Euphrasia Jottings.

From our own Correspondent.

Mrs. Richard White, of the 3rd line, Euphrasia, was driving into Heathcote with a horse and buggy last Saturday, when the horse ran away. Mrs. White jumped out of the rig and fell with such violence on the road that her leg was broken at the thigh. Dr. McBride is attending her.

As the Epping and Flesherton mail carrier, Mr. J. Curry, was driving home on Monday afternoon, and while descending the hills South of Kimberley, the holdback strap broke allowing the rig to run on the horses heels. The horse kicked the dashboard, a piece of the board of which struck a passenger, Miss S. Sherwood, on the leg, just below the knee, inflicting a gash four inches long. Mrs. Dyness and baby, of Kimberley, were also passengers but escaped unhurt, through the excellent management of Mr. Curry Had the horse not been a most docile one, there might have been a much more serious accident to record.

The genial Editor of the Shelburne *Free Press*, Mr. Mortimer, was in town Saturday last and gave us a call.

The *bottom* of the windows in the Methodist church are now utilized for ventilation. We wonder who the promulgator of this new system in sanitary science is? Posterity should know something about him. Now, brethren, don't all speak at once!

Master E. K. Richardson is attending High School at Owen Sound.

Exhibitors should not forget that all entries for East Grey Exhibition—to be held in Flesherton on the 23rd and 24th of this month—must be made *before* the days of show. Paste this in your hat.

What do you think of the two-colored East Grey Exhibition posters turned out of the ADVANCE office last week, gentle reader? Oh, we usually get there!

A "Clipper" paper cutter, similar to the one in the *Standard* office, Markdale, is the latest addition to the printing plant of the ADVANCE. It's a dandy and no mistake.

We understand that Campbell power presses are to be put in the offices of the *Enterprise* and *Bulletin*, Collingwood, shortly. More power to your elbows, brothers Grady and Currie!

Another large stock of those famous B. Lawrence Spectacles—best in the world—just received at J. G. Russell's Noted Jewelry Store, Flesherton.

Mr. Steer, of Markdale, and Mr. Dennis, of Yorkville, took part in the closing exercises in the Methodist church here last Sunday morning. Rev. W. Ayers preached a powerful and stirring sermon.

The Prize Lists of Artemesia fall show, (to be held in Priceville) will be ready for distribution this week. As usual there are a goodly number of special prizes, chiefly by enterprising Priceville business men.

We observe that Dr. Christoe the Flesherton delegate has been appointed a member of the "General Superintendency" standing committee of the Methodist General Conference, now being held in the Metropolitan church, Toronto.

Rev. Mr. Ayers delivered a powerful and stirring sermon in the Methodist church last Sunday evening, to a large and appreciative congregation. It was considered by some to be the Rev. gentleman's best pulpit effort since assuming the pastorate of the Flesherton circuit.

Dr. Hixon will be in attendance at the Medical hall here on Tuesdays and Fridays, whilst Dr. Christoe is absent at the General Conference now being held in Toronto. The Dr. will, therefore be at the Medical Hall to-morrow (Friday,) or any other time, of course, when his services are required.

Mr. Mackenzie Duncan, of Eugenia, desires us to inform the public, through the ADVANCE, that he is prepared to do threshing for the farmers expeditiously and cheaply. Having a first-class threshing machine, and having had considerable experience he feels that he can guarantee satisfaction.

Mr. T. A. Bellamy, of Orangeville, was in town Friday and Saturday last, being the guest of Mr. Wm. Irwin, Principal of our Public Schools, during his stay. We had a pleasant call from Mr. B., who is one of the most genial members of the journalistic and teaching fraternities.

It pays to advertise in THE ADVANCE. As but a limited number of ads. are accepted, and as we have only a couple of columns or so at present which we can place at the disposal of patrons, now is the time to make your contracts and secure your space. All advertisements neatly set in type and placed near reading matter.

Mr. Geo. Glassford accomplished the job of lowering the floor in Mr. R. J. Sproule's store in a remarkably short space of time. A new floor has already been laid, Mr. T. A. Blakely and assistants are busily engaged painting, and other improvements in the internal arrangements of the store are rapidly being pushed forward to completion.

By announcement in our advertising columns to-day, it will be observed that a Convention of the Liberal Conservative association of East Grey will be held in Markdale, on Friday, Oct. 8th 1886, commencing at one o'clock p. m., for the purpose of selecting candidates for the House of Commons and Ontario Legislature, to contest the Riding at the coming elections. All interested will govern themselves accordingly.

Another large stock of those famous B Lawrence Spectacles—best in the world—just received at J. G. Russell's Noted Jewelry Store. Flesherton.

Miss Maud Richardson is in Toronto purchasing Fall Millinery. When she returns we shall have pleasure in informing the public of the nature and extent of her purchases, as she always gets just the prettiest and best millinery obtainable—look out for the A. E's report.

Sir John Macdonald visited the Methodist General Conference in Toronto on Tuesday, while it was in session, and was received with unbounded enthusiasm. He also joined in the singing of that grand old hymn, "From Greenland's Icy Mountains," with a heartiness and vim which showed that our Grand Old Man's early training was not neglected.

Rev. Mr. Ayers, pastor of the Methodist church here, will deliver a lecture in Flesherton next Monday evening. Subject: "Supremacy of the Human Mind." Admission only 5 cents. Rev. Mr. Ayers has given this lecture to enthusiastic audiences elsewhere, which should ensure a crowded house here on Monday evening. We expect to see a large turnout. Dr. Sproule, M. P., has been invited to occupy the chair. Lecture commences at 8 sharp.

The Markdale *Standard* came out in a new dress last week, and looks all the smarter and brighter for the change. It also sports quite a unique new heading, which, considering the present form of our esteemed contemporary, is an improvement over the old one which was rather large for the size of the page. Like the ADVANCE, the *Standard* has now an excellent motto, viz., "Hew to the line let the chips fall where they may."

The cattle fair here on Monday was scarcely equal in some respects to the August one, but away above the average. The attendance of buyers and sellers was large, but scarcely as many cattle changed hands as at the last fair, owing to the great fall in prices. N. B.—We notice that people pay about the same old price for their beef all the same. N. B. No. 2.—We have often noticed, too, that no matter how cheap flour may get, bread is sold at pretty much the same old figure, as well as the beef.

ROWE.—In Heathcote, on the 31st ult., the wife of Mr. S. C. Rowe of a son.

"Coming Events Cast their Shadows Before."

We have just caught the shadow of one of the most interesting events in the history of Flesherton, to come off sometime in October. It is to eclipse the Jubilee of last summer, and even Queen Esther. *The Grand Harvest Home Festival.* More anon.

Clever Operation.

Mr. Wm. Richardson, Veterinary Surgeon of this town, performed a very clever operation on a colt belonging to Mr. James Fisher last week. The colt had a severe cut under the jaw, caused by a harrow tooth, exposing the gland under the tongue. This Mr. Richardson very cleverly replaced and dressed and stitched up the wound. The colt was a valuable one, from the famous "Valentine" horse.

Marriage and Banquet.

An Osprey correspondent writes:—There was a banquet in the Feversham barracks recently, in honor of a young cadet, Mr. James Speers, of the 12th line of Osprey, who was lately united in marriage to Miss Lizzie Ottewell, also a member of the army. The young couple, who are highly esteemed and respected by the people here, have the best wishes of all for their future happiness. Here goes the old slipper (No. 13 as I'm a sinner!) and a shower of rice for luck!

W. C. T. U.

It is, no doubt, a cause of gladness to many, that the Temperance cause is becoming universal, and is now in the hands of those who are interested in it. For God, the good of mankind, our homes and the nation. Steady, earnest, thinking workers are necessary. It takes time to bring about a change in old established usages, customs, or habits. Rushing fanatically into a cause harms rather than helps it. The rising generation can be educated to see there is no need for a bar for accommodation of man or beast

The Law and Order League is a grand step in advance, and we hope every home in Flesherton will be represented on the petitions now going around.

COR. SECRETARY.

Whispers Around Town.

That Cupid has been on a shooting expedition in Flesherton.

That Hymen will shortly make his best bow—"when the leaves begin to fade."

That many of the "boys" who went up to the "Soo" this summer soon got sick of the change and are now "homeward bound."

THE ROYAL TEMPLARS.

District Council—Other Societies—Concert in Evening.

The District Council of East Grey, of the Royal Templars of Temperance, met in the Town Hall, Flesherton, Tuesday afternoon last. The representatives constituted a fine looking body of men and women.

About 4:45 p. m., after transacting the special business of the District Council, large and influential delegations from the Women's Christian Temperance Union and Sons of Temperance Division, all of Flesherton, were admitted to the Hall and formally introduced to the members and officers of the District Council, the District Councillor, Mr. John Gordon, of this town, extending a cordial welcome to the delegates on behalf of the Council. The introductory ceremonies were very gracefully gone through with by Rev. W. Ayers. Mr. W. Irwin, Worthy Patriarch, made a brief but well worded and appropriate reply on behalf of the Sons of Temperance delegation.

Mr. Carey Treadgold being called upon then read an address, calculated to show the evils of intemperance and the necessity for prohibition. Among the newspapers in the land doing good work in the interests of Temperance and morality Mr. Treadgold mentioned THE ADVANCE. Elect none but true prohibitionists to represent you in parliament, whether Reformers or Conservatives. In this way alone would the question of Temperance be raised above and beyond the region of party politics. (Loud applause.)

Mr. Thurston, of Kimberley, made allusion to the fact that a certain hotel was kept open on Sundays and unseemly and unlawful proceedings indulged in by the inmates. There was urgent necessity for the existence of a law and order committee to put a stop to such unseemly conduct and rigidly enforce the law.

At this point Rev. W. Ayers was unanimously voted to the chair, on motion by Rev T. Watson, seconded by Mr. J. E. Moore.

After further discussion of Mr. Thurston's statements by Mrs. J. E. Moore, Mrs Smith, and Mrs. Leitch, it was moved by Mr. J. Gordon, seconded by Mr. J. G. Russell, that a Law and Order Committee, selected from the Temperance societies here represented, be appointed.—Carried unanimously.

Moved by Rev. T. Watson, seconded by Mr. J. E. Moore, that a nominating committee, composed of the heads of the various societies, be appointed to select Law and Order Committee.—Carried.

While the Nominating Committee was selecting the Law and Order Committee in the ante-room, Mr. Treadgold's address was thoroughly discussed.

Mr. W. Irwin, Chairman of the Nominating Committee, then read out the names of the Law and Order Committee appointed to represent the various societies present, as follows:—

W. C. T. U.—Mrs. J. Gordon, Mrs. G. Keefer, Mrs. Gjerdrum.

Fountain Council, R. T. of T.—Mr. J. Gordon, Rev. Walter Ayers, Mr. Carey Treadgold.

Kimberley Council, R. T. of T.—Mr. Thurston, Mr. Carruthers, Miss S. A. Thompson.

Sons of Temperance.—Dr. Christoe, Mr. J. E. Moore, Rev. T. Watson.

On motion put and carried, the members of the Nominating Committee were included in the Law and Order Committee above mentioned.

A motion was carried by a very large majority, in which all who voted pledged themselves to support a straight prohibition candidate in preference to any other no matter of what shade of politics.

The meeting was brought to a close by the singing of the doxology by all, and benediction by Rev. W. Ayers.

THE CONCERT

in the evening, under the auspices of Fountain Council, was a well managed affair. Mr. Gordon occupied the chair. The following program was well sustained by the various performers:

1.—Chairman's address.

2.—Duet, Misses E. & M. Richardson. Good.

3.—Instrumental Duet, Miss Jennie Treadgold, and Master Wardrobe. Good.

4.—Recitation, Miss Hopkins. Fine.

5.—Solo, Mrs. Ketchum, of Dundalk. Charmingly rendered.

6.—Address, Rev. T. Watson. Brief, forcible, pointed.

7.—Duet, Messrs. Barnhouse & Russell.

8.—Mouth Organ solo, Mr. Will Campbell. Very fine.

9.—Duet, Russell & Barnhouse. Good.

10.—Solo, Miss Damude. Good.

11.—Address, Rev. W. Ayers. Short.

12.—Instrumental duet, Miss Jennie Treadgold, and Master Wardrobe.

13.—Operatic Quartette, Misses Ayers and Damude, Messrs. Barnhouse and Russel; organist, Miss E. Richardson. Capitally rendered, creating uproarious mirth. Organ accompaniment grand.

14.—Solo, Mrs. Ketchum. Excellent.

15.—Solo, Miss Edith Richardson. Sweetly rendered.

16.—God save the Queen.

One of our merchants is keeping house without bed or bedding or household furniture of any description—not even a stove in the house. He says he cannot afford to buy.
