WE CURE STRICTURE

Thousands of young and middle-aged men are troubled with this disease—many unconsciously. They may have a smarting sensation, small, twisting stream, sharp cutting pains at times, slight discharge, difficulty in commencing, weak organs, emissions, and all the symptoms of nervous debility—they have STRICTURE. Don't let doctors experiment on you, by cutting, stretching, or tearing you. This will not cure you, as it will return. Our NEW METHOD TREATMENT absorbs the stricture tissue; hence removes the stricture permanently. It can never return. No pain, no suffering, no detention from business by our method. The sexual organs are strengthened. The nerves are invigorated, and the bliss of manhood returns.

WE CURE GLEET

Thousands of young and middle-aged men are having their sexual vigor and vitality continually sapped by this disease. They are frequently unconscious of the cause of these symptoms. General Weakness, Unnatural Discharges, Failing Manhood, Nervousness, Poor Memory, Irritability, at times Smarting Sensation, Sunken Eyes, with dark circles, Weak Back, General Depression, Lack of Ambition, Varicocele, Shrunken Parts, etc. GLEET and STRICTURE may be the cause. Don't consult family doctors, as they have no experience in these special diseases—don't allow Quacks to experiment on you. Consult Specialists, who have made a life study of Diseases of Men and Women. Our NEW METHOD TREATMENT will positively cure you. One thousand dollars for a case we accept for treatment and cannot cure. Terms moderate for a cure.

CURES GUARANTEED

We treat and cure: EMISSIONS, VARICOCELE, SYPHILIS, GLEET, STRICTURE, IMPOTENCY, SECRET DRAINS, UNNATURAL DISCHARGES, KIDNEY and BLADDER Diseases. CONSULTATION FREE. BOOKS FREE. If unable to call, write for QUESTION BLANK for HOME TREATMENT.

Distribution of Seed

Within the past ten years, a good many varieties of winter wheat have been distributed to farmers throughout Ontario who have applied for them for testing upon their own farms. Great care has been taken in the selection of the varieties for distribution and some kinds such as Jones Winter Fife, Bulgarian or Democrat, Pride of Genesee, Diamond Grit, etc., have been sent out owing to their quality rather than their yield of grain Farmers have found, however, that all varieties would sell for about the same price per bushel and therefore have grown those kinds from which they could secure the greatest profit, hence the great popularity of Dawson's Golden Chaff with the farmers of Ontario. The varieties to be distributed this year have again been carefully selected and two sets will be sent free by mail to farmers applying for them who will carefully test the three kinds in each set which they choose and will report the results after harvest next year The seed will be sent out in the order in which the applications are received as long as the supply lasts:

Set 1.
Dawson's Golden Chaff.
Early Genesee Giant.
Stewart's Champion Red.

Set 2
Dawson's Golden Chaff.
Turkey Red.
Diamond Grit.

Each person wishing one of these sets should apply as early as possible, mentioning which set he desires; and the grain, with instructions for testing, and the blank form on which to report, will be furnished free of cost to his address, until the supply of grain for distribution is exhausted.

Much additonal information regarding the value of the Turkey Red winter wheat for Ontario will undoubtly be secured this year. Not only will it be tested in the co-operative experiments throughout the Province but as several millers are importing seed from Kansas an opportunity will be afforded the farmers of Western Ontario to grow it in large quantities and the millers can then grind the variety by itself and thus be better enabled to determine its value for both home and the foreign trade. The results will be watched with interest by both the millers and the farmers.

James Marks of the Elora road, near Guelph, has a horse 35 years of age. The Herald says that "Terror" is probably the oldest equine in this part of the province. Mr. Marks raised him, and when he was eighteen months old rode him twenty miles without ever getting out of the saddle. For over thirty years "Terror" has been a regular visitor twice a week to the Guelph market. When he gets his feet all right again he will be good for many more trips under the kind and careful owner.—Guelph Herald.

One day last winter, Roch Marien, the horse king, gave Thomas Burns of West Garafaxa a $50 bill instead of a $5 bill in payment for a horse, and Burns never noticed the mistake untill he reached home. On the 12th of July Burns ran accross Marien for the first time since the transaction took place and handed him $44, at the same time explaining how the mistake had been made. Roch told a number of spectators that he had missed the forty-five dollars, but had always thought he had purchased a horse with this amount and had neglected to ship it.

The Walkerton Telescope says:—Two or three weeks ago Mr. Perry Eli put an advertisment in the local newspapers stating that he had found a large sum of money. No particulars were given but a day or two ago he received a letter from one Snodgrass, of Chicago giving the partiuclars of some money which he had lost eighteen years ago. The writer states that he had been paid $420 in Canadian bank bills, but just before leaving Kincardine he had exchanged it for gold. American gold pieces, twenty in number, had been wrapped in some brown paper, and duly labelled. On arriving at Walkerton he had fallen in with the late G. G. Bobier and had shared a jug of whiskey with him in the cellar of the house. On sobering up the money was gone. As Eli found the money on a beam in the old Bobier house, and there was just $400 in American eagles in the package, he naturally concludes that he has found the rightful owner.

A robbler has been frequently known to set on eggs and hatch out a flock of fowl, but never before did we hear tell of a rooster performing the same feat or attempting to do so At the present time Mr. Robt. Lougheed has a rooster setting upon one egg. His Highness has frequently been removed from the nest in not the most kindly manner, but nothing seems to daunt his courage and unless very closely watched will be found almost immediately after his being removed. He has now been granted a life lease of the nest and His Lordship's life seems to hinge on that egg being good or bad.—Slabtown Cor. Thorubury Standard.

GRAY STREAKS

Why let all your neighbors and friends think you must be twenty years older than you are? Yet it's impossible to look young with the color of 70 years in the hair. It's sad to see young persons look prematurely old in this way. Sad because it's all unnecessary; for gray hair may always be restored to its natural color by using—

Ayer's Hair Vigor

For over half a century this has been the standard hair preparation. It is an elegant dressing; stops falling of the hair; makes the hair grow; and cleanses the scalp from dandruff.

$1.00 a bottle. All druggists.

"I have been using Ayer's Hair Vigor for over 20 years and I can heartily recommend it to the public as the best hair tonic in existence."
