Died.

We regret to learn, that since their arrival at Los Anglos, California—where they will winter—our esteemed friends, Mr. and Mrs. W. H. Elder, met with a sad loss in the death of their eldest little daughter—a bright, winsome child of four or five years of age. The bereaved parents have the deep sympathy of the community in their very sad loss.

We regret to announce that the wife of Mr. Thos. Bates, of Sault Ste Marie, Mich., died on Sunday morning, 21st November, after an illness of three weeks. Inflammation was the cause of death. Noncommissioned officers and men, of the Volunteer Militia, attending the school will receive 50 cents per day, free rations and quarters, and travelling expenses. Patronize Our Own Baker.

It is no more than right to ask our citizens and those who trade in Flesherton, to give our baker here, Mrs. A. Thompson, as hearty and unstinted a patronage as they possibly can. She has quite a family to support and is honestly endeavoring to do so. Don't spend your money in other places to the detriment of your own, unless there is positively no help for it. Of course if you want to injure your own town and your own business interests, that is the course to pursue. If you are wise, however, you will do the opposite.

There is no doubt about the honest worth of Ayer's Sarsaparilla as a blood purifier. Thousands, who have been benefited by its use, will attest its virtues. This remedy cures liver and kidney complaint, and eradicates every trace of disease from the system.

The Ontario Elections—The Day Changed.

The Ontario Government, finding that the school meetings throughout the Province take place on December 29th, have changed the dates of the nominations and polling for the Legislature so as not to interfere with such meetings. Nomination day is now fixed for Tuesday the 21st of next month, and polling day a week later on the 28th. The writs will be dated on the 4th of the month and issued immediately thereafter.

At Maxwell and Eugenia.

Mr. Joseph Ward will give grand Magic Lantern entertainments in Maxwell to-night (Thursday) at 7:30 o'clock, and in Eugenia to-morrow evening (Friday) at same hour. A very profitable evening may be spent by those attending Mr. Ward's entertainments.

It is wise to provide against emergencies which are liable to arise in every family. In sudden attacks of cold, croup, asthma, etc., a bottle of Ayer's Cherry Pectoral will prove a never failing remedy.

He'll cut your hair or snatch you baldheaded—well, the next thing to it!—at equally correct prices. Same with shampooing or shaving—in prices we mean.

Newspaper Subscription.

Dundalk Herald.

A number of our exchanges are advocating the strictly cash in advance system regarding subscriptions to country newspapers. This is what we want and this we ought to have. There is not a man who is able to read who is not able to take his local paper, and if he is able to take the paper it matters but little to him whether he hands over the spot cash or waits until the end of the year, but to the country puplisher it matters very materially, who, with a list of delinquent subscribers, has rather a hard time to make ends meet. The profits in the newspaper business are altogether too small to have any dead beats on the list. We do not think that there are many on ours, but we believe there are some and the quicker we find out who they are the better. With few exceptions, however, our list is a good one, and we hope those who have stood by the HERALD through thick and thin will see that their paper for 1887 is paid in advance.
