Sick Headache
CURED PERMANENTLY

BY TAKING

Ayer's Pills

"I was troubled a long time with sick headache. It was usually accompanied with severe pains in the temples, a sense of fullness and tenderness in one eye, a bad taste in my mouth, tongue coated, hands and feet cold, and sickness at the stomach. I tried a good many remedies recommended for this complaint; but it was not until I

that I received anything like permanent benefit. A single box of these pills did the work for me, and I am now free from headaches, and a well man."—C. H. HUTCHINGS, East Auburn, Me

MRS. GEO. MOORHOUSE

MARKDALE
Pump Works
J. Artley, Proprietor.

Four years ago I published a batch of testimonials and offered $1000, if any one would prove that any one of them was not genuine, as far as I was concerned. I will make the same offer with those I publish below. Please read what a few of my customers have to say who are using my pumps. I have been making improvements in their construction every year since commencing the business six years ago. I think I have reached the climax in my new I. X. L., double lever, with roller bearings. I believe this is the first and only pump made with roller bearings. It is destined to become the most durable and easy working pump on the market. It will pay any one needing a pump to see me before purchasing. No advance in prices of old style. I have tried to make the price to suit the hard times. All I ask is an examination of my new I. X. L I am satisfied if you need a pump you cannot help but by. Remember the old saying, the best is the cheapest. I use the best material I can find, and spare no timber or expense to turn out the best pump that can be produced.

Testimonials:

The Grand Valley Tribune says that town is full of dogs. You see them at every street corner and in every back yard. Main street is crowded with them and they block the sidewalks. They walk into every shop and even go to church and attend school. Suggestions are requested as to the best way to abate the nuisance. There are people in Flesherton who could fix this thing if they would only come forward and explain their plan.

Almost a Hopeless Case.

A Terrible Cough. No Rest Night nor Day. Given up by Doctors.

A LIFE SAVED

BY TAKING

AYER'S CHERRY PECTORAL

"Several years ago, I caught a severe cold, attended with a terrible cough that allowed me no rest, either day or night. The doctors, after working over me to the best of their ability, pronounced my case hopeless, and said they could do no more for me. A friend, learning of my trouble, sent me a bottle of Ayer's Cherry Pectoral, which I began to take, and very soon I was greatly relieved. By the time I had used the whole bottle, I was completely cured. I have never had much of a cough since that time, and I firmly believe that Ayer's Cherry Pectoral saved my life."—W. H.
