FLESHERTON:
THURSDAY, APRIL 8, 1886.

THE SCHOOL MEETING.

The school meeting in this village, last Saturday afternoon, was as largely attended as the one in reference to selection of school site. John Whitten was appointed chairman and R. J. Sproule, secretary, of the meeting. The absence of some of the more boisterous ratepayers, tended to lessen the friction which always exists so largely on such occasions. The matter was pretty fully discussed from nearly every standpoint. By a vote the proposed debentures to be asked (covering $3,500 at the outside) was shelved for the present, and a motion carried instead, appointing three men each from the Station, North, and village, to try to remedy matters. It is thought the result will be, a new section in the North, and the selection of a new site which will meet the wishes of the people at the Station better than the one already chosen. Whether a new school house will be erected in Flesherton this season or not, therefore, is a matter very much shrouded in doubt. The possibility is there will not, and the unpalatable fact stares us in the face, that our pupils will have to undergo all the horrors of another of our bitter Northern winters in the old barracks called—or miscalled—the Flesherton schoolhouse. How any sane man of Mr. Hogg's intelligence could have the presumption to stand up within the four walls of that wretched apology for a public building, and say that it was quite good enough and afforded ample accommodation for the pupils of this section, is enough to "make the very angels weep." Mr. Lever also referred to it as a good enough structure. We can tell both of these gentlemen that the difficulties teachers and pupils have to contend with are only known to themselves. As cold—aye and colder than many barns and stables in the neighborhood, where *animals* are housed, in the winter, with every movement made in the junior department distinctly and disagreeably audible in the senior department, crumbling walls, great seams in the ceilings, children packed like a lot of red herring until the atmosphere becomes poisoned, two teachers to do the work of *three or four—this* will give our readers a faint idea of the state of things at the present time in connection with the Flesherton schoolhouse. And yet Mr. Hogg would have us believe this is a very desirable and pleasant state of things! What abominable nonsense some people will talk in order to score a point. Mr. Hogg knows as well as anybody, that there is the most urgent necessity for a new schoolhouse, and that our Trustees have been actually forced to take the grounds they have. Indeed we hold, and always have held, that the Trustees should have brought up this matter two or three years ago. The old hulk should never in our opinion, (and we have so expressed ourselves time and again) have been repaired in the first place; it was *then* the agitation for something better than an outhouse or barn for this important school section should have commenced. What do some ratepayers care about our school accommodation, so long as the taxes are kept down? If the schoolhouse falls down, they will be prepared to suggest propping it up rather than that a new one shall be built. The only thing we blame our Trustees for is that they did not move early enough in the matter. There should have been a new schoolhouse here years ago. Otherwise, their course has been perfectly consistent and in the best interests of the section as a whole.

BE ON YOUR GUARD.—Don't allow a cold in the head to slowly and surely develop itself into Catarrh, when you can be cured for 25 cents. A few applications will cure incipient Catarrh. One or two boxes will cure ordinary Catarrh. One to five boxes will cure chronic Catarrh. Try Dr. Chase's Catarrh Cure—it will cure you. Sold by W Richardson.

DR. LOW'S PLEASANT WORM SYRUP—An agreeable, safe and effectual remedy to remove all kinds of worms.

FOR Rough conditions of the Skin, Shampooing the head, Pimples, Eruption and Skin Diseases, use Prof. Low's Sulphur Soap.

FREEMAN'S WORM POWDERS destroy and remove worms without injury to adult or infant.

OBSTRUCTIONS of the Stomach, Liver and Bowels, are promptly removed by National Pills.

MUCH IN A LITTLE.—Hamilton Dowd, writing from Burns, Ont., says he was afflicted with chilblains which were very sore and painful and which nothing relieved until he tried Hagyard's Yellow Oil; less than one bottle cured him.

A VALUABLE FIND.—James Alex. Sproul, of Orangeville, says he has found Burdock Blood Bitters to be the best medicine he ever took for kidney complaint, with which he was long suffering. He declares B.B.B. without a rival.

NEAR STARVATION'S DOOR.—Mrs. Nelson W. Whitehead, of Nixon, was a chronic sufferer from dyspepsia and liver complaint, and was scarcely able to take the most simple nourishment. Even a swallow of water caused great distress. Two bottles of Burdock Blood Bitters cured her, when all else failed. She heartily recommends this remedy to all sufferers.

Carolina Items.

From our own Correspondent,

WILL YOUR DOG BITE?

This question is generally asked at the gate by men, women, and children before approaching the house, thereby preventing many a bite, fright or torn drss by ugly or ill trained dogs, you will hear a moderate "hello," if no occupants of the house are in sight, and when one appears, the above enquiry is respectfully made. Canadians would do well to adopt this annoyance, or harm by "brutes of dogs."

THE CUSTOM OF HELLO-ING

from the road or gate when wishing to deliver a message, make an enquiry &c., is also common here, much more so than in Canada, and saves time and trouble of coming in whether walking or riding, and often saves the "good women of the house" admitting a person, providing a seat &c. "Precious moments of time"—perhaps an hour or so, when by simply appearing at the door the business could be attended to in a few minutes to the advantage of both parties as to time, or convenience.

I may here remark that the "hello" is made in a low tone of voice, and one peculiarality is, no increase of same, or "higher note is struck" if repeated a dozen times! not so with you Canadians, if no response at first, or second call, your strong lungs would "make the welkin ring" until heard and attended to.

"CALLING 'ROUND"

for the Ladies. This is generally done in the "evening" as the *afternoon* is called here, (and what you call *evening* in Canada is called *night* in the South.) These friendly "calls" are invariably made "between meals," without farewarning, and the called upon, knew that no worry, or anxiety about "getting tea" (coffee here) need enter her mind, consequently sits right down, if engaged in housework, and enjoys a social chat for a short time, and then, "good by, call 'round and see me" "you must call again" &c. or, "come and spend the day with me soon," or "evening," if the whole day, dinner, and tea are both served except the caller (they don't use the word "visit, or visitor") is far to go, or cannot remain until after tea—*coffee*, A "cup of tea" is a rarity in this country, *coffee*, home roasted, and ground just in time to steep sufficiently, black and strong, cheerfully given, is the rule, with ccetras.

"Spending" the day, or "evening" is made by appointment if possible to do so. The hospitality of Southerners is all that can be asked for, but

THE WEATHER

of the past winter, for coldness, has been more than was asked for, the thermometer registering at times thirty degrees below zero! This is a backward spring, cold and dry, am pleased to learn of general prosperity in Canada, "*our Dominion.*"

WM. PURDY.

John McNasser, Bondhead, writes: "Whenever I feel out of sorts, bilious, or my liver not working right, or racked with a headache, I take Chase's Mandrake Dandelion Liver Cure. There is more real benefit from one dose of your Liver Cure than in many bottles of some medicines."

SPRING AND SUMMER.—Prepare the body for health and vigor by taking Dr. Chase's Liver Cure. No Spring Medicine equals it. It stimulates the Liver, aids digestion, and purifies the blood. Large bottle and Recipe Book, $1. Sold by W. Richardson.

This is to certify that I have used McGregor's Speedy cure for Dyspepsia and Liver Complaint, and do honestly say that if it cost me one hundred dollars ($100.00) a bottle I would not be without it, as it has done me more good than all the medicines I ever used, and I feel like a new man.—Yours truly, ALEX. STEEL, Carleton Place, Ont. This medicine is for sale at 50c. and $1.00 per bottle at the Drug Store.

Have you ever tried McGregor & Parke's Carbolic Cerate for sorez of any kind? It is beyond doubt the very best preparation in the market for healing and curing Sores, Burns, Cuts, Pimples, Blotches, and is the only proper method of applying Carbolic Acid. Sold at the Drug Store for 25c. per box.

The latest remedy for Coughs, Colds, Croup, Whooping Cough, Bronchitis, etc., is McGregor's Lung Compound. There is no remedy in existence containing any one of the active ingredients composing McGregor's Lung Compound, so do not say you have taken everything until you have tried this for your cold or cough, and your opinion will be the same as all who have used it, viz., that it is the best. Sold in 50c. and $1.00 bottles by the Druggist.

Have you Toothache? Use Fluid Lightning.
Have you Rheumatism? Use Fluid Lightning.
Have you a Stiff Joint? Use Fluid Lightning.
Have you Neuralgia? Use Fluid Lightning.
Have you Lumbago? Use Fluid Lightning.
Are you troubled with Headache? Use Fluid Lightning.
Have you any Pain? Use Fluid Lightning.
It will cure you the instant it is applied.
Try it. 25c. per bottle at the Drug Store.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP," and take no other kind.

A WIDE RANGE.—A wide range of painful affections may be met with Hagyard's Yellow Oil. James M. Lawson, of Woodville, Ont., speaks of it in high terms for rheumatism, lame back, sprains, and many painful complaints too numerous to mention. It is used internally or externally

WORTH REMEMBERING.—In a long letter from John H. Hall, of Baddick, Cape Breton, N.S., he says: "I believe were it not for Burdock Blood Bitters I should be in my grave." It cured me of kidney and liver complaint and general debility, which had nearly proved fatal.

"WHOOP IT UP."—Probably one of the most difficult complaints to doctor is whooping cough. When treated by ordinary means the poor victim is left to whoop it up as best he can. Hagyard's Pectoral Balsam gives relief in this as well as in all throat, bronchial, and lung troubles.
