Don't worry. Don't run in debt. Don't trifle with your health. Don't try experiments with medicines. Don't waste time and money on worthless compounds. Don't be persuaded to take a substitute for Ayer's Sarsaparilla. It is the best of blood-purifiers.

"Five years ago," says Agna A. Lewis, Ricard, N. Y., "I had a constant cough, night sweats, was greatly reduced in flesh and had been given up by my physicians. I began to take Ayer's Cherry Pectoral, and after using two bottles was completely cured.

We have learned that a slight mistake was made in last week's Station items in the item relating to the hay pressed at Mr. Muir's. Mr. C. Ekins pressed 22 bales of hay per hour instead of a day, which made a total of 3,696 lbs. per hour.

We have over three hundred subscribers on our list who should send in one dollar during this month, and as the money is needed by us we trust they will comply. It is a small item for each one but the aggregate is a sum that occasions us considerable inconvenience to do without.

There are at present strained relations between the pretty spinsters and nice young men of Flesherton. The former claim that they are sadly neglected by the latter, and are about forming a spinster society in opposition to the Bachelors' club. Last week a system of boycotting was instituted by the girls when a lot of them engaged a livery rig, and drove down to Dundalk, where the young men of that town did the honors in grand style. The girls came home vowing still greater vengeance and humiliation for the bachelors. We await with interest the further manœuvres in this interesting warfare. There can be no earthly doubt as to who will come out of the ordeal with flying colors, because

THE GREAT SOUTH AMERICAN

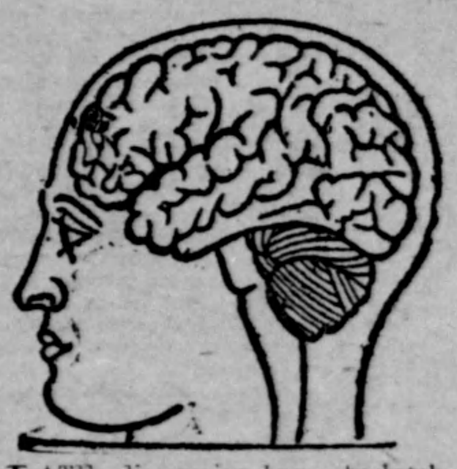
NERVINE TONIC

AND

STOMACH and LIVER CURE,

The Wonderful HEALTH BUILDER & NERVE FOOD.

Chronic Diseases are caused by Deranged Nerve Centres at base of Brain.



LATE discoveries have absolutely proven that the Stomach and Lungs, and indeed all internal organs are controlled by the nerve centres at the base of the brain. The manufacturer of SOUTH AMERICAN NERVINE has studied this subject closely for more than twenty-five years, and has lately demonstrated that two-thirds of our Chronic Diseases, are due to the imperfect action of nerve centres, either within or at the base of the brain and not from the derangement of the organs themselves ; hence that the ordinary methods of treatment are wrong.

As all know, a serious injury to the spinal cord will at once cause PARALYSIS of the body below the injured part, it therefore will be equally well understood, how the derangements of the nerve centres, will cause the derangement of the different organs of the body which they supply with NERVE FLUID or NERVE FORCE.

The wonderful success of South American Nervine is due alone to the fact that it is based on the foregoing principle. The use of a single bottle of this remedy will convince the most incredulous. It is indeed, a veritable NERVE FOOD and WILL RELIEVE IN ONE DAY the varied forms of nervous disease and stomach troubles.

Nervous — Diseases.

This class of diseases, is rapidly increasing each year, on account of the great wear our mode of living and labor impose upon the nervous system. Nine-tenths of all the ailments to which the human family is heir, are dependent upon nervous exhaustion, impaired digestion, and a deteriorated and impoverished condition of the blood. The South American Nervine is a great nerve food and nerve builder and this accounts for its marvelous power to cure the varied forms of nervous disease, such as Neuralgia, Nervousness, Nervous Prostration, St. Vitus's Dance, Nervous choking, Nervous Paroxysms, Twitching of the Muscles, Hot Flashes, Mental Despondency, Forgetfulness, Sleeplessness, Restlessness, Nervousness of Females, Palpitation of the Heart, Sexual Weakness, etc., etc.
