

A Welcome Visitor

Nursing Sister Lieut. Frances Hughes, of Toronto, was apparently enjoying her visit to the RCAF City of Windsor squadron in Italy when this picture was taken. And it goes without saying that the pretty visitor was more than welcome. Just look at the smiling faces of F.O. James O'Brian, left, of 34 Warren road, and F.O. Garth Herricks, D.F.M., 265 Withrow avenue.
