Dowie Arrested,

Chicago, May 24.—John Alex. Dowie "Overseer of the Christian Catholic, Church," was arrested here to-day pursuant to the action of the Coroner's jury, which has declared him "criminally responsible" for the death of Mrs. Emma Lucy Judd. H. Worthington Judd, a disciple of Dowie and the husband of the alleged victim, also was arrested. Mrs. Judd died a week ago at Dowie's "Zion," after sixteen hours of suffering. Her infant also died. The evidence given at the inquest by some physicians of the city, who had examined Mrs. Judd's body after it had been exhumed, was to the effect that the most simple surgical care would have prevented the woman's death.

Referring to this sad affair the Chicago Inter-Ocean says:—"Surrounded by more than a dozen of the disciples of John Alexander Dowie, who prayed and chanted hymns at the bedside, Mrs. H. W. Judd, wife of the land superintendent of Zion, died with her unborn child at No. 321 West Sixty-Fourth street Sunday afternoon. In the group of praying men and women there was no physician. Mrs. Judd died of an ailment that proper medical treatment could have cured, a victim of her faith in Dowie and his creed. ith her went out the life of a babe that would have seen the light of day in a brief period had a doctor been called. The circumstances of the death have called forth an investigation by the police, and a searching inquiry by the coroner. A post-mortem examination by the county physician has already been made and his opinion is that death was due to negligence. Before Mrs. Judd's death Dowie visited her and prayed and performed other rites peculiar to Zion. Mrs. Judd was noted for her beauty and was of robust health. She was the mother of three children. She became ill Friday night. A trained nurse is competent to relieve such cases, but only a disciple of Dowie and the husband were in the house. All day Saturday Mrs. Judd suffered, slowly but surely bleeding to death. The elders of Zion and many women came and prayed for her. The head of her institution came with Overseer Spicer and their supplications availed as little as the others. A brother of the dying woman begged that a physician be called, but Mr. Judd, backed by the praying band, refused the request. After hours of agonizing pain death came to the woman, and Dowie's followers laid plans to keep the matter secret. An undertaker was found who took the corpse away in the night, and the people in the house refused to give inquirers any information. But after the undertaker had had prepared the body for burial he awoke to the fact that he was taking part in a punishable offence, so he notified the coroner, and the whole matter came within the pale of the law." The neighbors in the vicinity of Mrs. Judd's home were so incensed at the action of Dowie they threatened to lynch him. Recent defendants of prominent elders of Zion tabernacle and the sudden death of Mrs. Judd, have caused a panic among Dowie's disciples.

Catarrh Easily and Quickly Cured

Poor remedies have given Catarrh the reputation of being incurable. But it is curable, easily and quickly, if the right method is employed. Snuffing an irritating powder or ointment up the nose, won't cure Catarrh, neither will tablets, douching or stomach medicines cure. These treatments fail because they are not far reaching enough. They only affect local conditions, but do not remove the cause, which is germ life established deep down into the lungs, bronchial tubes and nasal passages. Ordinary remedies do not reach these remote parts, but Catarrhozone does, for it is breathed through the inhaler into every air cell in the lungs, into every air passage in the head and throat. No matter where the Catarrh is, Catarrhozone will reach it. It kills the germs, heals sore spots, cleans the nose and throat instantly. Universally used; pleasant and clean; guaranteed to cure or money refunded. Try Catarrhozone, 25 cents and $1.00. Druggists, or Polson & Co., Kingston, Ont.

Warranted to cure Smallpox.

Stockton Herald: "I herewith append a recipe which has been used to my knowledge in hundreds of cases. It will prevent or cure the smallpox, though the pittings are filling. When Jenner discovered cowpox in England the world of science hurled an avalanche of fame at his head, but when the most scientific school of medicine in the world—that of Paris—published this recipe as a panacea for smallpox, it passed unheeded. It is as unfailing as fate and conquers in every instance. It is harmless when taken by a well person. It will cure scarlet fever. Here is the recipe as I have used it to cure smallpox; when learned physicians said the patient must die, it cured: Sulphate of zinc, one grain; foxglove (digitalis), one grain; half a teaspoonful of water. When thoroughly mixed add four ounces of water. A teaspoonful is a dose. Either disease will disappear in 12 hours. For a child smaller doses according to age. If countries would compel their physicians to use this there would be no need of pest-houses. If you value advice and experience, use this for that terrible disease."

A grandmother at 26 is the unique distinction of Mrs. M. Campbell, who lives in a mountain district of Western N. Car. and is about as far from civilization as one can get in this part of the world. Mrs. Campbell married when 11 years old. She was the mother of a daughter when but 12, and her eldest child has now became a mother. Mrs Campbell has had nine children and is in good health. She does the little house work that is done in such establishments, makes all the clothes the children wear, does all the cooking, and fills in the time working in a rocky cornfield.

Coated
Look at your tongue. Is it coated?
Then you have a bad taste in your mouth every morning. Your appetite is poor, and food distresses you. You have frequent headaches and are often dizzy. Your stomach is weak and your bowels are always constipated.
There's an old and reliable cure:
Ayer's Pills
Don't take a cathartic dose and then stop. Better take a laxative dose each night, just enough to cause one good free movement the day following.
You feel better the very next day. Your appetite returns, your dyspepsia is cured, your headaches pass away, your tongue clears up, your liver acts well, and your bowels no longer give you trouble.
Price, 25 cents. All druggists.
"I have taken Ayer's Pills for 35 years, and I consider them the best made. One pill does me more good than half a box of any other kind I have ever tried."
MRS N. E. TALBOT,
March 30, 1899. Arrington, Kans.
