—Mr. Chislett, Head Master of the West Ward Public School, Collingwood, called on us yesterday.

R. J. Sproule, Flesherton, will pay the highest price in Cash for one thousand tubs good Butter to fill an order for the North-West. Now is the time to sell and get your Cash whilst there is a demand for it.

R. J. Sproule's annual clearing sale is now going on and will continue for the next 20 days. Specially low prices for all Summer Goods till the whole is cleared out. Come one, come all.

Seneca in Town.

Mr. Seneca G. Ketchum, ex-Editor of the Hanover *Post*, was in Flesherton last Saturday introducing the Toronto *Weekly News* to public notice. He gave us a pleasant call. Quite a unmber in this locality subscribed for the *News*, which is an excellent paper.

Scott Act Convention.

A convention will be held in the Town Hall, Flesherton, on Monday afternoon, 25th inst., at 2 o'clock, to discuss the Scott Act campaign in all its bearings. Remember the public meeting on the evening of the same day.

Bazaar and Concert.

The Ladies' Aid of the Presbyterian Church, Flesherton, will hold a bazaar in the Town Hall, Flesherton, on the second day of East Grey Fall Show, Wednesday, Sept. 24th. Refreshments will also be served to the public on the same day. In the evening (same day) a grand concert will be given in the Town Hall. Further announcements will be duly given.

Don't fill the system with quinine in the effort to prevent or cure Fever and Ague. Ayer's Ague Cure is a far more potent preventive and remedy, with the advantage of leaving in the body no poisons to produce dizziness, deafness, headache, and other disorders. The proprietors warrant it.

A Manly Journal.

Although opposed to the Scott Act, the Walkerton *Herald* has been pursuing a manly, straightforward course in the matter which must earn the respect of all classes in the community in which it is published. Long may such journals as the *Herald* flourish. Intelligent people are bound to treat with respect a manly opponent.

A full stock of Harvest Mitts, Grain Cradles, Rakes, and Forks selling cheap at R. J. Sproule's, Flesherton.

Sheep Killing Again.

Mr. Henry Meldrum, whose farm is near Eugenia, had five sheep killed and several worried by dogs on Monday night of last week. The eastern portion of Artemesia seems to be pestered by vicious dogs. We would advise the farmers to shoot every strange dog found prowling around their premises whether in the daytime or at night. Something must be done speedily, to prevent a repetition of this sort of thing.

A Smart Boy.

We notice by the list of successful pupils, who recently passed the Entrance Examinations at Owen Sound, that the name of our young friend, Master Arthur W. Farewell—eldest son of the editor of the Thornbury *Standard*—stands near the top. Young Farewell—who is only about 14 years of age—is an exceedingly bright and intelligent boy. We take much pleasure in congratulating him on his brilliant success in passing a very difficult examination.

R. J. Sproule is selling splendid heavy Factory at **5 Cents** per yard, and all other goods accordingly.

Hanlan Beaten.

Our Canadian champion sculler, Ed. Hanlan, has at length met a man who is more than a match for him as will be seen by the following press dispatch :—

SYDNEY, N S. W.,—Aug. 16.—The race for the championship of the world took place between Hanlan and Beach on the Paramatta river to-day. Beach won by seven lengths. The match was for £500 a side.

Lost and Found.

A little brother of Mr. George Tryon's, Priceville, strayed away from home in some as yet unaccountable manner, on Friday last. Search was made for the missing lad at once. On Saturday Mr. Tryon succeeded in tracing the little fugitive to Flesherton, but here all further clue of the lost boy ended. On Sunday it was ascertained that he was in Eugenia although when questioned the lad refused to give his name. On Monday through the kind instrumentality of friends, he was restored to his relatives.

Look out for bargains at R. J. Sproule's, Flesherton. He is clearing out his Summer Stock at greatly reduced prices.

Poetry.

Several good meaning people have been sending us in any amount of poetry lately. We insert one in this week's issue. In future, however, these poetical effusions will be consigned to the waste basket unless they are really of local interest. We want more information about events occurring in this year of grace 1884, than about the "rehashed" events which occurred "Three Hundred Years Ago." We would prefer a big pumpkin or squash item any day.

An old gentleman, well known in this village, called at our office one day last week and asked us to find a corner for a poem. He claimed to be the author of said poem—in part at least. The two first lines are—

Father, dear father, come home with me now,
The clock in the steeple strikes one, &c.

We are pleased to know that such a "budding genius" resides in our midst, but sorry to say we cannot give him a "corner" in THE ADVANCE.

For the prompt and certain cure of erysipelas, use Ayer's Sarsaparilla, which is the specific endorsed by the most eminent medical authorites.

"The First Big Shot."

Scott Act Meeting in the Town Hall, Flesherton.

As will be seen by posters just issued, a grand Scott Act meeting is to be held in the Town Hall, Flesherton, next Monday evening (25th inst.) at eight o'clock sharp. Mr. Spence, the celebrated Temperance orator, of Toronto, and others will address the meeting. A challenge is issued to Mr. E. King Dodds or any other anti-Scott Act man, to discuss the merits or demerits of the Act. We hope to see a big turn-out on the occasion named. Those earnestly desiring information in order that they may arrive at an intelligent decision, will not fail to avail themselves of the splendid opportunity presented of hearing the "question of the hour" discussed in all its bearings.

Going to Thorold.

Mr. M. P. McMaster has tendered his resignation of Principal of Flesherton Public School and has accepted the Head Mastership of the Public Schools of the town of Thorold. While regretting most sincerely to lose such a faithful and earnest teacher as Mr. McMaster, we wish him unbounded success in his new sphere.

WANTED!—50,000 doz. Eggs at R. J. SPROULE'S, Flesherton.

Garden Parties.

A very successful garden party was held on the grounds of Mr. A. S. Vandusen, Flesherton, on Friday evening last. The grounds were brilliantly lit up by Chinese lanterns, and various games were entered into with hearty zest by the large company present—consisting principally of young people from the village and neighborhood. Splendid instrumental music was furnished by the famous Parks Bros., of Tyrone settlement, Artemesia, Mr. Ed. Robbins, of Toronto, and Messrs. Frank McDowell, E. Vanzant and N. Campbell, of Flesherton. This formed one of the most important features in the evenings amusements. Ice cream and cake was served out to the assembly at ten o'clock. The party did not break up until after midnight.

We understand, that a very successful garden party was held on the grounds of Mr. J. R. Anderson, the famous Scotch vocalist, Artemesia, the evening before. Garden parties ought to be very popular during the hot weather—the wonder to us is that there are not more of them.

We Have Been so Informed.

To the Editor of The Advance.

Sir,—Are you aware that hotel-keepers have formed themselves into a sort of a "ring," and charge Temperance advocates much more for board and lodging than their other customers? Such evidently is the case.

Yours truly,
TEETOTALLER.
