Busy Death.

Death has once more entered our midst. On Tuesday last Mrs. J. G. Russell, wife of Flesherton's well known jeweler, was taken suddenly ill and died on Thursday afternoon. The funeral took place on Friday, and the corpse was followed to the grave by a large number of friends and sympathisers. The R. T. of T. turned out in force, deceased being a member of that body. Rev. Mr. Shilton officiated and the Royal Templars also read their beautiful burial service at the place of interment. Mr. Russell has deep sympathy from the whole community in his severe bereavement. The deceased lady was a general favorite, and her genial smile and kindly disposition will be greatly missed by her many friends.

Rev. Mr. Shilton preached the memorial service on Sabbath evening to an extraordinary large congregation.

Baptist Chapel Concert.

The sacred concert in Flesherton Baptist Church last Wednesday evening was not so well attended as the rich and varied program would have led one to expect. Some [illegible] other causes prevented many who wished to be present. The several ladies and gentlemen who so willingly gave their services did well, and the program was sustained with excellent order throughout. The Brass Band played some very choice music. The chair was taken by J. Blackburn, Esq., and his wise and genial speeches added much to the evening's enjoyment.

Changing Their Resting Place.

Twenty years ago George L. Wright, father of Thos. Wright, and Mrs. William Wright, of Flesherton, died and was interred in the graying yard at Markdale. One year ago last summer his wife, and mother of the above named parties, died and was buried in St. Louis. It was decided to bring the bodies to rest in Flesherton and place them side by side in the cemetery here, which was accomplished on Monday last, under the supervision of Mr. Vincent, Mr. John Goldhorst, who assisted in removing Mr. Wright's remains from Markdale, dug the grave for deceased twenty years ago.

Flesherton Cheese Factory.

The closing meeting of the above factory was held on Friday, the 30th ult., for the purpose of winding up the past season's business, and as the proceeds of the last sale were to be distributed and the cost in connection with the unfortunate Atchinson law suit to be provided for, there was a large attendance of the patrons. The following information was given by the secretary: The total milk received at the factory was 1,166,966 lbs., from which there were manufactured 105,440½ lbs. of cheese. This was sold for 9,121.61, being an average of a little over 9 cents per lb.

The disbursements were as follows: Making cheese, $1,320.50; dairy milk, $963.46; president, $20.00; secretary, $20.00; sundries, $17.35; cash to patrons, $6921.32; cheese to patrons, $228.98; total, $9401.61.

The costs of the above mentioned law suit, which were $530.00, was provided for by those who were patrons of the factory in 1886, according to the amount of milk sent in by each of them that year. Those of them who were present at the meeting paid their several shares without a murmur.

The following were elected officers for the following year: George Stewart, president; William Wilcox, vice president; James Brodie, secretary; W. Wright, J. Teeter, D. Thompson, J. Collins, A. Stewart, T. Wright, J. Fenwick, R. Oliver and R. Akitt, directors; W. Wilcox and J. Wright, auditors.

COM.

Why You Feel

Weak and exhausted is because your blood is impure. As well expect the sanitary condition of a city to be perfect with defiled water and defective sewerage, as to expect such a complicated piece of mechanism as the human frame to be in good order with impure blood circulating even to its innermost recesses. Do you know that every drop of your two or three gallons of blood passes through the heart and lungs once in two and a half minutes, and in this way it makes life, health, strength and nerve, and in fact everything that is of the best? The blood is the great nourisher, or as the [illegible] says,

"The Life of the Body."

Is it any wonder, then, that if it is not pure and perfect in its office, you suffer so many miseries?

Ayer's Sarsaparilla stands [illegible] above every other Alterative and Blood Medicine. As a [illegible] reliable testimonial we [illegible] C. Brockett, Lowell, Mass., [illegible] for the past 25 years I have [illegible] Ayer's Sarsaparilla [illegible] cases it has [illegible] Cured Blood and Skin Diseases [illegible].

Eugene L. Hill, M. D., of South [illegible], says: "As a [illegible] and blood builder, of the [illegible] I have found anything to equal Ayer's Sarsaparilla. It gives [illegible] satisfaction."

Ayer's Sarsaparilla proves [illegible] efficacious in all forms of Skin Diseases, Carbuncles, Eczema, Humors, Leucorrhœa, Catarrh, &c., and is [illegible] the very best.
