ROD AND GUN

Featured in the November issue of Rod and Gun and Canadian Silver Fox News, Canada's national outdoor life magazine, which is just to hand, are some splendid and seasonable yarns of hunting in various parts of the Dominion. The noted western hunter, A. Bryan Williams, recently reappointed Chief Game Warden of British Columbia, returns to the pages of the magazine commencing another of his popular series of hunting experiences.

His article, however, is merely one of many dealings with all angles of outdoor life and fishing and hunting interests, while the fox department is an extensive section filled with timely articles regarding the industry.

Rod and Gun and Canadian Silver Fox News is published monthly by W. J. Taylor, Limited Woodstock, Ont.

TO THE ELECTORS OF SOUTH GREY:

At the Nomination in Durham on Saturday Mr. Perdue's main argument was that the riding would gain by having a Government member as representative, who would be able to influence the policy and the actions of the Government. He then proceeded to show how utterly false the argument was by relating how the Party influence had changed him, who is but a candidate, from a staunch supporter of Prohibition to a defender of the Government Control Act,—and that in the face of the most damning statistics.

I believe people generally are coming to realize that Party discipline easily controls the Party member but that it exerts no influence over the Independent member, who is free to voice the wishes of his Constituents and to vote in their interests.

Mr. Perdue claimed the credit of the Mothers' Allowance Act for the Ferguson Government. That is the second time a Canservative candidate has done that. Do they suppose that the people of South Grey do not know that this act was formulated and set in operatioin by the Drury Government? Apparently the Ferguson Government feels the need of claiming the legislation of previous Governments in order to put up a good front.

Election day is drawing near. We can defeat the Ferguson candidate and deal a blow at the Government's record, particularly the Liquor Control Act, if the electors of South Grey vote. I trust that every one will register their opinion by voting on October 30th.

Those who can vote are:

A British subject who is 21 on or before the day of polling, who has been one year in Canada and two months in South Grey.

Even if his or her name is not on the list he or she can vote if vouched for by someone whose name is on the list.

Yours very truly,
F. R. OLIVER.

New Recipe for Flaky Pie Crust

For two pie shells use 2 cups Purity Flour, ½ teaspoon salt, ½ cup shortening ½ cup cold water. Mix flour and salt, cutting in the shortening until the mixture is like fine meal. Mix thoroughly with the water. Roll out thin, keeping it quite dry. For extra rich pastry use half butter and half lard.

Deeply mourned by Father, Mother and Everett.

IN MEMORIAM

GIBSON — In loving memory of our dear Daddy, William A. Gibson, who passed away Oct. 17, 1924.

October brings sad memories
Of a loved one laid to rest,
And those who think of him to-day,
Are those who loved him best.
Ever remembered by his children,
—Jack, Joe, Cecil, Pearl, Gordon and Freddie.

IN MEMORIAM

McGIRR — In loving memory of our dear husband and father, Robert S. McGirr, who passed away October 25th, 1928.

There's a home that is filled with sorrow,
Two hearts are lonely and sad,
When God took home one year ago
A loving husband and dad.
God only knows how we miss him
And the pain he so silently bore.
At times our hearts came near breaking
And we long for him back once more.
Loving and thoughtful always,
Mheerful right to the end;
Real father, true husband, always,
To all who knew him, a friend.
