FALL ANNOUNCEMENT, 1889.

J. E. MOORE,

Flesherton Furniture Warerooms

Begs to tender his sincere thanks for the very liberal share of patronage received during the past two years. We have tried to please, and from the steady growth and increase in our sales, we feel that we have succeeded in giving very general satisfaction to all who have patronized us in any way, either by purchase or recommending others to us. We again offer our hearty thanks with the assurance that with the experience gained in the past two years and a better knowledge of the needs of our patrons, we shall redouble our exertion to meet your wants and retain the confidence we have so largely enjoyed. In entering on our third year of being the people's house Furnishing and Undertaker, it is perhaps well again as at the first to speak of some of our leading lines, feeling it is unnecessary to quote prices as the fact is established beyond controversy that we sell *cheaper* than any other house in the county. We are enabled to do this, having no rent to pay and doing business on a small profit (Cash principles). Thus doing away with the two heaviest items most business men have to contend with, big rent and bad debts. Our stock at present consists of Bedroom Furniture of every description, Bedsteads all prices and styles, Woven wire Springs and cott bedsteads, Mattresses of wool and sea-grass, dressing cases, Bureaus, Wash stands and Mirrors of all sizes and kinds. In parlor furniture we carry suites in Plush and Hair cloth, Sofas and Lounges in Rams, Tapestry, Silk and Hair Cloth, Cane, perforated, Rattan and Plush, sitting and rocking chairs, Whatnots, Center and Side Tables, Pictures, Music Racks, Picture Easels and the celebrated Karn or Thomas Organs. For the Dining room we have tables of every description calling attention to our cheap extension tables at $6.00, dining chairs in cane, perforated and wood seats and a special line of lounges for dining room use, Sideboards in a variety of styles. For the kitchen we have chairs to suit everybody. Cupboards for the rich and for the poor, and tables made on short notice just to suit you. Again thanking you for past patronage, we invite you to call again, assuring you that we are in better position than ever to supply your needs in house furnishings, or in undertaking, in which department we have a full line and good hearse. Our prices in this as in other branches of our large business, are on a fair living basis, and as we give this our best personal attention, by promptness, by neatness and cleanliness in all our departments, we feel that the wants of this growing country in this department are fully met.

The wet weather that we have had in this vicinity has caused some harvest to remain in the field yet. Plowing and threshing are the rule of the day.

Mrs. Thos McQuay has returned from the vicinity of Queen's where she was absent for some time, visiting the home of her parents.

Mr. Wm. Hutchinson left for Michigan on Wednesday last. We wish him success in Uncle Sam's domains.

While the family of Mr. Thos. Hutchinson were out milking one evening recently, a few pedlers entered the house, and, it is supposed, took therefrom Mrs. Hutchinson's gold watch, valued at $75. No person seeing the theft, and the watch not being missed till the next day, the thief got a good start and Mrs. H. is yet minus the watch.

Mrs. Irish, sr., of Wareham, died on Friday last. The funeral took place on Sunday to the Mount Zion Cemetery, where the mortal remains were laid to rest. Mrs. I. had been ailing for some time, and her death was not unexpected. In her death the residents of Wareham will miss a good friend and neighbor.

The new church at Bethel, on the Dundalk circuit, was opened for public worship on Sunday last. Rev. Mr. Buggin, chairman of the district, preached the dedicatory sermon at 10.30 a.m. The Rev. Mr. Shilton, of Flesherton, occupied the pulpit at 2.30 p.m. and at 7 p.m. the Rev. Mr. McCall, of Proton, very acceptably filled the pulpit. The building is brick and real neat, with a comfortable seating capacity for 200. The people of Bethel may well be proud of their church. For durability and neatness it is second to none on the circuit.
