We read it is going to be a hard winter because squirrels are laying away large quantities of nuts, but again that may mean only that there has been a good crop of nuts.

TO THE ELECTORS:

Markdale, Ontario
October 15, 1935.

To my host of friends and supporters in Grey-Bruce I hasten to express my appreciation of your kindly endeavours in my behalf. To those who assisted at the polls, and in getting out the voters, I am particularly thankful.

Our cause has suffered throughout the Dominion. Let us bear that reverse as cheerfully as we may. We can at least cherish the hope that the new Government, alive to its responsibilities, will preserve and carry to full fruition the program of its predecessors for the welfare of the Dominion.

Yours sincerely,

Lewis G. Campbell
