The old scriptural injunction that "the poor you have always with you" is as true today as it was when uttered two thousand years ago, says the Walkerton Herald. But instead of Lazarus sitting at the gate and the dogs licking his sores, we have the indigents listening in on the radio or playing the piano at the House of Refuge, and in fact so happy and contented are they that when 29 of them were granted the old age pension the other day, they, with one accord, decided to remain in the Refuge and let the world roll on, the county going through the formality of collecting the money and applying it towards their keep.

But Walkerton, which a critic described as the home of "Pride, Poverty and pianos," comes to the front with bells on in the matter of old age pensions and leads all other municipalities in the county with 21 pensioners on the list.

Clifford Baldwick, of Barrie, Ont., was one of three members of Canadian junior live stock clubs chosen at the Royal Winter Fair to represent Canada at the international joint live stock judging competition in England next year.

He: "I want to marry your daughter."

Father: "Have you seen my wife yet?"

He: "Yes, but nevertheless I prefer your daughter."
