Markdale Items.

From our own Correspondent,

The Markdale Council Royal Templars of Temperance No. 142, elected their officers for the ensuing term, at the last regular meeting held in their Council Chambers on Friday, Dec. 26th, 1884. The following will be installed in their respective offices on Friday Jan. 9th, 1885, for a term of six months:—R. W. Ennis, Select-Councillor: W. T. Jackman, Vice-Councillor; Rev. T. Grandy, Chap.; J. A. Smith, Rec.-Sec.; A. Hill, Fin.-Sec.: Thos. Hill, Tres.; J. R. Mathews, Herald; Jas. Sproule, Guard; J. E. Richards, Sentinel; O. Wright, Dep.-Herald; C. W. Rutledge Past Councillor; G. S. Bowes, Representative to Grand Council. We understand the members of the above order intend having an oyster supper after installation, to which they intend inviting their wives and sweethearts. If carried out, a good time may be expected.

PROWLER.

A GOLDEN OPINION.—Mrs. Wm. Allan, of Acton, declares that Hagyard's Yellow Oil is the best household remedy in the world for colds, croup, sore throat, burns, scalds and other painful complaints. Her opinion is well founded.

Eugenia.

From our Correspondent.

The deer hunting season is over and we are pleased to report our hunters, Mr. Latimer and sons, have succeeded in bringing down three fine deers, also three of the finest raccoons we ever saw bagged fell to their lot. Aided by the dogs, they captured three ring-tailed fat backs which yielded some 33 lbs. of coon oil; They also shot five foxes and two minks. How is that for high, boys.

On going out to chop in his bush on New Year's day, Mr. Wm. Carr stumbled across a large old elm limb that had fallen the previous day. On examination he found it hollow, yet filled with sweetness. A very strong colony of bees had had their home their in time past. Mr. Carr extracted three pails of the combs containing the honey. How wss that for a New Year's gift handed down by the winds.

Wedding bells visited our town on New Year's day, and one of our fair ones has been taken away to her husband's home. Miss Love has gone with her Lover.

On Friday last Mr. Solomon Turner had a narrow escape from what might have been a very serious accident. Mr. F. T. Carr was sawing wood with his machine at Mr. Turner's. A piece broke out of the end of the saw, which caused it on the next outward stroke to strike the guide and bend the saw. Mr. Turner, who was holding the block, received the inward stroke of the saw across the shoulder, cutting through all his outer clothing to his shirt. One of the teeth took a piecce out of his ear, and but for the sawyer, Mr. Turner might have been a dead man now. Such is life.

Eugenia can now boast of a daily mail—south and north. Hail! happy day!

Revival closed with much good done and large ingathering.

New Year's quiet; friends visiting and discussing current topics over roast turkey or goose. Come again, gala day!

GOOD FOR ALL.—For all diseases of the blood, liver, kidneys and bowels take Burdock Blood Bitters. It is purely vegetable, can do no harm, and is always beneficial.

An Artemesia "Boy."

The following, which we clipped from the Stratford Herald of the 17th ult., explains itself, and will, no doubt be pleasing to the many warm friends of Mr. Chadwick in this Township and elsewhere:—The Model School Class having completed their course of training under Principal Chadwick, appreciative of the interest manifested by him in their welfare and proper preparation for the duties they propose entering upon, took occasion on Wednesday evening last to testify to that appreciation, and for that purpose waited on their kind instructor at his residence and presented him with four handsome pieces of silverware and the following address, which was read by Mr. R. M. Huston:—

To C. W. CHADWICK, ESQ.,
Principal Model School.

ESTEEMED TEACHER,—The Model School term at last is over, and we desire at its close to express our sincere regret at being compelled to have severed the tie which for the past three months has united us as master and pupils. You have done the utmost during that time to train us up as competent and skilful teachers, and have constantly strived to lead our thoughts to a high moral region, and to cultivate in us a love for the pure, the good, and all that will tend to ennoble our natures and fit us, not only for our profession but for all the duties of life; and we assure you that we appreciate the kind Christian spirit which has actuated you in all your dealings with us, and your patience with us in our much carelessness and thoughtlessness.

Your kind and watchful care over us, and the excellent manner in which you have filled your office, can never be fully rewarded, but in slight token of our appreciation of your services, allow us to present you with this silverware.

Rest assured, dear master, that you have made an impression on us that can never be effaced; but we will ever entertain the highest respect for you, and the very kindliest feelings towards you. Gratefully yours,

THE MODEL SCHOOL PUPILS.

Mr. Chadwick responded in a suitable manner and after spending a very enjoyable evening together an affectionate leave-taking took place, and the party broke up.

Mr. C. is to be congratulated on the popularity he gains with each model class.

WORMS often cause serious illness. The cure is Dr. Low's Worm Syrup. It destroys and expels Worms effectually.

GOOD THE YEAR ROUND.—National Pills are a good blood purifier, liver regulator and mild purgative for all seasons.

THE SIGNS OF WORMS—are well-known, but the remedy is not always so well determined. Worm Powders will destroy them.

Just What we Expected.

The following from last week's Thorold POST explains itself:—

On Friday afternoon last the Christmas examination of the East Side Public School took place in the presence of a very large number of visitors. The walls were suitably decorated with pictures, and presented a pretty sight. The scholars were examined by the Principal (Mr. M. P. McMaster) the Rev Messrs. Kay, and McDonald, and Messrs. Bell and May, teachers. The examination showed clearly that the teachers had succeeded in bringing their pupils to a high state of education, and the children acquitted themselves with credit alike to themselves and their teachers. Speeches were made by Revd's John Kay, C R Lee, C. D. McDonald, and Messrs. Turner, Hendershot and Arnold. A very nice programme of resitations and dialogues was taken part in by the children. Mr. M. P. McMaster the energetic principal of the school deserves great credit for the successful manner in which he has handled this school, backed by the labours of Misses Robertson, Boyle and Dale, and we are certain good results must follow from such able teaching.

FOR THE COMPLEXION,—For Pimples, Blotches, Tan, and all itching tumors of the skin, use Prof. Low's Magic Sulphur Soap.

WARREN LELAND,

whom everybody knows as the successful manager of the

Largest Hotel Enterprises

of America, says that while a passenger from New York on board a ship going around Cape Horn, in the early days of emigration to California, he learned that one of the officers of the vessel had cured himself, during the voyage, of an obstinate disease by the use of

Ayer's Sarsaparilla.

Since then Mr. LELAND has recommended AYER'S SARSAPARILLA in many similar cases, and he has never yet heard of its failure to effect a radical cure.

Some years ago one of Mr. LELAND'S farm laborers bruised his leg. Owing to the bad state of his blood, an ugly scrofulous swelling or lump appeared on the injured limb. Horrible itching of the skin, with burning and darting pains through the lump, made life almost intolerable. The leg became enormously enlarged, and running ulcers formed, discharging great quantities of extremely offensive matter. No treatment was of any avail until the man, by Mr. LELAND'S direction, was supplied with AYER'S SARSAPARILLA, which allayed the pain and irritation, healed the sores, removed the swelling, and completely restored the limb to use.

Mr. LELAND has personally used

Ayer's Sarsaparilla

for Rheumatism, with entire success; and, after careful observation, declares that, in his belief, there is no medicine in the world equal to it for the cure of Liver Disorders, Gout, the effects of high living, Salt Rheum, Sores, Eruptions, and all the various forms of blood diseases.

We have Mr. LELAND'S permission to invite all who may desire further evidence in regard to the extraordinary curative powers of AYER'S SARSAPARILLA to see him personally either at his mammoth Ocean Hotel, Long Branch, or at the popular Leland Hotel, Broadway, 27th and 28th Streets, New York.

Mr. LELAND'S extensive knowledge of the good done by this unequalled eradicator of blood poisons enables him to give inquirers much valuable information.
