FLESHERTON:
THURSDAY, FEB. 11, 1886.

OURSELVES.

We have now the best stocked job printing establishment in the County of Grey outside the town of Owen Sound. Our large and increasing business has necessitated additions to our plant from time to time, and in the near future we hope to have an establishment second to none in Northern Ontario. All these improvements, of course, have only been accomplished after years of patient and unwearied toil, and in the face of one of the greatest financial crises through which this young but important Dominion has ever passed. Limited capital has made the depression seem greater to us than perhaps it really was. But the hearty and extensive patronage accorded us from the first has warranted our keeping pace with the times and endeavor by increasing our facilities—at considerable extra expense—to extend our business to the utmost limits. And we have succeeded beyond our most sanguine expectations.

In this connection, we might add that the ADVANCE will be enlarged to the old size and form (8-page) in a few months, when it will be second to no other paper in Simcoe, Dufferin, Grey or Bruce.

ROUGH ON THE MAIL.

The following resolution or motion was unanimously carried by the County of Bruce Publisher's Association, in convention assembled, at a recent meeting:—

"Moved by Jos. Lang, Pub. Kincardine *Review*, Con.—Seconded by J. Stephens, Pub. Bruce *Telescope*, Lib.—That the County of Bruce Printers and Publishers Association, desire to express their condemnation of the action of the Toronto *Mail*, in their unfair, churlish and small spirited manner in dealing with County of Bruce Publishers, inasmuch as the *Mail* Manager refuses to exchange on anything like fair terms, and we hereby resolve on every occasion to use our influence to discourage the circulation of that Newspaper, giving preference to the London Free *Press*, and Hamilton *Spectator*, who we believe lead in the advocacy of Conservative principles in the province.—Carried unanimously."

A number of the Grey publishers condemn the *Mail* Printing Co. in equally strong terms and have already transferred considerable advertising patronage and many subscriptions to more liberal and enterprising daily papers, such as the Hamilton *Spectator*, Toronto *World* and *News*, Montreal *Witness* and *Herald*, and other journals.

NOTICE.

Those owing us for advertising or job work are respectfully asked to settle the same on or before the 20th of this month (February). To those whom we have repeatedly asked to remit the amounts of their several accounts in vain, we have simply to say: Your accounts will be placed in other hands for collection after the 20th inst., without fail.

GREY DIVISION GRANGE.

A. Elliott, Master; T. Kells, Overseer; H. Reid, Secretary; J. Brodie, Treasurer; R. J. Doyle, Lecturer; M. Cathrae, Chaplain; J. M. Rogers, Steward; J. Boland, Assistant Steward; L. Goldsmith, Gate Keeper; Miss E. Drew, Ceres; Miss McKay, Pomona; Mrs. R. J. Doyle, Flora; Miss E. Armstrong, Lady Assistant Steward. S. Douglas, J. M. Rogers and D. Robertson, members of the Executive Committee. J. Denton and Mr. Munroe, Auditors.

The next meeting will be held in Chatsworth on the first Thursday in July.

PEN AND INK SKETCES.

The Rowdy.

This species of humanity is to be found in all climes. The burning equatorial sun has as little effect in exterminating him, as has the freezing temperature of our northern clime. Go where you will, and his rowdyship is sure to bob up serenely and impudently before you—in likely and unlikely places. Go to the crowded theatre, and in the hooting, screeching, leering, lazy, impudent, insolent and unmannerly fellow in the gallery or dress circle, you at once recognize the pure and unadulterated specimen of the modern rowdy—I have no records by me of *ancient* rowdies. Go into the lecture room, and if you do not find him squirting tobacco juice in the entrance, you are pretty sure to observe him on one of the back seats inside. Even in the sanctuary he is to be found—sitting bolt upright in his seat—staring rudely at everbody who chances to look in his direction, while civilized people are kneeling in humble devotion before the great ruler of the universe. He recognizes no authority but his own, and obtrudes himself where he is not wanted—in fact he delights in this kind of thing, for thereby he often has a chance to air his obscene language, and mayhap domineer over some person who is physically much his inferior. *Then* he becomes bloodthirsty; in *reality*, he is a coward. In fact *rowdy* and *coward* are almost invariably synonymous terms, when applied to this despicable species of humanity. He flourishes in bar-rooms; that is his native element; but I am glad to know, he can't have everything his own way around the well-kept Flesherton Hotel—he tried it last Saturday evening and "got left."

All rowdies do not necessarily drink whiskey, however. Some of them can be as disrespectful and insulting with a quid of filthy tobacco stuck in their mouths, as those who are assisted by the fiery, brain-destroying elements of whiskey.

Give the rowdy a wide birth whenever you find him, my child; he is bad company, and will use language that will shock you—*at first*, but you soon get used to it, and finally think it manly to indulge in the same vile language. Shun the rowdy as you would the pestilence, my child, for depend upon it, "Evil communications corrupt good manners."

Yours for decency,

VALENTINE MUGGINS.

From our own Correspondent,

The recent snow storm has made sleighing excellent.

The Gospel army is laboring at Wareham at present, and their labor is being crowned with abundant success. Miss Ellerby has just returned to Galt and Miss Gamey is filling her vacancy, the revival services will continue next week.

Mr. T. Mcquay's saw mill is in full running order, he has improved the mill with the addition of a shingle manufacturer.

Mrs. Haliday has rented her place to Thomas Fisher.

Mr. Richard Strain's sale went off very well, prices were very good.

News scarce this week.

Kimberley.

From our own Correspondent,

The Anniversary of the Union Sunday School here came off on Wednesday last as advertised. The tea was good, and the entertainment was splendid, the children did their part very well, who had been instructed by their superintendent Mr. S. D. Gaudin. The Musical part was good under the leadership of Miss S. A. Thompson, addresses were given by Messrs. J. Morwood of New England, and J. Hall, of Dominion of Canada View Point. After thanks to the ladies for the many good things they had prepared for tea. God save the Queen was sung, and benediction pronounced.

The mercury was 26 degrees below zero on Thursday 4th here.

Miss S. E. McQuilkin of this place has gone to visit some friends in Mono.

HEADACHE BILIOUSNESS.—"Whenever I feel out of sorts, bilious, my liver not working right, or racked with a headache I take Chase's Liver Cure. There is more real benefit from one dose of your Liver Cure than in many bottles of some medicines." Jno. McNasser, Bond Head.

EUGENIA MATTERS.

From our own Correspondent,

We are having beautiful sleighing and the roads are crowded with teams hauling logs and shingle stuff to our Saw and Shingle Mills. Mr. Akitt's yard is nearly full although his saw is going nearly all the time, and Mr. Sloan's yard is getting well filled up with shingle stuff. It is a well known fact that both these gentleman do first-rate work, lumber and shingles from their mills command the highest market price, our grist mill is also doing a rushing business.

We are to have Inspector Spry enquiring into some supposed irregularities in our Post Office, on Thursday. The cases began in 1881. Mr. T. B. Gilliland is the complainant. It is notorious that some of our citizens have not been on the most amicable terms of late, and we cannot help thinking that Mr. Gilliland would have shown more prudence had he got through with his own trouble, before lodging a complaint against our Post Master, no doubt our P. M. has his faults like other mortals, but in our estimation the cases complained of by Mr. Gilliland are not a tenth so heinious as that which he stands charged with viz. PERJURY.

We do not say that Mr. G. has been guilty of the crime for which he is under bonds to appear at the next assizes but one thing is clear he is the only one in Eugenia who has through affidavits (some say false ones) to the Crown Land office got possession of several lots which had been claimed by others and for which they had paid taxes for years and one 3 acre lot which he took possession of last Spring, had been cleared and fenced, and cropped for 2 or more years previously, but we need not prejudge his case, only we say it is a pity that a man of Mr. Gillilands intelligence should do anything to make himself obnoxious to any of his fellow citizens.

We hope our Town has a bright future, and to help it on, we learn that Mr. Sloan, the Pathmaster, has given notice that all fences and other obstructions on our streets be forthwith removed. It is almost incredible that some of our citizens have acres of the public streets now fenced into their fields and have been cropping these (what ought to be public walks) for several years, we say with the Pathmaster, these streets *must be opened*, and old logs and debris cleared out of the way, and if we wish well to our Town we will do all we can to make it attractive, so that visitors may find great pleasure in spending a few days now and again in our beautiful romantic Eugenia.

KIMBERLEY.

From our own Correspondent.

The usual number of tea-meetings socials &c., have been given this winter, the last being a Sabbath School anniversary on the 3rd, which was quite a success, the only draw back being a disappointment caused by an absence of the expected speakers, among them Rev. Mr. Ayers who, we believe started to come but returned on account of the cold. However everything passed off very nicely. Proceeds about $20.00.

A respectable farmer living not more than a dozen miles from Kimberley, was the other day, gulled by a couple of swindlers to the amount of $120. It seems they (the swindlers) were looking for agents to sell a wonderful new kind of wheat, of which they left the farmers some twenty bushels. He at the same time agreeing to act as agent, signed a card, as he thought to that effect, but which afterwards turned out to be a note to the above amount and now the farmer feels sick.

Rev. J. G. Fallis, Dutton, certifies: "For some time my wife has been troubled with Dyspepsia, and has tried one thing after another recommended with but little or no effect till advised to give McGregor's Speedy Cure a trial. Since taking the first bottle I have noticed a decided improvement, and can with confidence recommend it to be one of, if not the best medicine extant for Dyspepsia. This invaluable medicine for Liver Complaint, Indigestion, Kidney Complaint, is purely vegetable. Sold at W. Richardson's Drug Store. Trial bottles given free.

A MARVELOUS STORY

TOLD IN TWO LETTERS.

FROM THE SON: "28 Cedar St., New York, Oct. 23, 1882.

"*Gentlemen:* My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the inclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla

has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.

Yours truly, W. M. PHILLIPS."

FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct. 24, 1882. Yours gratefully,

HIRAM PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Boils, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.
