—The masons expect to complete the brick work on Dr. Christoe's handsome three-story block this week.

—Mr. Fred. Ryder, builder and contractor, Flesherton, has the contracts for the erection of two brick buildings in the neighborhood of Vandeleur, Artemesia.

—Mr. John Whitton, our well known and popular contractor, has been driving an immense business in the building of frame barns, houses, &c. this year.

—Mr. Wm. R. Hanley, of the P. O. Dept., Ottawa, was home on a brief visit to his father, Mr. Edw. Hanley, Osprey, last week. He gave us a pleasant call on Thursday.

—Miss Addie Armstrong left for Hamilton last Thursday morning. She goes to the Ambitious city to attend the Wesleyan Female College during the current term.

—Our old friend and townsman, Mr. W. F. Doll, paid Flesherton a brief visit last Thursday. We had a call from him. Evidently the North-West climate agrees with him for he never looked better.

—We understand that the Trustees have engaged a Head Master for Flesherton Public School. He is a University man, and has had considerable experience in "teaching the young idea how to shoot" We have not yet learned his name.

—Mr. Jos. McCormack and family have moved into town. Mr. McCormack has purchased the house and lot at present occupied by Mr. Thos Manders, and will shortly commence business in the coopering line.

—As the Tea in the cannister gets low, **Remember** M. Richardson still sells that famous **30** cent Tea.

The programme will consist of vocal and instrumental music, readings, recitations, addresses, &c. Free admission. A cordial invitation is extended to the public.

Coming to Flesherton.

On Thursday evening next, the 11th inst., the New York Comedy Aggregation will perform in the Town Hall, Flesherton. The press speak highly of the troup, so that no doubt our villagers are about to be favored with a rich treat. The author of the comedy to be performed here, will take the leading part himself.

East Grey Fall Show.

The East Grey Agricultural Society will hold their annual Fall exhibition on their spacious grounds, Flesherton, on Tuesday and Wednesday, September 23rd and 24th. Some valuable special prizes and other additions have been made to the prise lists this year, which are enumerated in the pamphlets issued. Artemesia Fall Show.

Artemesia Agricultural Society will hold their annual Fall Show in the village of Priceville on Tuesday, October 7th. As on former occasions, the prize lists just issued contain many valuable special prises given by citizens of Priceville. Several additions have been made to the "Rules and Regulations" which intending exhibitions will do well to carefully examine. For further information apply to Mr. Jas. Brodie, Secretary, Vandeleur.

—*TWEEDS.*—A large stock of New Tweeds, choice patterns, very cheap at M. Richardson's.

The Markdale Tragedy.

Several slight errors occured in our report of of the Markdale Tragedy. The name "Miss Tessie," should have been Miss Tessie Lyons—the name having been omitted. The Head Master's room is in the front instead of the rear of the school house as stated; and Miss Tessie Lyons room is in the rear instead of the front. Miss Ford's room is directly above Miss Lyons. We are indebted to the kindness of a Markdale friend for the corrections.

We understand that Miss Ford is getting along nicely.

—Just received at M. Richardson's: A large stock of Pain and Twilled *WINCEYS*, extra value.

Arrest of Mr. W. F. Doll.

The arrest of our former townsman, Mr. W. F. Doll, during his recent visit to Flesherton, created quite a sensation in this locality. The arrest was made by Mr. A. S. Vandusen, our well-known detective, on Friday morning last. We do not know what Mr. Doll is charged with having done, but we are quite confident he will soon be liberated from "durance vile." He is well and favorably known here.

—Buy your Boots & Shoes at M. Richardson's. He keeps the best stock from the best makers.

Those "Outsiders."

Three of the Thornbury boys went with the Flesherton base ball team on Thursday last against Dundalk. The score was 31 for Flesherton and 18 for Dundalk. It is said that Dundalk had players from Markdale, Orangeville and Owen Sound, but we cannot imagine that there is another team, besides Flesherton, that would be so dishonorable as to resort to borrow men for a friendly match. Such conduct is never expected in an amateur contest. Such so called sharp tricks are generally left for professional players and black-legs.—*Venture.*

The above is untrue. There were only *two* Thornbury "boys," and one of them was very ill during the greater part of the day, although he was too plucky not to make an attempt to play. Dundalk also had outside players as our cotem. says, so that the teams were fairly matched anyway.

—Grey, White, and Scarlet Flannels in abundance, very cheap, at M. RICHARDSON'S.

Rev. Dr. Strongman.

The Rev. Dr. Strongman, pastor of Eugenia Methodist Church, will preach in the Methodist Church, Flesherton, next Sabbath morning and evening. Collections will be taken up at both services in aid of the Educational fund.

Flesherton v. Markdale.

Flesherton Base Ball Club will play the Markdale B. B. C. on Tuesday next. We hope they'll arrange to have an umpire who is not interested in either club.

—If you want a nobby Hat, hard or soft felt, the latest style, go to M. RICHARDSON'S.

Accident to Mr. Wm. Hill.

On Tuesday morning last Mr. Wm. Hill—who lives near the Meaford Road, Artemesia—met with rather a serious accident. It seems he had just returned from Campaigne's mill, and was driving his team of horses, attached to a lumber waggon, into his yard, when, in some peculiar manner, he was thrown out of the vehicle. His right eye, coming in contack with something, was forced from its socket. He was otherwise injured, and complained of severe pains between the shoulders especially. Dr. Sproule was called in. He entertains hopes that the sight of the right eye will be restored.

Mr. Hill is a brother of the well known Markdale merchants, Hill Bros.

—"Why! What's the matter?"

Lady—(With face enveloped in roll of hot cloths)—"Oh! I'm crazy with that Neuralgia that continually troubles me."

—Well, how foolish! Why don't you go to Richardson's Drug Store and get a bottle of Fluid Lightning? In cured me in less than one minute. I always keep a bottle in the house. It only costs 25 cents."

Horse Jockies.

There are a number of unprincipled individuals called horse jockies going round the country making a living by swindling farmers and others who are not experienced in horse flesh. The law should take hold of these and make them earn an honest living.—*Hanover Post.*

The "law should take hold" of them, brother Ashley, but the mischief of it is the law seldom catches 'em; and in the second place the law seldom makes the attempt to "take hold of them."

WANTED.—Ffty Cords of White Ash timber for Butter Tubs. Length, 18 inches.—JOSEPH MCCORMACK, Flesherton.

The Illustrated Sporting and Dramatic Journal.

We are in receipt of the first issue of an elegantly illustrated weekly newspaper, devoted to the drama and the various popular sports of the day. It is the only paper we know of that not only records, but pictures, the leading events of the turf, field and stream. The number before us is accompanied by a splendid portrait of Miss Sarah Jewett, the distinguished actress, in the form of supplement, while the paper itself is brimful of entertaining and instructive illustrations and reading matter.
