## Problems of Sunday Schools Discussed

The Grey County Sunday School Institute was held on Thursday in St. John's United Church, with both afternoon and evening sessions.

The afternoon session opened at 3 o'clock with a worship period conducted by Rev. A. E. Millen, who spoke briefly on "Inspiration and Vision."

"The Church Sunday School Advance" was the theme of an address by Betty Ross Steihlin. She discussed the plans of Canadian Sunday Schools, particularly that of decline in attendance. Only 54 per cent. of the students enrolled now attend Sunday Schools, she declared. An outline was given of a proposed interdenominational plan for a nation-wide and continent wide effort in the home, church and community to increase attendance.

The first objective of an advance in Sunday School work is to teach everyone with Christain teaching, the speaker stated.

A demonstration of the teaching of a missionary lesson was given to a class of junior high school boys by Rev. T. Tucker, who chose to speak on China, and was very instructive. Rev. C. H. Dickinson gave an address on books and the advance and improvement of material and made suggestions for more uniform lessons.

The meeting was then adjourned and lunch was enjoyed in the church Sunday School rooms.

During the supper hour Rev. T. Tucker spoke on "Light from Dark Africa." The evening session was conducted by candlelight owing to the storm, and opened with devotions by Rev. C. D. Farquharson. Three discussion groups were a practical feature of the session; Temperance and Missionary Propaganda by Rev. W. Howey and Rev. T. Tucker; Christian Teaching for Older Boys and Girls by Rev. M. G. Butler and Religion in Public Schools by the Rev. H. W. Vaughan. A very inspiring address on "Evangelism in the Sunday School" was delivered by Rev. C. H. Dickinson.
