THE REVIEW is a strictly non-political, well printed sheet, published every Thursday, and has a large and steadily increasing circulation, which renders it an excellent advertising medium in this section. It already CIRCULATES IN EVERY MUNICIPALITY IN THE COUNTY OF HASTINGS, and is rapidly extending.

The publishers have great pleasure and satisfaction in announcing that since their venture was first launched on the sea of journalism it has met with unparalleled favor. The measure of its success is attested by the very general expression of public approval. The principles which have hitherto guided them will be their aim for the inture, and they hope to establish fresh claims on the public confidence in the ratio in which they receive support.

Our object is to make it a thoroughly reliable Family Newspaper, conducted fairly, fearlessly, and independently.
