. D. Wilson to write you concerning how soon I could get my wife admitted to Consumptive Hospital at Gravenhurst, also please send me pamphlet re terms while there. I have been told that it is free, so please let me hear from you soon as possible. I have lost two daughters, and my wife contracted the disease from our eldest one, who died ten months ago. I am a working man and not able to pay a high rate, but still anxious to do what I can."—A. CAMPBELL, London, Ont.

¶ The above are typical of scores, indeed hundreds, of appeals constantly coming before the trustees of the

Muskoka Free Hospital for Consumptives

¶ No effort is being spared to meet every call. . . .

¶ Not a single applicant has ever been refused admission to the Free Hospital because of his or her poverty,

NEW PATIENTS ON WAY TO HOSPITAL

and the anxiety of the trustees to keep none waiting is shown in the decision reached a few weeks ago to increase the accommodation by twenty-five beds.

—This increase in patients will add heavily to the burden of maintenance and can only be covered by increased generosity on the part of friends in all parts of Canada. Patients have been admitted from every Province in the Dominion, and it is with confidence in the response to our appeals, that the trustees believe will come from Canadians everywhere, that these additional burdens have been assumed.

¶ Where a cause more urgent? Where a greater call to help suffering Canadians? Where will your money do more good?
