AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me. HORACE FAIRBROTHER."
Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, MRS. EMMA GEDNEY."
159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE."
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN."
Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRAGDON."
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will *always cure* when the disease is not already beyond the control of medicine.

EAST GREY EXHIBITION.

In Flesherton Next Week, September 29th and 30th.

Next Tuesday and Wednesday, the 29th and 30th days of September, the popular East Grey Exhibition will be held on the Society's grounds, Flesherton. It promises to be the best exhibition ever given by the Society, both as regards the number of entries and the attendance of visitors. No effort is being spared to make it a most successful affair. We hope to see every Township and village largely represented in the exhibits, and can with confidence assure visitors that ample accommodation will be provided for them. The Society has done its duty most faithfully; it only now remains for the farming community to patronize their county fair as it deserves, to warrant the most gratifying results to all concerned.

The Flesherton Brass Band, augmented by a number of gentlemen from the Clarksburg Band, will furnish music for the occasion, under the efficient leadership of Mr. E. Vanzant.

When symtoms of malaria appear in any form, take Ayer's Ague Cure at once, to prevent the development of the disease, and continue until health is restored. A cure is warranted in every instance.

CENTRE GREY FARMER'S INSTITUTE.

At a meeting of the Directors of Centre Grey Farmer's Institute, held in Markdale yesterday (23rd inst.) the following gentlemen were present:—From Sullivan, Messrs. Pringle and Sparrow; from Holland, Messrs. Norton and Sowerby; from Euphrasia, Messrs. Gilray, Richardson and Ellis; from Artemesia, Messrs. Kells and Blakely; from Collingwood, N. McColman, M. P. P.; from Markdale, Dr. Sproule, M. P. After considerable goodnatured discussion, concerning the benefits to be derived from the Institute, a Committee was appointed to make all arrangements necessary and to communicate with the Agricultural College at Guelph, with a view to securing lecturers from that college to attend a public meeting to be held in Markdale as early in the month of January as convenient. The second public meeting of the Institute will be held in Chatsworth. A committee was also appointed to draft by-laws and frame rules for management of Institute.

DON'T BE DECEIVED.—Beware of any druggist who will try to induce you to take anything in place of McGregor & Parke's Carbolic Cerate. It is a marvel of healing for Sores, Cuts, Burns, etc. No family should be without it. It has no equal. Get McGregor & Parke's, and have no other. Only 25c. per box at Richardsons.

Riel has been granted a respite until the 16th October. In the meantime the constitutionality of his trial will be considered by the Imperial Privy Council. A good many people will now be almost prepared to take their affidavits that Riel will escape the gallows. We do not think he will all the same.

Exhibition Echoes.

Rev. A. Wilson carried off first prize for team of drivers at the recent Industrial exhibition in Toronto. Two other Markdaleites also carried off prizes in horses. We congratulate them.

Mr. Arch. Cairns, the enterprising stock raiser, purchased some very fine animals at the Model Farm, Guelph, recently. Nothing like improving your stock, farmers, and Mr. Cairns sets a wise example in this particular.

Mr. W. J. Cooey, the "eagle-eyed," asserts that he won't act as constable at our fairs any more. It makes him sick and disgusted to see the way some people will act; anyhow, he want to see somebody else fill his shoes and see how they will stand the sneers and jibes of an unsympathetic populace, who have no more regard for the feelings of constables than they have for any other people's—in fact not as much, sometimes.

The Agricultural Editor will be pleased to have his friends call upon him at the ADVANCE office during the East Grey exhibition.

Messrs. Robt. Hannah, of Flesherton Station, and Robt. McGirr, of Feversham have purchased Jim Noble's famous trotting stallion, "Goldfinder," for the sum of $700. "Goldfinder" made a decided hit at the Toronto exhibition and was awarded first prize in his class, although shown against a splendid array of handsome stallions.

Will Campaigne's supberb little trotting stallion, "Puzzler," astonished visitors to the Toronto exhibition by his wonderful staying powers, and was awarded second prize in the same class in which "Goldfinder" was exhibited. "Puzzler" is one of the most remarkable trotting stallions in this country, and to the ADVANCE belongs the honor of first noticing his "strong" points.

Priceville.

By Our Own Artful Dodger.

What in the wide world has become of the A. E. this two weeks back? Has he been scared by a countryman? The sound of the saws and whistles is enough to waken the dead.

J. Brown has his saw mill completed. Geo. Tryon timed Mr. Thorp saw 72 feet in 60 seconds. Any one in want of lumber can rest assured that in Priceville is the surest place in the world to get it.

T. L. Rawson has the contract of sinking a well for Atkinson's commodious stable. Tommy don't strike oil again.

E. J. Grier is giving immense bargains in all kinds of summer goods. If you want a hat or a nobby suit of clothes, E. J. Griers's is the surest place to get it. (I'll strike Mac for a plug of smoking tobacco for this notice, dead sure.—A. D.)

Miss Ferguson has returned from Toronto with a large and well-selected stock of goods.

Professor McDonald has been called to settle a dispute between some parties on the old Durham road. There is much need for him on the Durham road street in this village.

Owen Sound.

From our own Correspondent,

The large barge, *Jane C. Woodruff*, was purchased by the Parry Sound Lumber Co. from the Owen Sound Dry Dock Co. last week, and will be used in taking lumber from Parry Sound mills Oswego. She carries 600 tons burden.

New steel rails are being laid on the track at the C. P. R. depot.

The new post office is completed and was opened on Monday. The building is a beautiful one, and was built by our gentlemanly postmaster, Mr. Crawford. It is situated on Poulett st., the most central and most convenient part of the town.

Hon. Thos. White, the newly appointed Minister of the Interior, while spending a few hours in town, previous to leaving for the North-West, was waited upon at the Queen's Hotel and presented with an address by the Liberal Conservative Association of Owen Sound and North Grey. Mr. White very suitably replied. After luncheon given in his honor and after the usual toasts had been duly honored, he was escorted to the depot where he took the C. P. R. steamship, *Athabasca*, for Port Arthur. As the boat cleared the dock, he was enthusiastically cheered by the immense crowd that had assembled to witness his departure.

Two young men while trucking freight at the station were caught in the act of stealing some boxes of sardines. They were taken prisoners by Sullivan, C.P.R. policeman, and lodged in gaol. Their trial came off on Monday. They pleaded guilty and got 15 days in gaol.

Captain Leideg, of Jackson, Mich., and formerly in command of the Army here, is visiting her numerous friends here and is the guest of Mr. James Miller.

Counterfeit twenty-five cent pieces are in circulation here.

McGREGOR & PARKE'S Carbolic Cerate is invaluable for Wounds, Sores, Salt Rheum, Cuts, Burns, Scalds and Festers, as a healing and purifying dressing. Do not be imposed on with other useless preparations, recommended to be as good. Use only McGregor & Parke's Carbolic Cerate. Sold by Richardsons.

NONE BETTER.—There is no more wholesome or delicious fruit on earth than the Wild Strawberry, and there is no more effectual remedy for Cholera, Dysentery, Cramps and other summer complaints of infants or adults, than Dr. Fowler's Extract of Wild Strawberry.

—The Town Hall Rocklyn was insured in the Sovereign for $1000 and Maclean's store was insured in the Royal for $650. —*Thornbury Standard.*

A HEARTY ENDORSEMENT.—The people, the press and the profession all heartily endorse the merits of Burdock Blood Bitters as the best Blood and Liver regulator and purifying tonic now in use.

No. 5. Company left by special train on Tuesday morning for Camp Niagara. No. 5 is the heaviest company that ever left here, if not the heaviest that ever left the county. The Company contains five men who stand 6 feet 4 inches high and the smallest man in the company measures 5 ft. 10½ in, and only one man at that height. Taking them as a body the average height is over 6 feet, which is pretty good for a full company of 40 men and three officers. The officers are Captain McDonald, and Lieutenants Bennet and McNab, who are as fine a looking set of company officers as ever stepped on the field, and will no doubt acquit themselves creditably.—*Chatsworth News.*

HORSEMEN, ATTENTION!—When your horse is galled, scratched or cut, or has any ugly sore, bathe twice daily, and apply McGREGOR & PARKE'S Carbolic Cerate. It is undoubtedly the finest healing and cleansing application for it. Be sure you get McGregor & Parke's. Sold for 25c. per box, at Richardson's Drug Store.

Special Prize.

Mr. Robt. Plantt, of Eugenia, will give a special prize of $2, at East Grey exhibition, for best calf got by his bull, "Young Briton."

MARVELOUS.—One dose of Dr. Chase's Liver Cure will cure Sick Headache, Dizziness, and Sour Stomach. 1 to 2 bottles are warranted to cure Liver Complaint, Indigestion and Biliousness. Sold by W. Richardson.

Lost.

On Saturday, 5th inst., between Flesherton and Dundalk, a valise. Missed near Proton flag station, C.P.R. Finder leaving same at ADVANCE office will be rewarded. MRS. JANE FORRESTER.

LADIES ONLY.—The complexion is often rendered unsightly by Pimples, Liver Spots, and Yellowness. These it is well known are caused from an inactive Liver and bad blood. Dr. Chase's Liver Cure purifies the blood and whole system. See Recipe book for toilet recipes, hints and suggestions on how to preserve the complexion. Sold by W. Richardson.

Catarrh—A New Treatment.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissue, Mr. Dixon at once adapted his cure to their extermination—this accomplished, he claims the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. H. A. Dixon & Son, 305 King street west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—Montreal Star, Nov. 17, 1882.
