THE RIEL DEBATE.

The debate in the House of Commons, in regard to the legality of the execution of Louis Riel—which was brought on by Hon. Mr. Landry's motion—was brought to a termination last week. It resulted in a complete victory for the Government, by a majority of 94 votes. During the debate, some of the grandest speeches which have ever been delivered since Confederation, were given. If anybody, Grit or Tory, ever had any doubts as to the ability of the various members of the Liberal Conservative cabinet, those doubts must have been speedily dispelled on reading, the brilliant, forcible, and patriotic speeches given by Hon. Sir Hector Langevin, Hon. T. White, Hon. Sir. Adolphe Caron, Hon. Mr. Chapleau, and Hon. Mr. Thompson. The attack by Hon. Mr. Blake, Col. Ouimet, and following, was met fairly and squarely at every point by Government supporters and clearly shown to be illegical, ill-advised, and unpatriotic. It was shown that every opportunity was afforded by the Government to the counsel for Riel, consistent with the proper administration of justice. It was shown on the most unquestionable authority, that Riel was not insane. The report of the Medical Commission furnished undoubted evidence of his sanity. It was was shown that Riel was prepared to sell the Metis body and soul for sufficient filthy lucre to enable him to live in comparative affluence the remainder of his days. The fiery and convincing eloquence of Sir Adolphe Caron, in his scathing exposure of Col. Ouimet; the masterly, logical, and powerful speech by the Minister of Justice, in reply to Hon. Mr. Blake's lengthy and carefully prepared attack upon the Government; the burning, loyal and patriotic utterances of Sir. Hector Langevin, Hon. T. White, and Hon. Mr. Chapleau—were all too honest, too convincing, to be attended by anything else than the complete vindication of Sir John's cabinet, in the matter of the execution of the traitor Riel.

KIMBERLEY ASSERTS ITSELF.

A meeting was recently held in Kimberley. Its object was to discuss political matters. The chief promoter was a justice of the Peace—an appointee of Hon. Oliver Mowat's Government. Those at the meeting came to the conclusion that they could knock the Government sky high by united effort. They denounced provincial extravagance, dominion extravagance, and any other kind of extravagance. Salaries paid to civil service employees were altogether too high, our national debt had increased enormously, and it just came to this that Kimberley must assert itself or bust. Therefore the following resolutions leaked out of the safety valve:—

Resolved that this meeting pledges itself not to be influenced by partisan consideration in choosing our future representative to Parliament, but that the wishes of the people shall be the guide to our representative.

That the meeting protests against the expenditure of Ontario Lieutenant Governor's house, and favor the complete abolishing of same, and further expenditure incurred by paying Deputies in the different departments out of the public funds.

That this meeting is in favor of the abolishing of the Dominion Senate as it is a useless and expensive body.

EDITORIAL NOTES.

The unseating of Mayor Howland has caused much excitement amongst the good citizens of Toronto. An act which is now passing the regular stages in the Ontario Legislature may permit Mr. Howland to qualify on his wife's property, but there will have to be another election, unless an appeal against the decision, which nullified his election as Mayor, be sustained. Should Mr. Howland be a candidate again, he will be elected by a larger majority than ever. If the citizens of Toronto consider him competent to do their business, however, what does property qualification matter?

Last week's Durham *Chronicle* gives credence to the rumors which have been current here for some week's past, as to the probability of Mr. Jenkins allowing himself to be nominated as the standard bearer for the Liberal Conservative party in South Grey. Dr. Jamieson is mentioned as another possible candidate, and Dr. Christoe as another.

NEAR STARVATION'S DOOR.—Mrs. Nelson W. Whitehead, of Nixon, was a chronic sufferer from dyspepsia and liver complaint, and was scarcely able to take the most simple nourishment. Even a swallow of water caused great distress. Two bottles of Burdock Blood Bitters cured her, when all else failed. She heartily recommends this remedy to all sufferers.

A farmer came to town during the recent cold wave wearing a horseskin coat. A Sykes street merchant inquired: "Why don't you wear the hairy side in instead of out?" "I reckon the hoss knew which side was the warmest when he wore it, didn't he?" replied the farmer. That's all.—*Meaford Mirror.*

MUCH IN A LITTLE.—Hamilton Dowd, writing from Burns, Ont., says he was afflicted with chilblains which were very sore and painful and which nothing relieved until he tried Hagyard's Yellow Oil; less than one bottle cured him.

This week we received the first instalment of spring poetry. There are just 3,562 similar productions left over from previous years, these will have to be inserted before the one just received. It will be a long time to wait, but first come first served.—*Woodstock Times.*

A VALUABLE FIND.—James Alex. Sproul, of Orangeville, says he has found Burdock Blood Bitters to be the best medicine he ever took for kidney complaint, with which he was long suffering. He declares B.B.B. without a rival.

We regret to learn that Mr. A. Steele, Head Master of the High School, has been unable to discharge his duties on account of a serious attack of congestion of the lungs. Mr. N. Gordon, Public School Inspector, is assisting the teaching staff during Mr. Steele's absence.—*Orangeville Advertiser.*

WORTH REMEMBERING.—In a long letter from John H. Hall, of Baddick, Cape Breton, N.S., he says: "I believe were it not for Burdock Blood Bitters I should be in my grave." It cured me of kidney and liver complaint and general debility, which had nearly proved fatal.

Professor Draper, who wrote columns against the use of tobacco, declaring that it was a poison and shortened life, died in New York a few weeks ago aged 50 years. About the same time a man in that City, who has used tobacco since he was fourteen years old, celebrated his ninety-fourth birthday.

"WHOOP IT UP."—Probably one of the most difficult complaints to doctor is whooping cough. When treated by ordinary means the poor victim is left to whoop it up as best he can. Hagyard's Pectoral Balsam gives relief in this as well as in all throat, bronchial, and lung troubles.

About 9.30 last Friday evening the barn belonging to Mr. John Moore, lot 16, con. 4, Proton, was struck by lighting. Two of the boys were in the stables at the time attending to the cattle and horses, and were knocked senseless; one horse was killed; another horse was also rescued; but the barn caught fire, and with the remaining contents was consumed. About 260 bushels of grain, 8 tons of hay, some straw, a set of harness, fanning mill, other farming implements and a set of carpenter's tools were all destroyed. The loss is about $500; there is an insurance in the Saugeen Mutual, but owing to some difficulty in settlements we are unable to say what amount.—*Mt. Forest Confederate.*

A WIDE RANGE.—A wide range of painful affections may be met with Hagyard's Yellow Oil. James M. Lawson, of Woodville, Ont., speaks of it in high terms for rheumatism, lame back, sprains, and many painful complaints too numerous to mention. It is used internally or externally

John McNasser, Bondhead, writes: "Whenever I feel out of sorts, bilious, or my liver not working right, or racked with a headache, I take Chase's Mandrake Dandelion Liver Cure. There is more real benefit from one dose of your Liver Cure than in many bottles of some medicines."

On Sunday afternoon Alexander Gilles, who resided about half a mile from Glenhuron station, lost his life by the colapse of a shed. The building was a lean-to the barn, and the roof was covered with snow and ice, the weight of which caused the roof to cave in. Deceased was coming out of the shed when the roof fell on him. Death must have been instantaneous.—*Creemore Advertiser.*

SPRING AND SUMMER.—Prepare the body for health and vigor by taking Dr. Chase's Liver Cure. No Spring Medicine equals it. It stimulates the Liver, aids digestion, and purifies the blood. Large bottle and Recipe Book, $1. Sold by W. Richardson.

One of the nicest little affairs of yesterday was the marriage of Mr. J. P. Marshall, L, D. S., of this place, to Miss Kate A. Brown, of Nottawa. The interesting ceremony took place at the residence of the bride's father in the presence of a few invited friends. The happy couple will return from a short trip and take up their residence in Shelburne in a few days.—*Shelburne Economist.*

A large number of friends met last Saturday at the residence of Mr. Hiram Gillson to celebrate the fifty fifth anniversary of his wedding. It is not many towns that can boast of a couple who have lived to celebrate their golden wedding, let alone the fifty-fifth anniversary. Mr. and Mrs. Gillson are, considering their age, Mr. Gillson being in his 78th year, in good health and promise to live for many years to come.—*Collingwood Bulletin.*

BE ON YOUR GUARD.—Don't allow a cold in the head to slowly and surely develop itself into Catarrh, when you can be cured for 25 cents. A few applications will cure incipient Catarrh. One or two boxes will cure ordinary Catarrh. One to five boxes will cure chronic Catarrh. Try Dr. Chase's Catarrh Cure—it will cure you. Sold by W. Richardson.

Quite a flutter was caused on Tuesday by the presence of several constables from Markdale and Flesherton, in Durham. It turned out that they were looking out for the goods of P. & J. Welsh from the vicinity of Traverston, which were attached at the station here on their way to Dakota, in the interest of various creditors. We have been informed that all claims were adjusted, to the satisfaction of the claimants.—*Grey Review.*

This is to certify that I have used McGregor's Speedy cure for Dyspepsia and Liver Complaint, and do honestly say that if it cost me one hundred dollars ($100.00) a bottle I would not be without it, as it has done me more good than all the medicines I ever used, and I feel like a new man.—Yours truly, ALEX. STEEL, Carleton Place, Ont. This medicine is for sale at 50c. and $1.00 per bottle at the Drug Store.

A young man named Hill, hailing from Egremont, we understand, punished himself severely in the bar-room of the McQuillan house last week. He was trying to act the cow boy in the way of drinking whiskey and flourishing a revolver when in some way the firearm was discharged, the ball passing through Hill's hand. It is wonderful that no one was killed by the noisy revolverist, and a good act that it was himself who received the punishment.—*Mt. Forest Representative.*

Have you ever tried McGregor & Parke's Carbolic Cerate for sorez of any kind? It is beyond doubt the very best preparation in the market for healing and curing Sores, Burns, Cuts, Pimples, Blotches, and is the only proper method of applying Carbolic Acid. Sold at the Drug Store for 25c. per box.

Joseph Sharp was up before Mayor Mockler, and Reeve Jamieson, on Tuesday last on a charge of assault, and was fined $3.00 and cost, about $7 in all The evidence showed that the assault was a premeditated cowardly attack. We are pleased to note that although the fine was on the light side, our Mayor has shown a disposition to sit on rowdy blackguards who break the law. Long may he continue a terror to evil doers. —*Grey Review.*

The latest remedy for Coughs, Colds, Croup, Whooping Cough, Bronchitis, etc., is McGregor's Lung Compound. There is no remedy in existence containing any one of the active ingredients composing McGregor's Lung Compound, so do not say you have taken everything until you have tried this for your cold or cough, and your opinion will be the same as all who have used it, viz., that it is the best. Sold in 50c. and $1.00 bottles by the Druggist.

The Result of the Vote.

Toronto World.

What is the result of Mr. Blake's course on the Riel question from a purely party standpoint? Has he gained or lost? Is he nearer or farther away from office and power?

Mr. Blake has had one steady policy in his whole career at Ottawa and that has been to win the French Canadians over to himself. He has never opposed them in anything. Whenever a split occurred or was likely to occur he was always found on their side. The probability is that instead of having as at present a small minority at his back from Quebec, next election will see the majority of members from that province supporters of his. The people of Quebec look up to him in a way that they look up to no other public man; they consider him a gentleman, a great orator and a friend of the race. His vote for Mr. Landry's motion strengthens all this.

But to thus win over the French vote he has had to stultify his record on the first Riel rebellion, when he offered a reward for the murderer of Thomas Scott; he has had to justify the rising of the halfbreeds; he has not been able to take his small following in the house with him, for not less than twenty-three liberals voted with the government; he has weakened the chances of his candidates in doubtful constituencies in Ontario and the Northwest; and he will have to bear more or less responsibility for the dishonorable course of his organ, the *Globe*.

As far, then, as we can see, Mr. Blake has gained something in Quebec and lost something in Ontario and the Northwest. The other provinces will probably be indifferent. His net gains on the Riel matter are not of a kind or of an amount to give him place and power. Mr. Blake will have to beat Sir John on some other plank.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP," and take no other kind.

Resolutions of the Town Council of Listowel.

Moved by Robert Woods seconded by Samuel Bricker and resolved:—That this Council desire to express their great pleasure at the extraordinary energy with which the Directors of the Canadian Pacific Railway have pushed on to completion their Main Line from Ocean to Ocean, and at the extensive accommodation already given to settlers for Manitoba and the North-West Territories by the constructions of branch lines. We also have much pleasure in acknowledging the courtesies of Mr. E. A. Bailey, Emigration Commissioner for Manitoba, both for the opportunity of examining the products collected in the C. P. R. exhibit car, and for the valuable information furnished the Council by that Gentleman.

WILLIAM HESS,
Mayor.

Moved by Thos. E. Hay Esq., Reeve, seconded by R. Martin Esq., Deputy Reeve and resolved:—That the Council of the Town of Listowel in Council assembled, having heard a representative member of the Farmers' Union of Manitoba on the various questions in connection with the agriculture in that Province do freely recommend to all seeking homes in the west to go to Manitoba and the North-West Territories in preference to Dakota or any of the Western States, believing that portion of the Dominion of Canada offers greater advantages to settlers, especially in agriculture and stock raising.

Passed in Council this 10th March, 1886.

WILLIAM HESS,
Mayor.

Deliver us from Gamblers.

WASHINGTON, March 24.—The chaplain of the house made a prayer on Monday which attracted general attention. He said: We beseech Thee, Almighty God help the people of this country to learn that money gained otherwise than as Thou commandest by the sweat of the face, as the fair and honest wage of honorable, manly work of brain or hand, is gained by theft, no matter how we name the stealing; that money is never converted into wealth unless it ceases to be the pander of our lusts and lifts us above the level of the animal, lifting us to the graces of life, elevating our hearts to manly admiration; making us kindly with our kind, patient to God's laws and reverent to ourselves. Rid the land of all gamesters, we beseech Thee, of all gamesters, whether they gamble with dice or cards, or chips, or with wheat or stocks, or corn or cotton. Deliver us from the influence and powers of robbers, who, enticing their victims to board of trade and stock exchanges and bucket shops, name their practices of plunder "shearing the lambs." Enlighten our intelligence with Thy truth; sweeten and deepen our humanity with Thy love; quicken our piety with Thy spirit, and may Jesus Christ become more and more the master and ruler of our lives and characters and thoughts. We pray through His hallowed name. Amen.

The delivery of this prayer was attentively listened to and caused quite a sensation among the members. On motion of Mr. Butterworth, of Ohio, seconded by Mr. Weaver, of Iowa, it was ordered printed in the Congressional Record.
