The New President of the Guelph Conference.

From the Owen Sound Advertiser.

In our notice of the Methodist Conference we failed to congratulate the Rev. D. C. McDowell, formerly Pastor of the Owen Sound Methodist Church, and until this Conference Pastor of the Church in Flesherton, on his election to the honorable position of President of the Guelph Conference for the present ecclesiastical year. Mr. McDowell's many friends in the Owen Sound Church and in the town generally, as well as those in Flesherton have been highly pleased by this very significate mark of the esteem of his ministerial and lay brethren. Both in the annual and general Conferences the President's office is regarded as both elevated and responsible, and we in common with many who have had opportunities of knowing and appreciating Mr. McDowell's sterling qualities as a Christian Minister, heartily congratulate him on his elevation to this new position. Many in Owen Sound who enjoyed his warm-hearted Christian friendship feel that they are sustaining a loss by his removal to Wingham, his new field of labor, in the South-western limits of the Guelph Conference. Mr. McDowell after his election by a large majority over Dr. Griffin, of Guelph, was conducted to the platform by the Rev. Dr. Williams, General Superintendant, with whom we believe he was ordained, addressed the audience present in such earnest and appropriate words that we deem them valuable for publication though in imperfect and condensed form. He said :—"Brethren, you had certainly a surprise in store for me. I accept this voluntary act of yours as an assurance of your belief that I am one with you in the great work in which we are engaged, viz : the spreading of Scriptural Holiness, to the best of our ability, throughout the land. I am thankful to God that in early life He disclosed to me my moral state and the possibility of His mercy, and when it pleased Him to reveal His grace, He counted me worthy to give me a place in this ministry. Brethern, we have a glorious heritage transmitted to us by our fathers—those grand heroes who have won many trophies for Christ in the land—a heritage of doctrines and ordinances that have stood the test of time against all opposing forces. We shall, I trust, with unwavering faith and increased zeal, proclaim those doctrines of Salvation to mankind with hearts in full accord with Wesley's lines :

> 'What we have felt and seen,
> With confidence we tell;
> And publish to the sons of men
> The signs infallible.

It is time for us to hold with a slack hand the peculiar institutions of our Church, when many in the sister Churches are looking around them for something like our class of fellowship meetings? Let us maintain them in their integrity. The world never needed such means of Salvation more than at the present time multitudes were never more uneasy than they are now. To my mind these multitudes are like persons on board a ship, on the high seas in a storm. During a calm all seem safe, but when the storm comes upon them their worst fears are excited lest the ship should go to pieces beneath them. Under these circumstances they betake themselves to planks and floating portions of the cargo. Just so with people in the moral world; old systems and theories of unbelief supposed to have been exploded and buried long ago have been resurrected, and after brushing the dust off have been thrust to the front by many, with a doubt in the act, yet crying, 'who will show us any good.' Brethren, you know the remedy : gather them into the fold of Christ. We are not alone in this great work. No. Thank God I am not so narrow-minded, so secterian, so exclusive as to think they must all be gathered into the Methodist fold. I rejoice to know there are many earnest workers in line with us in other churches. Each has its banner with this inscription: The world for Christ. Yes, all along the line of the advancing hosts of God, trumpets blast, banner waves to banner, beacon light blazes to beacon llght, and the work of God is gloriously advancing. If ever the words of the poet were true, they are true now :

> More and more it spreads and grows,
> Ever mighty to prevail,
> Sin's strongholds it now overthrows,
> Shakes the trembling gates of hell."

Fluid Lightning is simply a marvellous Rheumatic Remedy. I was for two months a cripple, unable to get out of the house from Sciatica. One bottle gave me iustant relief, and placeed me on my feet again. I have driven fourteen miles to-day (something I could not possibly have done were it not for Fluid Lightning) for the express purpose of procuring another bottle. So says Wm. Dixon, Gananoque. Only 25 cents per bottle at Richardson's.

Fluid Lightning does not take a day or an hour to remove Neuralgia, Headache, Toothache, Lumbago or Rheumatism but will do it instantly, and without carrying your head in a poultice for a day or using greasy linmients. Try a 25c. bottle from Wm. Richardson, Druggist.

Catarrh—A New Treatment.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissue, Mr. Dixon at once adapted his cure to their extermination—this accomplished, he claims the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. H. A. Dixon & Son, 305 King street west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—Montreal Star, Nov. 17, 1882.
