Dundalk Business Places Robbed Sunday Night

Thieves stole clothing and other articles to the value of several hundred dollars from the general store of Armstrong and Son here on Saturday night. The burglary was discovered Monday morning, when it was found that the side door into the store had been jimmied. Cigarettes and chocolates were also taken from the garage operated by Frank Binns and William Fisher and a gas pump at garage of Watson and Son was broken and ten gallons of gasoline stolen.

From the store of Armstrong and son were stolen a hundred women's dresses, over thirty boys' suits, a number of men's suits, neckties, tobacco, cheese, biscuits and other groceries. From shoes strewn around the floor, it was evident the nervy thieves had stopped to try on shoes, taking those which fitted them.

Tag Day For Navy League In Flesherton Saturday

The Ontario Division of the Navy League of Canada is holding its Tag Day in Flesherton, Saturday, June 28, and it surely behooves us, as patriotic citizens of a community allowed to live in peace by grace of the brave arms of our fathers and brothers now serving at sea, on land and in the air, to do all in our power to support this increasingly active war service organization. For, if we do not help the Navy League, how can it, in turn, help those whom we all hold dear--our defenders.

Since the very first day of War the Navy League, which incidentally was able to supply several thousand three quarter trained men for the Navy, Army and Air Force immediately through its Sea Cadet movement, maintained in peace as well as war, has been serving the men of the Royal Navy through its "comforts stations" or hostels at all Canadian ports. Homes from home where men, straight from the horrors of war, the loneliness and boredom of daily and nightly watches, the strain of being continually on the alert, on the defensive of offensive, do find recreation facilities, places to refurnish their wardrobe and refresh their minds. Places where woollen garments to offset exposure, cigarettes, playing cards, music, a friendly atmosphere, a meeting place to meet one's friends, are available twenty-four hours a day. The men leave Navy League hostels as giants refreshed when leave expires. The personnel of our naval services, according to recent announcement of the Minister of Naval Affairs has grown to ten times its original size since the beginning of war. Last year the Ontario Division of the Navy League sent out $100,000 worth of knitted goods and ditty bags to our naval men. This year the demand is so heavy that goods and comforts are being being sent to them in thrice the volume of last year's supplies. Naval hostels everywhere are asking for more of everything.

Our taggers are angels of mercy asking for money to enable the Navy League to carry on its glorious work, and linking our town up definitely with the Empire's war effort.

We must not ignore the tagger's outstreached hands, for they form the first link in the chain that stretches from this town to our brave men of the seas, carrying our small but concrete "thank you" for the tremendous service they are doing in protecting and serving us!

In Memoriam

PORTEOUS—In ever loving memory of a dear mother, Selina Porteous, who passed away June 26th, 1934.

Take up thy cross and follow Him,
Nor think 'till death to lay it down,
For only he who bears the cross,
May hope to wear the glorious crown.

In that bright eternal city
Where no tears e'er dim the eye,
In the home of many mansions
We will meet her bye and bye.
—Ever remembered by Joe and Rowena.

The Path of Glory

Bombs of German air raiders have brought grim tragedy and suffering to defenceless civilians in most parts of Europe. Hospitals, schools, churches and homes are reduced to pathetic tombs of rubble.
Britain has concentrated upon a means of countering this savagery from the air and an increasing toll of German raiders is being taken by new night-fighters and guns.
This picture shows the wreckage of a German bomber shot down near London, while on its raid.
