MARIPOSA.

The folowing persons subscribed to the declaration of qualification and office as members of the Council of Mariposa for 1906, at the meeting on Jan. 8th, 1906: Thomas H. Watson, Reeve, and Councillors James M. Swain, John J. Michael, William McInnis, George Graham.

After the installation, Reeve Watson addressed the Council, giving an outline of some legislation that he would like to see carried out during this year. He wished steps to be taken to have the assessment taken in the early summer or spring, about April, May or June, and to be done by one or two of the most competent persons in the township, said valuation of the property to stand for a term of years. He advocated the appointment of one or two commissioners for the whole township for the expenditure of public moneys as a means of making the roads more uniform. The bonus given for wire fences should be somewhat adjusted so as to give those on the west and north side of the road an advantage of at least 50 per rod, also there should be at least four rods of wire cross fence for each fence connecting with the road fence. The manner of conducting the business of the Council might be greatly facilitated if the members of the Council would kindly communicate with him upon any matters of new business to be taken up.

Mr. Swain remarked that it seemed to be a popular idea to have the assessment taken in the summer, but there appeared to be something in the way—some amending of the statutes to accomplish this end.

Communications were read soliciting aid for the Sick Children's Hospital, Toronto, and also for the National Sanitarium at Gravenhurst.

Mr. James Curtis laid a complaint that Samuel Bambury was cutting trees from the road allowance opposite his farm, lot 11, con. 7.

The police trustees of Oakwood waited on the Council relative to the division of the township rate. No agreement was made, but they were assured that a settlement would be made in February.

Moved by Messrs. Graham and McInnes, that upon complaint of Mr. James Curtis that Mr. Samuel Bambury is cutting trees on the road allowance opposite lot 11, con. 7, the clerk be authorized to notify him to cease at once, and that the timbe[illegible] already cut must not be removed, [illegible] that he must make restitution [illegible]nd any damage already done.—Ca[illegible] for[illegible]

Moved by Messrs. Graham and Michael, that the clerk be instructed to put in an application for the use of the County stone crusher next May.—Carried.

Moved by Messrs. Swain and Michael, that the collection of taxes for the north roll of the Township of Mariposa be extended till the second Monday in February, 1906, on account of the smallpox outbreak, and that Mr. H. Fowler be retained to complete said roll.—Carried.

Moved by Messrs. McInnes and Graham, that this Council postpone considering the agreement with the police trustees of Oakwood and Little Britain, as to the amount of the township rate till the February meeting.—Carried.

Graham be appointed a committee to wait upon the County Council with a view to having the matter of maintenance at the House of Refuge adjusted in such a shape that the municipalities will contribute per capita instead of as at the present, and that they urge upon the County Council the importance of memorializing the Ontario Legislature to amend the Assessment Act so that the rural municipalities may take an assessed value of the township some time in May or June, said assessed value to stand for a term of years.—Carried.

WINTER RACES A SUCCESS.

TWO WELL CONTESTED EVENTS RUN OFF TUESDAY.

A Driving Snow-storm Made Things Uncomfortable for the Spectators.

From Wednesday's Daily.

The most miserable of weather conditions doesn't hinder the sporting horseman from attending the speedway when he has formed the impression that there will be something a bit livelier than the old Donnybrook horse races,—something fast, exciting and devilish. This was the case at yesterday's meet when the weather man seemed to be putting forth his hardest efforts to discourage horsemen, but to no effect. Despite the continual fall of wet snow and slush there was a fair-sized attendance at the Fair grounds and despite the very bad conditions of the weather and track, those in attendance saw some of the fastest races ever witnessed in Lindsay.

The races were exceptionally good the horses getting off to a fine start and finishing two and three abreast by heads, with the rest close up, and the bookies had a very good day, while the small pools in the grand stand were always in full swing. The horses all worked hard and were in good condition.

Starter Frank Smith, of Buffalo, officiated to perfection and his experience along the line was made evident by the way in which he handled the bell.

In the 2.25 class eight horses [illegible]ntered and it took five heats to [illegible] pick out the winner, which proved [illegible] to be Zac Medium, owned by 'Doc' [illegible] Kerin, of Berlin, and driven by A[illegible] Brown, but City Boy, from Colb[illegible]orne, was a hard second. Jim K. g[illegible]enerally drove up too far and in al[illegible] heats was behind in starting. [illegible] Miss Appleby, of Orillia, showed u[illegible] good and when in the 3rd heat [illegible] Powell drove her, the horse did fin[illegible] and pulled up wonderful, but whe[illegible] about to take the inside track on [illegible] the second round, she broke. In far [illegible] Miss Appleby seemed to have a h[illegible]d habit of breaking at critical po[illegible]nts. Lady Gothard, Nitcroces and [illegible] Maybee were all racing hard. T[illegible] horses finished as follows;

Zac M[illegible]dium	2	3	1	1	1
City [illegible] Boy	3	1	2	2	2
Lad[illegible] Gothard	1	2	3	4	6
N[illegible]	4	4	4	3	4
[illegible]ercroces	5	5	7	5	3
[illegible]aybee	6	6	5	6	5
Miss Appley	7	7	6	dr.	
Jim K.					
Harry Direct					

Time—2.29 1-4, 2.29 1-2, 2.29 1-2, 2.34 1-2, 2.34 1-2.

Minnie Bell, owned by J. Reid, Huntsville, and driven by Geo. Powell took the inside track and the lead in the three heats in the 2.25 class and Frank C. was always nip and tuck for first place, but finished second every time. Joe Allan, Mr. W. H. Simpson's horse, proved to be a good un and many expected to see the animal pull out ahead at different times and it was indeed a grand sight to see the horse pull up abreast of the leaders, but it broke and lost its stride, but after doing so it showed great ability by gaining ground rapidly. Conduct, the five-mile champion, did not put himself in a very favorable light. Miss Paisley had good action and did well. Bertie Hays and Charlie Tuttle had a hard contest for place, coming in neck to neck. Dan FFinister, of Fenelon Falls, pulled up good in the first heat. The race finished as follows:

Minnie Bell	1	1	1
Frank C.	2	2	2
Joe Allan	7	3	3
Bertie Hayes	3	8	4
Miss Paisley	6	4	5
Conduct	4	5	7
Charlie Tuttle	8	6	6
Dan Finnister	5	7	8

Time—2.24 1-4, 2.26, 2.27.

The track was slushy and heavy and the wind got a clean sweep at the horses as they pulled up the grade going south. Former records of the horses who figured in yesterday's races are: Dan Finnister, 2.24 1-4; Frank C., 2.24 1-4; Birdie Hays, 2.24; Conduct, (trotter) 2.19 1-4; Charlie Tuttle, (trotter), 2.19 1-4; Miss Paisley, 2.28; Joe Allen 2.25 1-4; Minnie Bell, 2.23.

SECOND DAY.

For the second day's events a very large crowd assembled at the grounds and witnessed some of the speediest races of the season. In the free-for-all Looking Glass made the fastest time ever made on Lindsay track. The heats in both events were very interesting, and out of six entries in the 2.30 class Gladstone, of Meaford, Harry Direct, of Reaboro, and Little Jap, of Peterboro, finished in one, two, three order, the best time being 2.26 3-4. In the free-for-all Looking Glass, Newmarket, Miss Delbars, London, and Cleopatra, of North Bay, finished in order, the time being 2.21 1-2, 2.20 1-2 and 2.21.
