THE ADVANCE.

A. R. Fawcett, — Editor.

FLESHERTON:
THURSDAY, MAY 8, 1884.

TO "CORRESPONDENT."

A well written letter concerning certain matrimonial questions, and signed "*Correspondent*," has been duly received by us. The author of the letter will confer a favor by sending us his *real* name and address, not necessarily for publication, but as a guarantee of good faith. We shall then be pleased to give his entertaining letter a place in our columns. Otherwise it will be consigned to the waste basket, much as we may regret it.

DYNAMITE.

The recent attempt (?) to blow up the parliament buildings at Toronto, has been the subject for considerable discussion. Some have attempted to be witty concerning the matter; but where the humor comes in when public property, and the lives of human beings are at stake, sane, reasoning mortals, are at a loss to determine. The matter demands earnest, searching investigation; and whether the person, who put the dangerous dynamite shells in the parliament buildings, be a crank, a fenian, or a lunatic, he should be looked after and speedily brought to justice. In the meantime the so-called "wits" on our big dailies will do well to confine their attention to the all-absorbing topic of "The Mule," and other kindred subjects, which have for many "moons" formed the chief theme of their "discourse."

BYE, BYE, SENECA!

In the last issue of our sprightly contemporary, the Hanover *Post*, Mr. Seneca G. Ketchum bids farewell to his readers—he having sold his plant to Mr. W. H. Ashley, late of the Winnipeg *Free Press*.

It is just one year since Mr. Ketchum made his bow to the readers of the Post, and during that short time the Post has doubled its subscription list and taken a front rank amongst the newspapers of Northern Ontario. It has been conducted with rare ability from the day on which Ketchum made his first bow to its readers until the present time. As a paragraphist, he is brilliant and witty; as an editor he has exhibited wisdom and discretion which would do no discredit to the most experienced country journalist. We wish him all possible success in the future; and at the same time we extend to his successor, Mr. Ashley, a hearty welcome to the ranks of journalism.

Very Remarkable Recovery.

Mr. Geo. V. Willing of Manchester, Mich., writes: "My wife has been almost helpless for five years, so helpless that she could not turn over in bed alone. She used two Bottles of Electric Bitters, and is so much improved, that she is able now to do her own work." Electric Bitters will do all that is claimed for them. Hundreds of testimonials attest their great curative powers. Only fifty cents a bottle at W. Richardson's.

South Grey Teachers Association

The semi-annual meeting of the South Grey Teachers' Association will be held in Flesherton, on Thursday and Friday, 29th and 30th May, 1884. The following is the

PROGRAMME:

Removal of their Flesherton Branch.—The Late Manager, Mr. MacPherson.

This popular firm of private bankers, who have, during the past three years or so, been doing business in Markdale, Flesherton, and Dundalk, have decided to close the Flesherton branch. We regret this very much, as the branch has been a great convenience to our business men, as well as to the farming community generally. Its removal from Flesherton is a decided loss to the village.

Mr. A. MacPherson, late manager of Flesherton branch, has gained the esteem of the public generally, by his courteous and gentlemanly bearing towards all classes of the community. His many friends in this locality will regret his departure, as well as that of his amiable wife. Flesherton loses a good citizen and an upright business man by the removal of Mr. MacPherson, whom we wish continued prosperity in whatever sphere his lot may be cast in the future.

Last week the Reform Association of Artemesia presented Mr. MacPherson with a handsome solid silver-headed cane, richly chased, and bearing the following inscription:—

Presented to
A. MacPherson,
By his Reform Friends
of Artemesia,
2nd May, 1884.

The cane was got up by Mr. Jas. G. Russell, Jeweler, Flesherton, and reflects great credit on his taste. The presentation of the cane, was accompanied by the following

ADDRESS:

To Angus MacPherson, Esq.,

DEAR SIR.—As you are about to leave this village, we cannot let this opportunity pass without expressing our regret that the Township of Artemesia is losing a resident so highly esteemed either as a business man, a kindly neighbor, or a liberal citizen, and we believe we are only expressing the sentiments of the business men generally, of all classes of the community, as all have always found you courteous and obliging in your business transactions, while exercising due care in the discharge of the same.

While we do feel sincere regret that you have decided to remove from Flesherton, yet, at the same time you have our best wishes and kindest regards for your future welfare and success in business in the town to which you are about to remove, and we have every confidence that you will be as highly respected and esteemed in your new sphere of business, and that you will ever retain the unblemished character you now have.

We therefore on behalf of the Reform Association of the Township of Artemesia, take this opportunity to present to you this Walking Cane, as a slight memento of your pleasant association with us in this village.

Signed on behalf of the Association,
J. GORDON, President,
W. G. PICKELL, Sec.,-Treas.
Flesherton, May 2nd, 1884.

Fire in Euphrasia.

On Tuesday morning last about 2 o'clock a. m., the buildings of Mr. Hugh Abercrombie, of Lot 11, Con. 1, Euphrasia, together with all his stock, comprising 7 horses, 22 head of cattle, 20 sheep, about 500 bushels of grain, and all his agricultural implements was totally destroyed by fire. No clew as to how the fire originated has been obtained, but supposed to be the work of incendiary. Mr. Abercrombie's loss is estimated at $2,500 as there was no insurance, save $400 on the buildings, in Royal Insurance Company. The scene of the ruins the following morning is said to be terrible, some of the horses appear to have broken from the stall and got into the middle of the fire, the sheep were huddled into one corner of there compartment, and a valuable bull broke loose and got to the door where he fell in the flames. This has been one of the severest losses of any of our agriculturists in the County for years. —*Standard.*
