'Hello To 101!'

Mary Hart cheerily wheels into her 101st year to become one of Ontario's oldest citizens. She celebrated the auspicious event under the careful guidance of daughter-in-law Mrs. Alice Hart at Hastings Manor county home for the aged Friday. The centenarian, who has been in Belleville since the early 1900s, has outlived all her family except one brother. He's 96.
