McDonald, who charged Mr. R. D. Carruthers with attempted bribery in North York, has been sent up for trial for perjury. Mr. Carruthers came out of that charge with flying colors.

In North Grey Returning Officer McKnight on Friday last declared McKay elected. Straightway the Reformers asked for a recount before Judge Morrison and this was to take place Tuesday. The Conservatives also asked for a recount before Senior Judge Creasor, and this is announced to come off Friday of this week. Seems to us things are a little muddled in North Grey. The result is watched with keen interest.

Lennox, which was claimed by Madole, Reformer, proved a tie on the recount, and is an undecided seat at present. The Conservatives claim a number of ballots which appear to have been doctored in West Elgin style, and if these are allowed the Conservative will be elected by a majority of eight. In the meantime Lennox is vacant.

The Clarkskurg Reflector says a "dead set" was made on the Commissioner of Crown Lands in North York by Conservative organizers in the early part of the campaign. What about the "dead set" of Reform organizers in that riding who stayed right with it to the bitter end? The former also should have stayed with their job until the last vote was polled. Surely Bro. Marshall and his company didn't scare 'em off!

Dying by Slow Degrees

Although not always aware of it yet thousands die by slow degrees of catarrh. It first attacks the nose or throat, then the lungs, and finally spreads all through the system. Catarrhozone is the only remedy that will immediately prevent the spread of this awful disease. Every breath from the inhaler kills thousands of germs, clears the throat and nose, aids expectoration and relieves the pain across the eyes. Catarrhozone eradicates every vestige of catarrh from the system, and is highly recommended also for bronchitis, asthma, deafness and lung trouble. Price $1.00; trial size 25 cents, at druggists.
