$98 Sewing-Machine FREE

To at once establish trade in all parts of [illegible] placing our machines and goods where the people can see them, we will send free to one person in each locality the very best sewing-machine made in the world, with all the attachments. We will also send free a sample piece of our costly and valuable art samples. In return we ask that you show what we send, to those who may call at your home and after 2 months all shall become your own property. This grand machine is made after the Singer patents, which have run out, and is equal in every respect to machines sold by others at $65. We have the strongest, most simple, and most rapid sewing machine in the world. Agents wanted everywhere. No capital required. Plain, practical instructions given. Those who write to-day can secure free the best sewing-machine in the world, and the most novel work of the age ever shown in America. TRUE & CO., Box 710, Augusta, Maine.

For Merrie England.

BY M. RICHARDSON.

On our way back to our hotel we passed the house where James Watt, the inventor of the steam engine, was born. It is in an old and poor part of the town, but in this neglected looking spot, as we fancy we think the steam from the kettle spout, was [illegible] the thought which has wrought such wonders in this century [illegible] Glasgow [illegible] Great Eastern [illegible] Clyde [illegible]

[illegible] Holy Loch, we entered Loch Long, one of the largest arms of the Clyde. It is about two miles in width at the entrance, and for two or three miles it runs due north, [illegible] Dunoon.
