BLOOD POISON

For over thirty years we have treated and cured all forms of Blood diseases, both hereditary and acquired. Our New Method Treatment is original with ourselves, and never fails to eradicate the poison from the system. Beware of mercury and other mineral poisons, which so many doctors prescribe for this terrible disease, as they will ruin the system. Other treatments drive the poison into the system, whereas our treatment destroys the virus or poison in the blood and removes it from the system entirely, so the symptoms can never return. If you have any of the following symptoms consult us before it is too late: Blotches, eruptions or pimples; falling out of the hair, itchiness of the skin, stiffness or pains in the joints, soreness in the muscles, sore throat, ulcers or bad taste in the mouth, sore tongue, sourness of the stomach, enlarged glands, running sores, etc.

Our New Method Treatment will purify the blood, heal up the sores, remove all pains; the hair will grow in again, all organs will be restored to their normal condition, and the patient prepared to renew the duties and pleasures of life. We guarantee marriage possible with absolute safety.

CURES GUARANTEED OR NO PAY

We treat and cure **Varicocele, Nervous Debility, Stricture, Gleet, Blood Poison, Urinary Drains and Losses, Kidney and Bladder Diseases.**

READER! Are you a victim? Have you lost hope? Are you contemplating marriage? Has your blood been diseased? Have you any weakness? DRS. KENNEDY & KERGAN
148 SHELBY ST. DETROIT, MICH.

A Chatham township farmer has recently discovered that by planting onions and potatoes in the same field in alternate rows, the onions become so strong that they bring tears to the 'eyes' of the potatoes in such quantities that the roots are kept moist, and a big crop is raised in spite of drought.

An English paper printed the following essay on boys, which was recently prepared by a little girl in one of the parish schools: "Boys are men that have not got as big as their papas, and girls are women that will be young ladies by and by. Man was made before woman. When God looked at Adam, He said to Himself. 'Well; I think I can do better if I try again,' and then he made Eve. God liked Eve so much better than Adam that there have been more women than men in the world ever since. Boys are a trouble They wear out every thing but soap. If I had my way, half the boys in the world would be girls, and the rest would be dolls. My papa is so nice that I think he must have been a little girl when he was a little boy."

Nine-tenths of the unhappy marriages are the result of green human calves being allowed to run at large in society pastures without any yoke on them. They marry and have moustaches. They are fathers of twins before they are proprietors of two pair of pants and the little girls they marry are old women before they are twenty years old. Occasionally one of the marriages turns out all right but is a clear case of luck. If there was a law against young galoots sparking and marrying before they have cut all their wisdom teeth we suppose the little roosters would evade it in some way. But there ought to a sentiment against it. It is time enough for these bantams to think of finding a pullet when they have raised money enough to buy a bundle of laths to build a hen-house. But they see a girl who looks cunning and they are afraid there are not going to be enough to go around and they begin to spark real spry and before they are aware of the sanctity of marriage relation they are hitched for life, and before they own a cook stove or a bedstead they have to get up in the night and go after the doctor, so frightened that they run themselves out of breath and abuse the doctor because he does not run too. And when the doctor gets there there is not enough linen to wrap up the baby.—Exchange.

CONSUMPTION CAN BE CURED

EDITOR'S NOTE.—The Slocum System of Treatment for the cure of Consumption, Pulmonary Troubles, Catarrh, General Debility, and nearly all the ills of life, is medicine reduced to an exact science by the world's foremost specialist.

By its timely use thousands of apparently hopeless cases have been permanently cured.

The **Emulsion of Cod Liver Oil** is needed by some, the **Tonic** by others, the **Expectorant** by others, the **Oxojell** by others still, and all **four**, or any **three**, or **two**, or any **one**, may be used singly or in combination, according to the needs of the case.

Full instructions with each set of four free remedies illustrated here. Our readers are urged to take advantage of Dr. Slocum's generous offer.

THE FREE TRIAL

The honor of thus effectively arresting the progress of this fatal malady rests with the wonderful system of treatment which has been reduced to an exact science for the cure of Consumption and for the cure of Catarrh and other prevalent conditions which pave the way for Consumption—that successful method evolved by America's greatest scientific physician, Dr. T. A. Slocum, whose great liberality, through his **Free Trial Treatment**, sent broadcast throughout this broad land, has contributed most to the rout of the most potent agency in the destruction of human life in this hemisphere.

His **Free System of Treatment** has arrested the hand of death in the cases of thousands of consumptives and has prevented the disease in countless instances.

The Slocum Treatment consists of four distinct remedies for the cure of **Consumption, Weak Lungs, Bronchitis, Catarrh, and all pulmonary and wasting diseases**, and is based upon principles essential to the correction of function, the rebuilding of the tissues, the overthrow of parasitic animal organisms and the establishment of health in all the departments of the human body.

The four preparations embody all the necessary elements of a complete treatment for Consumption—its cure and prevention—as well as for most of the chronic and wasting ills of life. Apparently hopeless cases are cured by their timely use.

These free remedies comprise the great **curative forces** discovered by the eminent physician, Dr. Slocum, they represent the acme of the pharmacist's skill and with them will be found explicit directions for their use in any case.

You are invited to test what this system will do for you, if you are sick, by writing for a **FREE TRIAL TREATMENT** and the Four Free Preparations will be forwarded you at once with complete directions for use.

Simply write to the T. A. Slocum Chemical Company, Limited, 179 King Street West, Toronto, giving post office and express address, and the free medicine (the Slocum Cure) will be promptly sent.

Persons in Canada seeing Slocum's free offer in American papers will please send for samples to Toronto.
