Many ladies admire gray hair—on some other person. But few care to try its effect on their own charms. Nor need they, since Ayer's Hair Vigor prevents the hair from turning gray, and restores gray hair to its original color. It cleanses the scalp, prevents the formation of dandruff, and wonderfully stimulates the growth of the hair.

PROF. LOW'S MAGIC SULPHUR SOAP—Healing, soothing, and cleansing for all scruptive diseases of the skin. Delightful for toilet use.

Board of Health.

The following gentlemen, appointed under the Health Act of 1884, constitute the local Board of Health for the Township of Artemesia for the present year:—W. S. Christoe, M.D., W. J. Bellamy, C. C. James, Wm. Brown, and J. B. Sloan. Now, gentlemen, if you don't remove every nuisance in this Township, you are not the men we take you for.

Special Notice.

A Question Asked.

The Editor and Mr. Sept. Good erected a wood shed a year or so ago. Mr. Good furnished the lumber and the Editor paid the carpenter for building the shed. Recently the building was taken to pieces. Only the lumber remains. What part of the said woodshed belongs to the Editor, and what to Mr. Good? That's the question which has been disturbing our sleep so much of late, and we will be laid under a heavy debt of gratitude to the person who will send us in a rational solution to the problem.

Struck by Lightning.

During the progress of the thunder storm a week ago last Sunday, the blacksmith shop of Mr. Johnston Little, Maxwell, was struck by lightning. The lightning entered the roof and ran down one of the rafters, shattering it to pieces. It then ran down an iron bar, through the floor, and into the ground, which evidently saved the building from being burned. One of the freaks of the lightning was to weld two bars of iron together as effectually as if it had been done by Mr. Little himself.

This is Our Own.

We have, until quite recently, been under the impression that it was utterly impossible to get real good tea under fifty or sixty cents per lb. In this we were mistaken. On Monday last our great tea merchant, Mr. M. Richardson, handed us a sample of his now famous 30 cent tea. We have given the tea a fair trial, and now take great pleasure in stating that it *excels most of the fifty cent tea* we have been accustomed to use in the past. How Mr. Richardson can place in the market such a fine quality of tea at such a remarkable low price as 30 cents, is what surprises us, as well as others who have used it.

Eugenia Grist Mill.

Mr. M. Akitt's grist mill at Eugenia was recently thoroughly overhauled by the millwrights, and is now in first-class running order. A purifier has been added to the plant, and general repairs for merchant work have been made. A merchant bolt has been put in. It is now as good a custom flouring mill as there is in Grey. It will be in full running order this week.

FRAUDULENT TRANSACTIONS.—There are many frauds perpetrated in medicine, and many advertised remedies worse than useless. Not so with Hagyard's Yellow Oil. It remains as ever the best internal and external medicine for all pain, soreness and injuries with which human flesh is afflicted.

THE EFFECTS OF WHISKEY.—The effects of whiskey are always evil, and those who feed upon alcoholic stimulants, vainly endeavoring to cure coughs and consumption, but nurse a viper. Hagyard's Pectoral Balsam is a remedy that is always reliable for all throat bronchial and lung troubles, and never does harm any one.

CURE FOR DEAFNESS.—As numerous testimonials will show, there is no more reliable cure for deafness than Hagyard's Yellow Oil. It is also the best remedy for ear ache, sore throat, croup, rheumatism, and for pains and lameness generally. Used externally and internally.
