General News.

The first Grand Trunk locomotive on the new extension of that railroad to Owen Sound, entered the suburb of Brooke on Saturday, just across the Pottowattomie river. The bridge across the river is not yet completed, but will be in a few days, and it is expected that the rails will be laid into the yards in O. S. in the early part of the coming week.

A very sad drowning accident occured at Sheppard's mill pond, a few miles east of Shelburne, Saturday evening, in which Hilyard Irwin, aged 20, of Shelburne, lost his life. The young man, accompanied by several others, drove out to the pond in the afternoon for the purpose of bathing. The party went out in a boat to some distance from shore, when the boat upset. Irwin, who was unable to swim, sank to the bottom, while his companions succeeded in reaching the shore. His body has not yet been recovered.

Kimberley.

From our own correspondent.

Last Friday was Kimberley's celebration day. The Methodists held a lawn social in Geo. Graham's grove, which was well patronized. The football match as announced on the bills did not take place owing to the Walters Falls club disappointing. The baseball match, Kimberley v. Vandeleur, resulted in a victory for Kimberley, the score being 27 to 23, with an innings to spare. After the match was ended, the Clarksburg football team challenged the winning team for to play them a baseball match, which resulted in a tie, the score being 13 to 13. The social was a success in every particular

In the evening a political meeting was held in the interest of Mr. Hartman The hall was filled, a great number of ladies being present The meeting was somewhat interesting, owing to the fact that our own J. M. Davis is holding the ribbons for Mr. Gamey.

Rev. W. J. Waddell preached his farewell sermon on Sunday evening to a crowded house. Mr. Waddell is a fluent speaker and an able reasoner. He will be greatly missed.

Mr. John Smith buried their baby, Sunday. It took the whooping cough, which resulted in its death at the early age of 4 weeks. The Good Book says, Suffer the little ones to come unto me. We extend our sympathy to them in this their season of trouble. We are glad to hear that his daughter, whom we reported ill last week, is recovering.

Mr. Jas. Thurston returned home on Thursday, after a three weeks visit.

Mrs. McTaggart started for her home in Michigan to-day (Monday.)

Our baseball team goes to Rocklyn on Saturday, to play the boys of that town.

CATTLE OWNERS,

ATTENTION!

HOSMER'S GREAT

MEXICAN FLY EXTERMINATOR.

Hosmer's Mexican Fly Exterminator will prevent Flies and Insects of all kinds from lighting on Cattle and Horses wherever it is applied. It is evident that many times Horses become more jaded by Flies than by their regular work, and it is a humane act and kindness to save the dumb beast annoyance and pain, and to give them all the comfort that we consistently can. Cows that are troubled with Flies invariably give less milk than those protected from their stings. Hosmer's Mexican Fly Exterminator is something more than a protection to animals from Flies, as it is undoubtedly

The Best Hoof Ointment in Use.

If properly used this Fly Exterminator is a Certain Preventive from the attacks of the small black fly, called in different localities by the following names: Buffalo Fly, Arabian Fly, Texas Fly, while in reality they are the dreaded "Mexican" Fly. These sting right around the horns of cattle and eat down into the head and cause terrible suffering, and many times the stock die from the effects. This Exterminator is a certain preventive from attacks of all Flies or insects on cattle or horses. It is also a sure death to Fleas.

DIRECTIONS: Apply the Exterminator with a stiff brush, or rub well into the hair and hide with the fingers. Whenever the flies attack the stock a new application should be made. When faithfully applied, cattle and horses will run in pasture all day without annoyance from flies or insects.

This Ointment contains nothing injurious or poisonous. The high standard of Hosmer's preparations, which have been so long in the market, is a sufficient guarantee for any goods bearing his name. For sale by

W. Moore, Harnessmaker Flesherton.

THE GREAT SOUTH AMERICAN

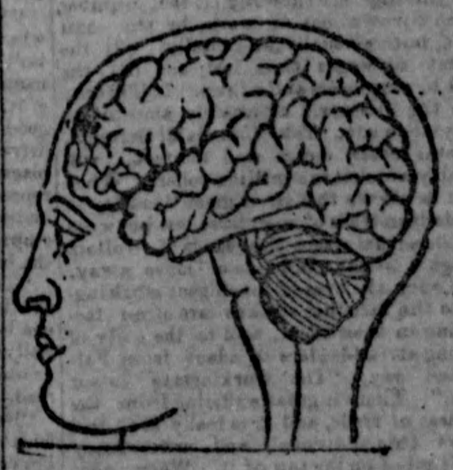
NERVINE TONIC

AND

STOMACH and LIVER CURE.

The Wonderful HEALTH BUILDER & NERVE FOOD.

Chronic Diseases are caused by Deranged Nerve Centres at base of Brain.



LATE discoveries have absolutely proven that the Stomach and Lungs, and indeed all internal organs are controlled by the nerve centres at the base of the brain. The manufacturer of SOUTH AMERICAN NERVINE has studied this subject closely for more than twenty-five years, and has lately demonstrated that two thirds of our Chronic Diseases, are due to the imperfect action of nerve centres, either within or at the base of the brain and not from the derangement of the organs themselves; hence that the ordinary methods of treatment are wrong.

As all know, a serious injury to the spinal cord will at once cause PARALYSIS of the body below the injured part, it therefore will be equally well understood, how the derangements of the nerve centres, will cause the derangement of the different organs of the body which they supply with NERVE FLUID or NERVE FORCE.

The wonderful success of South American Nervine is due alone to the fact that it is based on the foregoing principle. The use of a single bottle of this remedy will convince the most incredulous. It is indeed, a veritable NERVE FOOD and WILL BELIEVE IN ONE DAY the varied forms of nervous disease and stomach troubles.

Nervous — Diseases.

This class of diseases, is rapidly increasing each year, on account of the great wear our mode of living and labor impose upon the nervous system. Nine-tenths of all the ailments to which the human family is heir, are dependent upon nervous exhaustion, impaired digestion, and a deteriorated and impoverished condition of the blood. The South American Nervine is a great nerve food and nerve builder and this accounts for its marvelous power to cure the varied forms of nervous disease, such as Neuralgia, Nervousness, Nervous Prostration, St. Vitus's Dance, Nervous choking, Nervous Paroxysms, Twitching of the Muscles, Hot Flashes, Mental Despondency, Forgetfulness, Sleeplessness, Restlessness, Nervousness of Females, Palpitation of the Heart, Sexual Weakness, etc., etc.
