We shall find our missing loved one
In our Father's mansion Fair.

And we pray that we, may be worthy
To enter that city Fair
Where there never shall be any sorrow
Or parting with loved ones there.

TRUCKS BANNED FOR PICNICS

Aroused by the large number of fatalities which have occurred to transport picnic parties, the department of highways has placed a ban on the practice of hiring trucks for this purpose, Hon. Leopold Macauley, minister of highways, has announced Transportation of people will be confined to vehicles licensed for this purpose, the minister stated. "While it is perhaps somewhat of a hardship to deprive people of the cheapest transportation available, public safety demands this provision," said Mr. Macauley. We do not know that trucks will be forbidden for taking parties of boys to and from ball games. It is often a cheap and convenient means of transport, but it is no more safe than for picnic parties.
