—The correct majority against the Scott Act in Peel is 198. The barley question did the mischief, as it is very extensively grown in that county.

—Strain's, Flesherton, are noted for putting in the heaviest Tinware in connection with the Cooking Stoves sold by them.

—We direct the attention of our readers to Mr. W. A. Brown's new advertisement in this week's ADVANCE. Mr. Brown's reputation as a watchmaker and jeweler is too well known to require any special comment at our hands. His stock of watches, clocks, jewelry, &., is, if anything, more complete than ever it has been.

—Trial proves that honesty is the best policy in medicine as well as in other things. Ayer's Sarsaparilla is a genuine preparation, an unequalled blood purifier, decidedly superior to all others.

—Flesherton cheese factory has just closed a very successful season, having succeeded in disposing of all the cheese manufactured at very good prices. Mr. M. Richardson, our esteemed and popular merchant, held the position of banker for the patrons, and handled several thousand dollars to the satis faction of all concerned.

—The Division Court in Flesherton last Thursday was largely attended. One of the principal cases was that of Madill v. Meldrum, which was decided in favor of the former. Messrs. Frost & Frost, the well known and popular Owen Sound lawyers, had a large number of cases. Mrs. Thompson, the Flesherton baker, won her suit for board bill. Mr. Lamon, the Dundalk lawyer, had quite a number of cases. His honor, Judge Macpherson, presided.

—Hundreds of letters from those using Ayer's Hair Vigor attest its value as a restorer of gray hair to its natural color. As a stimulant and tonic, preventing and often curing baldness, and cleansing and soothing the scalp, its use cannot be too strongly recommended.

(From our own Correspondent.)

On Tuesday evening, 28th Oct, the annual Sabbath School Anniversary, Teameeting and Cantata was held in the Methodist Church, in this village, and was very largely attended, being filled to its utmost. Rev. Mr. Casson afficiating as chairman. We cannot speak too highly of the Cantata, which was being practiced for weeks previous to its final rehersal under the able leadership of Mr. G. S. Bowes, who has for years been leader of the choir, and a constant worker in connection with the church and Sabbath School. The choir and the children of the school rendered their parts very creditably indeed. After the Cantata was concluded, a few remarks were heard from their chairman; Rev. Mr. Wilson, Presbyterian Minister, then succeeded, addressing the audience at some length, after which, Dr. Sproule, M. P., was called upon. The Doctor is to be congratulated for the very eloquent and able manner in which he delivered his lengthy address. Rev. Mr. Grandy made a few remarks and conducted prayer, after which the chairman gave the closing address. Rev. Mr. Casson announced to the audience, before dispersing for their different homes, that a social would be held in the same church on Thursday evening, to dispose of the balance of the eatables which were abundantly provided by the ladies. The social was all that could be desired, taking into consideration that there was no programe provided till nearly all had assembled. Rev. Mr. Casson again acting as chairman. The following gentlemen were called upon to contribute as best they could towards entertaining the audience:—Messrs. Porter, Smith, Ennis, Richards, Benson, and others, together with the valuable assistance of the choir. As each one called upon had only a few minutes warning, they did remarkably well. We have not learned what the proceeds amounted to taken at the door either nights; but, judging from the large attendance on both occasions, they must have realized a handsome sum. As your time and space will be limited this week on account of Thursday being a public holiday (Thanksgiving) I will draw this to a conclusion.

Yours truly,
OLD PROWLER.

Madill Vs. Meldrum.

Communicated.

The case of Madill vs. Meldrum which was tried in the Division Court, Flesherton, last Thursday, was one of considerable interest to the people of this locality. Masson for ptff. and Frost & Frost for deft. The cases was decided in favor of Madill. It seems, that ptff. sold a colt to deft. when a dispute arose as to whether the amount to be paid should have been $50 or $40. His honor dicided the former amount, thus the case was won by Madill.

MAXWELL.

Denial.

To the Editor of The Advance.

SIR,—In reference to a statement in your paper of a few weeks ago, that I had a dispute with Mr. Grearson, of Euphrasia, I beg leave to deny the statement most emphatically. Mr. Grearson does not live in Euphrasia, but in Collingwood Township, and I had no dispute with him whatever. I do not deny that I had a dispute with young Cruickshank, but I was perfectly justified in saying what I did.

Hoping, Sir, that when next you write up anything of this sort you will be more careful as to the correctness of your statements, I remain,

Yours &c.,
DAVID MADILL.

Anti-Scott Act Champions.

To the Editor of The Advance.

DEAR SIR,—While I admire your persistent advocacy of Scott Act coercion for the regeneration of your fellow-beings, I at the same time regret that an intellect which gives promise of so much in the future, should permit the shadows of narrow bigotry to becloud its otherwise noontide sunshine.

"The Question of the Hour."—Your liberality to an opponent is as free and generous as is your advocacy of, to my way of thinking, a false principle; and if you will discuss the merits of individualism and the demerits of coercion, as held forth in the Scott Act, I will feel happy to cross pens with you.

Respectfully yours,
S. L. M. LUKE.

Glenelg, Nov. 1st, 1884.

A SUCCESSFUL RESULT.—Mr. Bloomer, of Hamilton, Ont., suffered for many years with a painful running sore upon one of his legs, which baffled all attempts to heal until he used Burdock Blood Bitters, which speedily worked a perfect cure.

C. TREADGOLD, Flesherton, has on hand for sale very cheap for cash, a famous new Organ, having fourteen Stops, six sets of Reeds.

A DECIDED HIT.—Hagyards Yellow Oil touches the right spot every time when applied for rheumatism, neuralgia, pain, soreness or lameness, and internally for colds, sore throat, etc., it is equally infallible.

A Great Discovery.

Mr. Wm. Thomas of Newton, Ia., says; "My wife has been seriously affected with a cough for twenty fi ve years, and this spring more severely than ever before. She had used many remedies without relief, and being urged to try Dr. King's New Discovery, did so, with most gratifying results. The first bottle relieved her very much, and the second bottle has absolutely cured her. She has not had so good health for thirty years."

Catarrh—A New Treatment.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissue, Mr. Dixon at once adapted his cure to their extermination—this accomplished, he claims the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. Dixon & Son, 305 King street west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—Montreal Star, Nov. 17, 1882.
