In Memoriam.

Of Mrs. Thos. Hill who died Jan. 16th at Pretty River Valley.

Quietly, sadly, we laid thee down
To rest with the silent dead,
Tired thou wast; oh rest thee loved one,
In the arms of Christ thy Head.

He called thee away from thy earthly home
To thy blessed home above,
No more in this weary world to roam,
But to rest in the light of His love.

We'll miss thy dear face when we meet
Where the family gatherings are,
Tho' us with thy voice thou'lt not greet,
Yet in spirit we'll feel the there.

Thy husband mourns thy vacant chair,
The light from his home is gone,
But the hand that has stricken he knows is there
To smooth the path of the lonely one.

Thy little one so dear to thy heart
Will miss thy loving care.
In life if spared to take her part,
No mother will her troubles share.

O Saviour grant that the little feet
May ever stay by Thy side near by,
May husband, friends the loved one greet,
To part no more in the sweet bye-and-bye.

[Mrs. Hill taught school in Artemesia and Glenelg for some years, and was well and favorably known. She died at Pretty River Valley on Jan. 16th last.—ED ADVANCE.]

County and District.

The Presbyterian burial ground in Durham is shamefully neglected and cattle are allowed to run at large therein. The Review says: "Some semblance of a fence has been put around the plot, but a gap was purposely left for the privileged horse and other animals pasturing on the glebe to run through the cemetery and eat the sweet grass growing over the bodies of departed saints."

Last summer Mr. Wm, Caldwell had one of his horses kicked by a stallion and for three months the animal was useless. He brought suit against the owner of the stallion which was tried in Markdale on Tuesday. Judge Morrison, who presided, rendered a decision to the effect that stallions when upon the highway are there entirely at their owner's risk and for any damage done they are liable. Mr. Caldwell was awarded twenty dollars and costs.—Durham Chronicle.

A Mattawa young lady has invented a novel appliance for the purpose of getting acquainted with young men whom she may fancy. It is called the "go-between," and is composed of a band around the arm from which a small steel hook protrudes. When passing the man of her choice she has to only slightly extend her elbow and the two are fast together. While seeking to undo the fastening, ample opportunity is afforded for scraping an acquaintance. A large sale is expected to the girls of this period, and a patent is applied for.

Robert Marshall, of the 6th concession of Collingwood has had a hard row to hoe lately. Some time ago his wife left him for some reason, and a certain amount was to be paid her yearly as alimony. These payments Marshall failed to meet promptly, and as a consequence has ever since been in hot water with sheriff's seizures, court costs, and innumerable other annoyances that have dragged down a once well-to-do farmer to what is now a poverty stricken wreck with unbalanced mind. His troubles have so affected him that one night two weeks ago he left his house and has not since been seen or heard of, although a thorough search has been made for him. He left four small children, the eldest a boy of fourteen years. The children are yet living alone in the house, but receive help, we hear, from the neighbors.—Thornbury Standard.

Geo. Sackett's Case.

HOLSTEINERS ENJOY A MILD SENSATION—ONE BOX OF DODD'S KIDNEY PILLS CURES THEIR FELLOW CITIZEN OF BACKACHE AND KIDNEY DISEASE.

HOLSTEIN, MARCH, 23.—This quiet village is in an uproar of excitement just now over the case of Geo. Sackett, a well known resident. His experience has had many parallels in other places, but never here. One box of Dodd's Kidney Pills cured him of severe backache and kidney disease of long standing, after he had tried every other remedy within his reach, but without any good results. These pills are manufactured by Dr. L. A. Smith & Co., Toronto, and are sold by all dealers, or will be mailed on receipt of price; fifty cents per box, or six boxes for $2.50.

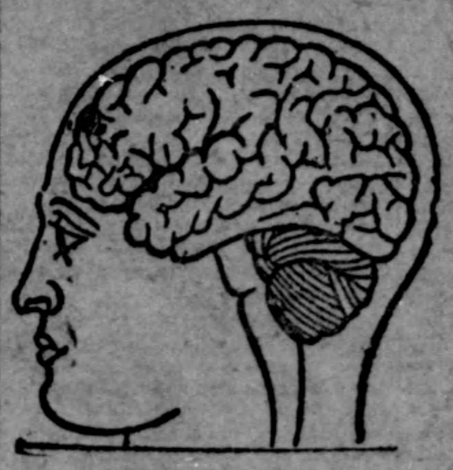
Port Arthur harbor is still icebound.

At a meeting of the quartley board of the Parkdale Methodist church it was resolved to do away with all forms of entertainments as a means of raising money hereafter. This applies to the funds not only for local church work, but foreign missions as well. All sums needed will be raised by straight contributions.

THE GREAT SOUTH AMERICAN NERVINE TONIC
AND
STOMACH and LIVER CURE.

The Wonderful HEALTH BUILDER & NERVE FOOD.

Chronic Diseases are caused by Deranged Nerve Centres at base of Brain.



LATE discoveries have absolutely proven that the Stomach and Lungs, and indeed all internal organs are controlled by the nerve centres at the base of the brain. The manufacturer of SOUTH AMERICAN NERVINE has studied this subject closely for more than twenty-five years, and has lately demonstrated that two-thirds of our Chronic Diseases, are due to the imperfect action of nerve centres, either within or at the base of the brain and not from the derangement of the organs themselves; hence that the ordinary methods of treatment are wrong.

As all know, a serious injury to the spinal cord will at once cause PARALYSIS of the body below the injured part, it therefore will be equally well understood, how the derangements of the nerve centres, will cause the derangement of the different organs of the body which they supply with NERVE FLUID or NERVE FORCE.

The wonderful success of South American Nervine is due alone to the fact that it is based on the foregoing principle. The use of a single bottle of this remedy will convince the most incredulous. It is indeed, a veritable NERVE FOOD and WILL RELIEVE IN ONE DAY the varied forms of nervous disease and stomach troubles.

Nervous — Diseases.

This class of diseases, is rapidly increasing each year, on account of the great wear our mode of living and labor impose upon the nervous system. Nine-tenths of all the ailments to which the human family is heir, are dependent upon nervous exhaustion, impaired digestion, and a deteriorated and impoverished condition of the blood. The South American Nervine is a great nerve food and nerve builder and this accounts for its marvelous power to cure the varied forms of nervous disease, such as Neuralgia, Nervousness, Nervous Prostration, St. Vitus's Dance, Nervous choking, Nervous Paroxysms, Twitching of the Muscles, Hot Flashes, Mental Despondency, Forgetfulness, Sleeplessness, Restlessness, Nervousness of Females, Palpitation of the Heart, Sexual Weakness, etc., etc.

A Little Daughter

Of a Church of England minister cured of a distressing rash, by Ayer's Sarsaparilla. Mr. RICHARD BIRKS, the well-known Druggist, 207 McGill st., Montreal, P. Q., says:

I have sold Ayer's Family Medicines for 40 years, and have heard nothing but good said of them. I know of many

Wonderful Cures

performed by Ayer's Sarsaparilla, one in particular being that of a little daughter of a Church of England minister. The child was literally covered from head to foot with a red and exceedingly troublesome rash, from which she had suffered for two or three years, in spite of the best medical treatment available. Her father was in great distress about the case, and, at my recommendation, at last began to administer Ayer's Sarsaparilla, two bottles of which effected a complete cure, much to her relief and her father's delight. I am sure, were he here to-day, he would testify in the strongest terms as to the merits of
