Saw Mill & Timber Land For Sale or To Let.

In the **Township of Artemesia,** in the County of Grey, 4 miles from Flesherton Station, the Canadian Pacific Railway. The Mill is situated at Little Falls, in a block of about 400 acres Timber Land, with other timber land surrounding. The building is substantiolly built on stone foundation. The machinery is all good and driven with great power by a 23 inch Leffel wheel, under 36 feet head of water. There are 1 Large Circular Saw for cutting logs; 2 Small Circulars for sawing Laths and Broom Handles; 1 Guage Lathe for turning Broom Handles, &c.; 1 Shingle Machine with Jointer and Packer complete. The Water-Power is excellent, the stream being very regular. There are several other good Mill Sites on the property. The land in this valley is considered the best in the country. The place would make an excellent Stock Farm when the timber is taken off

This offers a good opportunity for a practical, energetic man to go into this kind of business, as the place will be sold or let on FAVORABLE TERMS. The bush is so convenient to the Mill, logs can be trucked in summer time. Immediate possession given.

Thieves.

There is a family in our town the members of which have become notorious for petty thefts. Hitherto the parties from whom they have purloined have not considered it worth while to prosecute, on account of the trifling value of the articles. Emboldened, no doubt, by such forbearance, some of these pilferers have engaged in their light-fingered operations more frequently of late, and some of our citizens, we understand, have determined to bring the guilty parties to justice if any further theft is committed by any member of the family in question. It would be well for the culprits to mend their ways before they find themselves landed in the County jail.—*Shelburne Free Press.*

A STRONG ENDORSEMENT.—The Clergy, the Medical Faculty, the Press and the People all endorse Burdock Blood Bitters as the best system renovating blood purifying tonic known. Its work bears out their best recommend.

Knocked Overboard.

On Friday morning, as the schooner *Annie Foster*, Capt. McVicker, was coming into port with a load of lumber, when off Squaw Point, a young lad about nineteen, named James Crichton (son of Mr. Thos. Crichton of Brooke,) was struck by a foresail boom and knocked overboard. When first struck, he was knocked down on the lumber, and balanced there for several seconds, but before anyone could get to him he fell over into the water. The cook threw a rope, which struck his head and shoulders, but he appeared to be to much dazed with the blow to catch hold of it. The vessel was going at a good speed at the time, and the Capt. at once brought her into the wind, but before she came round he had disappeared. Search was made for the body on Saturday, but without avail.—*Owen Sound Times.*
