THE BEST COUGH CURE.—The best remedy for Cough and all Throat and Lung troubles is one that loosens and dislodges the tough mucous, clears the bronchial tubes, and allays irritation. This is what Hagyard's Pectoral Balsam does in every case.

A Musical Treat in Store.
We understand that the Flesherton Glee Club and Brass Band intend giving a union concert on or about the 1st of February. We have no hesitation in saying, that to the lovers of first-class music, this entertainment will be a rare treat, as, we understand, that a careful selection of choice music has been made, and no pains will be spared to have them thoroughly prepared.

IMPURE BLOOD.—Boils, blotches, pimples and festering sores are indications of impure blood that should never be neglected, or ill health and perhaps incurable disease may result. Burdock Blood Bitters purifies the blood by acting on the four cardinal points of health—the Stomach, Bowels, Liver and Blood.

To insure that end, in the cheapest, most available and complete manner, use McGregor's Speedy Cure for Dyspepsia and Impure Blood. There is no purer, safer or more reliable remedy in existence for Indigestion, Dyspepsia, Costiveness, etc. Ask your neighbor or any person who has used it. Sold by W. Richardson. Since taking the first bottle I have noticed a decided improvement, and can with confidence recommend it to be one of, if not the best medicine extant for Dyspepsia. This invaluable medicine for Liver Complaint, Indigestion, Kidney Complaint, is purely vegetable. Sold at W. Richardson's Drug Store. Trial bottles given free.

To the Electors of Ward No. 3, Euphrasia.

GENTLEMEN,—As a candidate for your support for Councilman for this Ward, I am asked which candidate for the Reeveship I am supporting. In reply I would say I am running independent of either of the candidates, neither supporting nor opposing one or the other.

If elected I intend to give a loyal support to the Reeve of your choice, and will carefully attend to your interests in all matters affecting them which may come before the Council.

Respectfully asking your votes and influence, I am,

Yours respectfully,
WILMOT G. PICKELL.

From our own Correspondent,

SERIOUS ACCIDENT.

While working with a threshing machine at his place, Mr. Adam Hislop met with a very serious accident. He was removing some straw about the cylinder, and having his mits on at the time, his left hand got caught in the teeth and was fearfully mangled. He is getting around again, but will never have the same use of his hand.

Mr. Samuel Gilbert is back home again from Wiarton.

A large quantity of the timber and lumber required for the erection of the Markdale roller rink has been supplied from the Eclipse steam saw mill now under the management of Mr. J. Warling.

MCGREGOR'S SPEEDY CURE.—It is popularly admitted everywhere that McGregor's Speedy Cure is the safest, most reliable and by far the cheapest remedy for Constipation, Liver Complaint, Indigestion, Impure Blood, Loss of Appetite, and all similar troubles. It is not necessary to take a great quantity before any result is produced. A few doses will convince you of its merits. Trial bottle given free at W. Richardson's Drug Store.

What They are Saying.

Who's going to be elected Reeve?—Agricultural Editor.

I wonder the same thing myself; but, by the way, don't you want a first-class hawgun?—C. Treadgold.

No; I'd rather have a Treasurership, or Clerkship, or something of that sort in the New Ministry.—Fighting Editor.

Now, look here, you know, look here; Armstrong had better get the books in shape and be ready to hand them over to the new Minister of Finance.—Robert Trimble.

What have I done that the people should not re-elect me? None can say that I have not done my duty.—Dr. Christoe.

Yes, but you should give others a chance.—A. Elliott.

That's what I say.—T. Kells.

And I.—J. G.

Elections make strange bedfellows.—S. G.

Axes to grind!—Whose got axes to grind?—Streetcrier.

Yes, but look here, you know, look here; I don't think—don't think, you know—that it would be convenient to elect a man living on the borders of another township—must be more centrally located, you know, more centrally located—of course.—R. Trimble.

KING'S EVIL

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wiser now, and knows that

SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Purulent Ulcers, Nervous and Physical Collapse, etc. If allowed to continue, Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption, and various other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so eminently an alterative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine

Is composed of the genuine *Honduras Sarsaparilla*, with *Yellow Dock, Stillingia, the Iodides of Potassium* and *Iron*, and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest, as well as the best blood purifying medicine, in the world.
