Fifty Thousand Dollar Fire at Gravenhurst.

GRAVENHURST, Aug. 25.—About 1 o'clock Sunday Morning a tremendous fire broke out at the mill owned by McBurney & Co., West Gravenhurst. The fire originated in the timber yard, and soon spread to the mill, which was completely destroyed. Loss on lumber $30,000, on mill and machinery $20,000; insured for $35,000. Supposed to have been set on fire by tramps.

Caught a Bear.

Recently Mr. W. H. Campaigne, our well known hunter, set some bear traps on the banks of the Saugeen river near what is known as Currie's clearing, Artemesia. On Wednesday morning a farmer living near by discovered a large black bear in one of them. As it was living he shot it and notified Campaigne of the fact, who forthwith proceeded to bring his bearship home. The hair is long and of a rich black color. Markdale sports will have to waken up.

It Cannot be Denied.

Those who have had Boots and Shoes made by Mr. McLeod, of Markdale, speak in the highest terms of that gentleman's work. For neat work, quality and material, and honest prices, McLeod cannot be beaten in Markdale. His reputation as a first-class shoemaker is so general that comment on our part is almost superfluous.

Very Remarkable Recovery.

Mr. Geo. V. Willing, of Manchester, Mich., writes: "My wife has been almost helpless for five years, so helpless that she could not turn over in bed alone. She used two Bottles of Electric Bitters, and is so much improved, that she is able to do her own work." Electric Bitters will do all that is claimed for them.
