When the hair shows signs of falling, begin at once to use Ayer's Hair Vigor. This preparation strengthens the scalp, promotes the growth of new hair, restores the natural color to gray and faded hair, and renders it soft, pliant and glossy.

"Not all is gold that glitters" is a true saying; it is equally true that not all is sarsaparilla that is so labelled. If you would be sure of the genuine article, ask for Ayer's Sarsaparilla, and take no other. Health is too precious to be trifled with.

Anniversary services in connection with the Meaford Road Methodist church will be held on Sunday, Oct. 18th, 1891, when sermons will be preached at 2.30 and 6.30 p.m., by Rev John W. Robinson, of Nassagawaya, formerly of Artemesia. On the following Tuesday, 20th inst., a tea-meeting will be held. For particulars see bills.

The Royal Templars occasionally indulge in cake, coffee, pie and such things. Tuesday evening was one of these occasions, and the members present, who were not biliously constituted, enjoyed themselves very much. The members who remained away missed a treat, which the young ladies of that society know so well how to prepare.

Overcoats, Overcoats. If you want an Overcoat just step in and inspect our stock, which was never so large. The number to select from, the quality and the price will surprise you. M. Richardson & Co.

Bro. Mitchell, of the Durham Chronicle, passed through town on Saturday last, having in tow his staff of correspondents, en route for Eugenia falls. He called the young men his "menagerie," and they with united voice dubbed him "the old fox." Considering that he is "complected" that way we thought the title quite appropriate, although his "brush" is not as yet fully developed. The animals themselves appeared to be quite domesticated, and the show was a good one. Mr. Mitchell wanted to rope The Advance scribe in for the balance of the trip, but was not successful owing to that curiosity being previously engaged running his own exhibition. The gentlemen all returned in good condition at night and had an enjoyable drive, the day being very fine.

Millinery, millinery. Mrs. Trimble is pleased at the return of her old customers with their fall orders, having secured the services of Miss Downing, late of Walkerton, who is capable of doing justice to your orders both in style and neatness, having spent much of the summer season in the leading wholesale millinery houses of the city. Ladies come. We can just suit you with a tony bonnet, toque or hat. We always lead but never follow. Remember the place, Sproule's stand.

Good Shooting.

Mr. S. Damude and ye editor went out for a little sport on Friday last and returned home in the evening with sixteen partridge—eight each. This was the best haul made by two persons in some years.

Church News.

Rev. R. J. Husband, of Priceville, will preach at the station on Sabbath afternoon next, at 3 o'clock.

Mr. Scobie, M. A., C. M., occupied the Presbyterian pulpit on Sabbath morning last.

Anniversary Services.

The anniversary services of the Methodist church were held on Sunday last, Rev. Dr. Gifford, of Fergus, preaching morning and evening. On Monday evening Dr. Gifford gave his celebrated lecture on the Mammoth Cave, of Kentucky. There was a large audience present, and the speaker conducted them all through the labyrinthine windings of this remarkable place with a tact which left nothing to be desired. It was very nearly as interesting as to undergo the journey for onesself. The choir and orchestra furnished music for the occasion. Proceeds $31.

Boots, Boots, Boots. Our immense stock for the fall trade is now opened out. Every man, woman and child can be booted at prices that challenge competition. M. Richardson & Co.

Christian Endeavor.

On Monday the 5th inst., Rev. G. H. Cobbledick, of Dundalk, visited our village for the purpose of organizing a society of Christian Endeavor, in connection with the Methodist Church. After taking up the topic given for the evening and spending together a very profitable half hour, the business part of the meeting was entered into, and the following officers were elected: Honorary Pres., Rev. A. W. Tonge; Pres., Miss Christie; Vice-Pres., Mr. J. A. Heard; Treas., Mr. J. Bradley; Sec., Miss Lizzie A. Waugh. The society to be known as the Epworth League of Christian Endeavor.

Proton Fall Fair.

Proton fall fair, held at Dundalk last Friday, was very successful in every sense. The day was beautifully warm, the season advanced, and everything worked together for entire success. In grain, cattle, roots, etc., entries were ahead of previous years. Fruit was, as it always is, a poor exhibit. Proton is not a fruit growing section. In addition to the gate receipts this society runs a concert show in connection, the artists on this occasion being Cameron and Fax, of Toronto. This concert added nearly $130 to the funds of the society. Altogether the directors of Proton fair have good reason to pat each other on the back, rub their hands and say "We got there." The Advance tenders friendly congratulations.

The Weather King Hand-Made Long Boot is unsurpassed by anything in the market. The price is astonishingly low. Every farmer consulting his own interest should procure a pair from M. Richardson & Co.

An At Home.

On Wednesday evening last the Sons of Temperance had a very pleasant evening's entertainment in their hall. It has been customary for this society to hold public installation of officers once a quarter, if possible, and have an entertainment in connection therewith. Last Wednesday evening, however, the form of entertainment was somewhat changed from the ordinary style, the society giving an At Home in preference to a lengthy, tedious program. The bill of fare consisted of cakes and coffee, games, and a short program. Short and interesting addresses were given by Rev. Mr. Tonge and Mr. Clark. The remainder of the entertainment consisted of a solo, duet, recitation, and instrumental music. Mr. Moore acted as chairman for the evening.

Mr. Chas. McArthur, proprietor of the Durham Review, who is an old school teacher, attended the convention here last week and also favored The Advance with a call.

A Good Story.

Mr. Thos. Gamey, Osprey's veteran reeve, in conversation with The Advance, delivered himself of a good story, which had to do with two men prominent in county affairs years ago. These men were, Squire Carr, of Euphrasia, and Elias B. Grey, the first reeve of Artemesia. The Squire was a rough old coon, as everyone who was acquainted with him knows. Mr. Grey, while not a strictly religious man, was occasionally possessed of repentant moods and always said his prayers. On one occasion, while attending County Council, the Squire and Reeve Grey occupied the same bed, and the former, naturally somewhat lame, still further added to his lameness by drinking pioneer whiskey, and one night on going to bed he felt all around the clothes to see if his bedfellow was there but could not discover him. Stumping around the room he found Elias in one corner upon his knees engaged at his prayers. Slapping him familiarly on the back the Squire roughly remarked: "G-get up out of that, Grey; y-y-you may deceive the Lord God Almighty, but you c-c-can't deceive me." It is said that Elias got up right away.

Ayer's Hair Vigor

IS the "ideal" Hair-dressing. It restores the color to gray hair; promotes a fresh and vigorous growth; prevents the formation of dandruff; makes the hair soft and silken; and imparts a delicate but lasting perfume.

"Several months ago my hair commenced falling out, and in a few weeks my head was almost bald. I tried many remedies, but they did no good. I finally bought a bottle of Ayer's Hair Vigor, and, after using only a part of the contents, my head was covered with a heavy growth of hair. I recommend your preparation as the best in the world."—T. Munday, Sharon Grove, Ky.

"I have used Ayer's Hair Vigor for a number of years, and it has always given me satisfaction. It is an excellent dressing, prevents the hair from turning gray, insures its vigorous growth, and keeps the scalp white and clean."—Mary A. Jackson, Salem, Mass.

"I have used Ayer's Hair Vigor for promoting the growth of the hair, and think it unequaled. For restoring the hair to its original color, and for a dressing, it cannot be surpassed."—Mrs. Geo. La Fever, Eaton Rapids, Mich.

"Ayer's Hair Vigor is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair and makes it glossy and soft. The Vigor is also a cure for dandruff."—J. W. Bowen, Editor "Enquirer," McArthur, Ohio.

"I have used Ayer's Hair Vigor for the past two years, and found it all it is represented to be. It restores the natural color to gray hair, causes the hair to grow freely, and keeps it soft and pliant."—Mrs. M. V. Day, Cohoes, N. Y.

"My father, at about the age of fifty, lost all the hair from the top of his head. After one month's trial of Ayer's Hair Vigor the hair began coming, and, in three months, he had a fine growth of hair of the natural color."—P. J. Cullen, Saratoga Springs, N. Y.
